

“NEAR ZERO” HEAVY-DUTY NATURAL GAS ENGINE INCENTIVE PROGRAM

**For Transit Buses & Refuse Collection Trucks Operating
in the South Coast Air Quality Management District**

2014-2016 MSRC Work Program

Program Announcement PA2016-11

June 3, 2016

SECTION 1 - INTRODUCTION

The Mobile Source Air Pollution Reduction Review Committee (MSRC) is pleased to announce the availability of funding incentives to buy down the purchase cost of the Cummins Westport ISL G Near Zero (ISL G NZ) natural gas engine, certified by the California Air Resources Board (CARB) below the Optional NOx emissions standard of 0.02 grams per brake-horsepower hour (g/bhp-hr). This newly commercialized heavy-duty natural gas engine offers “near-zero” emission levels for ozone precursor and particulate matter criteria air pollutants – *90% lower than the current EPA heavy-duty engine standards* - reductions that are of critical air quality importance to the South Coast Air Quality Management District (SCAQMD) region.

It is anticipated that this 8.9 liter heavy-duty engine will have future applicability to many heavy-duty vehicle applications. However, this MSRC **Clean Transportation Funding™** opportunity specifically targets, and is limited to:

- ✓ **Urban Transit Buses** Operated by Public Transit Agencies within the SCAQMD. This Funding Opportunity Includes Both New Bus Purchases and Bus Engine Re-Powers (i.e., Engine Replacements);
- ✓ **Refuse Collection Trucks**, including Public Agency or Business Enterprise-Owned Vehicles Domiciled and Operated in the SCAQMD. This Funding Opportunity Targets the Re-Power of Existing Natural Gas Refuse Collection Vehicles.

These heavy-duty vehicle classes have been targeted because they: 1) are compatible with the physical and performance characteristics of the Cummins Westport ISL G NZ engine; and 2) accrue high mileage and/or hours of operation within SCAQMD communities.

The following Sections describe the eligibility requirements to participate in the MSRC “Near Zero” Heavy-Duty Natural Gas Engine Incentive Program, limits on the amount of **Clean Transportation Funding™** available to Program participants, and guidelines for application preparation.

To reduce the need to photocopy, package, and physically submit paper applications, the near Zero Engine Incentive Program **requires that applications be submitted electronically in PDF format using the MSRC Website**. We believe this benefits the applicant, the MSRC staff, and the environment. A tutorial is available to walk applicants step by step through the electronic application submittal process. This tutorial is available on the MSRC Website at www.cleantransportationfunding.org. Look for the Proposal Upload Tutorial on the right-hand column of the Home Page.

Additionally, MSRC staff members are available to answer questions and provide technical and programmatic guidance as appropriate. Please refer to Section 8 of this document for a list of MSRC Staff contacts.

Please note that the source of MSRC **Clean Transportation Funding™** for projects submitted in response to this solicitation is motor vehicle registration fees collected by the California Department of Motor Vehicles (DMV) in accordance with the California Health and Safety Code. Thus, the availability of MSRC **Clean Transportation Funding™** is contingent upon the timely receipt of funds from the DMV. Neither the MSRC nor SCAQMD can guarantee the collection or remittance of registration fees by the DMV.

SECTION 2 – AVAILABLE FUNDING

The amount of MSRC **Clean Transportation Funding™** allocated for the Near Zero Engine Incentive Program is \$10.0M. Of this total funding allocation, \$7.5M is targeted for Transit Bus incentives; \$2.5M for Refuse Collection Truck incentives.

Note that these are targeted funding amounts – the MSRC reserves the right to increase the amount of total funding available and to reallocate funding between the Transit Bus and Refuse Truck categories. Similarly, should the MSRC receive proposals with total requests less than the amount allocated, or if proposals are deemed non-meritorious, the MSRC reserves the right to reduce the total funding available and reallocate funds to other Work Program categories. The MSRC also reserves the right to not fund any of the applications received, irrespective of the merits of the applications submitted.

For the purpose of this Near Zero Engine Incentive Program, all qualified project applications received electronically on the first day of the Application Acceptance Period, July 5, 2016, will be deemed received at the same time. In the event the Near Zero Engine Incentive Program is oversubscribed following receipt of first-day applications, MSRC funds will be distributed on a pro rata share basis to qualified project applications. Please note that the Geographic Funding Minimums discussed in Section 5, below, will take precedence in the event funding must be pro-rated. Qualifying applications received after July 5, 2016 will be funded in the order of receipt.

SECTION 3 – ELIGIBILITY REQUIREMENTS

For the purpose of this Program Announcement, the following eligibility requirements apply:

1. Eligible Applicants and Contracting Parties

- a. Transit Bus Incentives - Public Transit Agencies headquartered and whose transit operations are primarily within the SCAQMD jurisdiction are eligible to participate in this incentive program. This includes, but may not be limited to, County Transportation Commissions, municipal transit agencies, and Joint Powers Authority (JPA) Public Transit Agencies. The eligible Public Transit Agency must be the Contracting entity and Contract signatory.

Business enterprises that provide transportation services are not considered a Public Transit Agency under this Program and are not eligible to submit an application. Business enterprises that provide contract transportation services of behalf of an eligible Public Transit Agency are not considered a Public Transit Agency. Participation by business enterprises is allowable only in cases where a qualifying Public Transit Agency submits an application on behalf of their contract service provider and where the Public Transit Agency acts as Contract signatory.

- b. Refuse Collection Truck Incentives – Eligible applicants include public agency, municipal, and business enterprise owners and/or operators of eligible refuse collection vehicles. Participating refuse collection trucks must be domiciled and operate within the jurisdiction of the SCAQMD.

2. **Eligible Engine** – This program provides a buy-down incentive towards the purchase and installation of the Cummins Westport ISL G NZ 8.9 liter natural gas engine. The model year 2016 CARB Executive Orders for qualifying engines are as follows:

- Urban Bus: CARB EO # A-021-0629
- Heavy-Duty Refuse Trucks: CARB EO # A-021-0630 or A-021-0646 as applicable

Only the Cummins Westport 8.9 liter ISL G engine models certified to the CARB Optional NOx standard of 0.02 g/bhp-hr qualify under this incentive program. Cummins Westport ISL G natural gas engines certified to the current EPA 2010 NOx standard of 0.2 g/bhp-hr do not qualify for MSRC incentives.

3. **Qualifying Heavy-Duty Transit Buses and Refuse Collection Trucks** – Qualifying vehicles include transit buses and heavy-duty refuse collection trucks. The following vehicle eligibility requirements apply:

- a. **Transit Buses:** Eligible transit buses must meet the following specifications:

- Owned or operated by a Public Transit Agency;
- Powered by a heavy-duty engine, or of a type normally powered by a heavy-duty diesel engine;
- Intended primarily for intra-city operation;
- Length is 30 feet or longer;
- Qualifying transit buses must meet all Americans with Disabilities Act, US Department of Transportation, California Department of Motor Vehicles, and other applicable regulatory agency requirements.

- b. **Refuse Collection Vehicles:** Eligible refuse collection trucks must have the following characteristics:

- Owned or operated by a public agency, municipality, or business enterprise;
- Vehicle is currently configured to operate on dedicated natural gas;
- Gross Vehicle Weight Rating 26,001 pounds or greater;

4. **Earliest Date for an MSRC-Funded Project to Start (Project Start Date)** – The release date of this Program Announcement, June 3, 2016, is the earliest date an MSRC Near Zero Engine Incentive Project can start. For the purpose of this Program Announcement, the Project Start Date corresponds with the purchase order date for the new transit bus or, in the case of engine re-power, the purchase order date for the new replacement engine. Any expenditure made in anticipation of an award of MSRC Near Zero Engine Incentive funding and prior to execution of a Contract is solely at the applicant’s risk. If no Near Zero Engine Incentive Program Contract is executed, neither the MSRC nor SCAQMD is liable for payment of any funds expended in anticipation of a contract. Please note that in the event a contract is executed, reimbursement for any costs incurred by the proposer in anticipation of the contract is at the discretion of the MSRC and SCAQMD.

5. **Minimum Operations Period** – All vehicles that receive an MSRC Near Zero Engine Incentive under this Program must remain operational within the geographical jurisdiction of the SCAQMD for a period of no less than five (5) years from the date an MSRC co-funded engine enters service.

SECTION 4 – INCENTIVE LEVELS

The following incentive levels have been set by the MSRC for this Program:

Urban Transit Buses: The MSRC will award **\$15,000 per qualifying urban transit bus** in accordance with the limits set forth in Section 5, below. This incentive is available for new bus purchases or for the re-power (engine replacement) of an existing qualifying natural gas transit bus. A total funding allocation of \$7.5M has been established for the Program category.

Refuse Collection Trucks: The MSRC will award **\$25,000 per qualifying refuse collection truck** in accordance with the limits set forth in Section 5, below. This incentive is available for the re-power of an existing qualifying natural gas refuse truck only. A total funding allocation of \$2.5M has been established for this Program category.

SECTION 5 - PARTICIPATION GUIDELINES, CONDITIONS & RESTRICTIONS

The following guidelines, requirements, and conditions apply to all applicants:

1. **Maximum MSRC Funding Limits**– To ensure broad-based participation, the MSRC has established the following maximum funding parameters:
 - a. **Transit Bus Incentives:** The maximum total funding award to any Public Transit Agency under this solicitation shall not exceed 25% of the available funding. The total available funding currently allocated by the MSRC for this Program category is \$7.5M. Thus, the maximum total funding award for any single Public Transit Agency is currently set at \$1.875M. This maximum funding restriction can be waived by the MSRC in the event the MSRC does not receive meritorious applications from other applicants that meet or exceed 75% of the available funds, or if the MSRC allocates additional funds to the Program. The MSRC reserves the right to determine which projects, if any, are deemed meritorious and warrant a **Clean Transportation Funding™** award.
 - b. **Refuse Collection Vehicle Incentives:** The maximum total funding award to any agency, municipality, or business enterprise under this solicitation shall not exceed 25% of the available funding. The total available funding currently allocated by the MSRC for this Program category is \$2.5M. Thus, the maximum total funding award for any single entity is currently set at \$625,000. This maximum funding restriction can be waived by the MSRC in the event the MSRC does not receive meritorious applications from other applicants that meet or exceed 75% of the available funds, or if the MSRC allocates additional funds to the Program. The MSRC reserves the right to determine which projects, if any, are deemed meritorious and warrant a **Clean Transportation Funding™** award.
2. **Geographical Funding Minimum** - The MSRC has established a Geographical Funding Minimum for each county within the SCAQMD. The geographical funding minimum amount has been set at \$1.27M per county. This is apportioned as follows: a \$945,000 per county allocation for Transit Buses, and a \$325,000 per county allocation for Refuse Trucks. This funding set-aside guarantees a minimum level of funding within each county to participate in the Near Zero Engine Incentive Program. For the purpose of this Program Announcement, geographic location is based upon the location where the vehicle(s) equipped with the incentivized engine(s) are domiciled. At the end of the application submittal period, January 6, 2017, if any

county has funds remaining in its geographical minimum, these funds will be made available to qualifying applications from any other county in order of receipt.

3. **Eligible Uses of MSRC Funds** – MSRC funds may only be used to offset direct capital costs associated with the purchase and installation of the qualifying engine.
4. **Engine Scrapping Requirement for Re-Powers** – For projects re-powering existing transit buses and/or refuse collection vehicles, the existing vehicle engine must be scrapped following the re-power.
5. **Funding Award Outreach and Promotion** – All applicants that receive an MSRC **Clean Transportation Funding™** award must publicly acknowledge the funding award and conduct project outreach and promotion. This is a mandatory component of any MSRC-funded project. Types of acceptable outreach and promotion include, but are not limited to:
 - a. Press release;
 - b. Materials developed for incorporation into a website, electronic media, etc.;
 - c. Program kickoff events, ribbon cuttings, or news conferences, etc.
6. **MSRC Funds Remitted on a Reimbursement Basis** - MSRC funds will be distributed on a reimbursement basis only upon completion of approved project milestones and submission of all required reports and invoices.
7. **No “Double Dipping”** - Applicants accepting a Near Zero Engine funding incentive from the MSRC are not eligible to receive additional Near Zero Engine incentives for that engine from any other State or Federal agency except under the following conditions:
 - Public Transit Agencies can combine MSRC Near Zero Engine funding with other traditional transit bus funding sources, including but not limited to Federal Transit Administration (FTA), Congestion Mitigation/Air Quality (CMAQ), Local Transportation Funds (LTF), etc.
 - For Public Transit Agencies that are direct recipients of FTA funding for transit bus purchases or re-powers, additional funding potentially available through the Hybrid Truck & Bus Voucher Incentive Program (HVIP) and/or Natural Gas Vehicle Incentive Project (NGVIP) is not eligible to be combined with MSRC funding;
 - Public Transit Agencies that do not receive direct funding from the FTA for transit bus purchases are allowed to combine MSRC funding with funds potentially available through the HVIP and/or NGVIP;
 - Refuse Collection Truck owners are allowed to combine MSRC funding with funds potentially available through the HVIP and/or NGVIP;
 - MSRC Near Zero Engine funding can be combined with vehicle tax credit incentives if available;
 - In no case can MSRC Near Zero Engine incentives, when combined with other potentially available natural gas vehicle or engine incentives, exceed the incremental cost of the natural gas vehicle as compared to a comparable conventional diesel fuel vehicle.
8. **Additional Conditions on MSRC Funding**
 - Project Proposers are expected to provide a vehicle/engine procurement schedule as an element of their Proposal. In the event an application is awarded MSRC funds resulting in a contract, and subsequently requires additional time, the MSRC reserves the right to administratively authorize a one-time extension

to the period of performance, not to exceed an additional one (1) year. No additional project extensions will be allowed without the prior express consent of the MSRC.

- Use of Renewable Natural Gas – while not a participation requirement, the MSRC supports the use of renewable natural gas in vehicles benefiting from this engine incentive program. Applicants are asked to identify if the vehicles under this Program opportunity will utilize renewable natural gas and/or the percentage of renewable natural gas expected to be utilized. This does not have any impact on whether or not a vehicle receives an MSRC incentive.
- Certifications – All Proposers must complete and submit the included Attachment D forms as an element of their Proposal (unless specifically exempted below):
 - Internal Revenue Service Form W-9 – Request for Taxpayer Identification Number and Certification, and Franchise Tax Board Form 590 – Withholding Exemption Certificate. If you are selected for an award, you cannot be established as a vendor without this information.
 - Campaign Contributions Disclosure. This information must be provided at the time of application in accordance with California law. You may be asked for an update when awards are considered.
 - Business Status Certifications. The SCAQMD needs this information for their vendor database. It will not be considered in the determination of your MSRC funding award. Governmental entities do not need to complete this form.
- Finally, in accordance with state law, all projects awarded MSRC **Clean Transportation Funding™** are subject to audit. The provisions of the audit are discussed in the Sample Contract, included as an attachment to this Program Announcement. It is highly recommended that awardees employ government accepted accounting practices when administering their MSRC funded project.

SECTION 6 – PROGRAM ANNOUNCEMENT TIMETABLE

The MSRC understands that procuring or re-powering heavy-duty vehicles is subject to the procurement practices and internal schedules of participating agencies and businesses. To that end, the MSRC has established a 6-month window to prepare and submit applications for funding consideration, as shown in Table 6-1, below.

As shown in Table 6-1, the Program Announcement will be released on June 3, 2016. The earliest date to submit a Project Application – *which must be submitted electronically* – is July 5, 2016. This is to ensure that potential project applicants have sufficient notice between the Program Announcement release and the start of the Application acceptance period.

Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States:

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),

3. The IRS tells the requester that you furnished an incorrect TIN,

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code* on page 3 and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships* above.

What is FATCA reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code* on page 3 and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account, list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9.

a. **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note. ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

c. **Partnership, LLC that is not a single-member LLC, C Corporation, or S Corporation.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

d. **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Line 3

Check the appropriate box in line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box in line 3.

Limited Liability Company (LLC). If the name on line 1 is an LLC treated as a partnership for U.S. federal tax purposes, check the “Limited Liability Company” box and enter “P” in the space provided. If the LLC has filed Form 8832 or 2553 to be taxed as a corporation, check the “Limited Liability Company” box and in the space provided enter “C” for C corporation or “S” for S corporation. If it is a single-member LLC that is a disregarded entity, do not check the “Limited Liability Company” box; instead check the first box in line 3 “Individual/sole proprietor or single-member LLC.”

Line 4, Exemptions

If you are exempt from backup withholding and/or FATCA reporting, enter in the appropriate space in line 4 any code(s) that may apply to you.

Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with “Not Applicable” (or any similar indication) written or printed on the line for a FATCA exemption code.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see *Limited Liability Company (LLC)* on this page), enter the owner’s SSN (or EIN, if the owner has one). Do not enter the disregarded entity’s EIN. If the LLC is classified as a corporation or partnership, enter the entity’s EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.ssa.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting IRS.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write “Applied For” in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Entering “Applied For” means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, or 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code* earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. **Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983.** You must give your correct TIN, but you do not have to sign the certification.
2. **Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983.** You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.
3. **Real estate transactions.** You must sign the certification. You may cross out item 2 of the certification.
4. **Other payments.** You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. “Other payments” include payments made in the course of the requester’s trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).
5. **Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions.** You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records from Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Publication 4535, Identity Theft Prevention and Victim Assistance.

Victims of identity theft who are experiencing economic harm or a system problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes. Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at: spam@uce.gov or contact them at www.ftc.gov/idtheft or 1-877-IDTHEFT (1-877-438-4338).

Visit IRS.gov to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws. 2015 Instructions for Form 590

Withholding Exemption Certificate

References in these instructions are to the California Revenue and Taxation Code (R&TC).

General Information

Registered Domestic Partners (RDP) – For purposes of California income tax, references to a spouse, husband, or wife also refer to a Registered Domestic Partner (RDP) unless otherwise specified. For more information on RDPs, get FTB Pub. 737, Tax Information for Registered Domestic Partners.

A Purpose

Use Form 590, Withholding Exemption Certificate, to certify an exemption from nonresident withholding.

Form 590 does not apply to payments of backup withholding. For information on California backup withholding, go to ftb.ca.gov and search for **backup withholding**.

Form 590 does not apply to payments for wages to employees. Wage withholding is administered by the California Employment Development Department (EDD). For more information, go to edd.ca.gov or call 888.745.3886.

Do not use Form 590 to certify an exemption from withholding if you are a **Seller of California real estate**. Sellers of California real estate use Form 593-C, Real Estate Withholding Certificate, to claim an exemption from real estate withholding.

The following are excluded from withholding and completing this form:

- The United States and any of its agencies or instrumentalities.
- A state, a possession of the United States, the District of Columbia, or any of its political subdivisions or instrumentalities.
- A foreign government or any of its political subdivisions, agencies, or instrumentalities.

B Income Subject to Withholding

California Revenue and Taxation Code (R&TC) Section 18662 requires withholding of income or franchise tax on payments of California source income made to nonresidents of California.

Withholding is required on the following, but is not limited to:

- Payments to nonresidents for services rendered in California.
- Distributions of California source income made to domestic nonresident partners, members, and S corporation shareholders and allocations of California source income made to foreign partners and members.
- Payments to nonresidents for rents if the payments are made in the course of the withholding agent's business.

- Payments to nonresidents for royalties from activities sourced to California.
- Distributions of California source income to nonresident beneficiaries from an estate or trust.
- Endorsement payments received for services performed in California.
- Prizes and winnings received by nonresidents for contests in California.

However, withholding is optional if the total payments of California source income are \$1,500 or less during the calendar year.

For more information on withholding get FTB Pub. 1017, Resident and Nonresident Withholding Guidelines. To get a withholding publication, see Additional Information.

C Who Certifies this Form

Form 590 is certified by the payee. California residents or entities exempt from the withholding requirement should complete Form 590 and submit it to the withholding agent before payment is made. The withholding agent is then relieved of the withholding requirements if the agent relies in good faith on a completed and signed Form 590 unless notified by the Franchise Tax Board (FTB) that the form should not be relied upon.

An incomplete certificate is invalid and the withholding agent should not accept it. If the withholding agent receives an incomplete certificate, the withholding agent is required to withhold tax on payments made to the payee until a valid certificate is received. In lieu of a completed certificate on the preprinted form, the withholding agent may accept as a substitute certificate a letter from the payee explaining why the payee is not subject to withholding. The letter must contain all the information required on the certificate in similar language, including the under penalty of perjury statement and the payee's taxpayer identification number. The withholding agent must retain a copy of the certificate or substitute for at least four years after the last payment to which the certificate applies, and provide it upon request to the FTB.

For example, if an entertainer (or the entertainer's business entity) is paid for a performance, the entertainer's information must be provided. **Do not** submit the entertainer's agent or promoter information.

The grantor of a grantor trust shall be treated as the payee for withholding purposes. Therefore, if the payee is a grantor trust and one or more of the grantors is a nonresident, withholding is required. If all of the grantors on the trust are residents, no withholding is required. Resident grantors can check the box on Form 590 labeled “Individuals — Certification of Residency.”

D Definitions

For California non-wage withholding purposes, **nonresident** includes all of the following:

- Individuals who are not residents of California.
- Corporations not qualified through the California Secretary of State (CA SOS) to do business in California or having no permanent place of business in California.
- Partnerships or limited liability companies (LLCs) with no permanent place of business in California.
- Any trust without a resident grantor, beneficiary, or trustee, or estates where the decedent was not a California resident.

Foreign refers to non-U.S.

For more information about determining resident status, get FTB Pub. 1031, Guidelines for Determining Resident Status. Military servicemembers have special rules for residency. For more information, get FTB Pub. 1032, Tax Information for Military Personnel.

Permanent Place of Business:

A corporation has a permanent place of business in California if it is organized and existing under the laws of California or if it is a foreign corporation qualified to transact intrastate business by the CA SOS. A corporation that has not qualified to transact intrastate business (e.g., a corporation engaged exclusively in interstate commerce) will be considered as having a permanent place of business in California only if it maintains a permanent office in California that is permanently staffed by its employees.

E Military Spouse Residency Relief Act (MSRRA)

Generally, for tax purposes you are considered to maintain your existing residence or domicile. If a military servicemember and nonmilitary spouse have the same state of domicile, the MSRRA provides:

- A spouse shall not be deemed to have lost a residence or domicile in any state solely by reason of being absent to be with the servicemember serving in compliance with military orders.
- A spouse shall not be deemed to have acquired a residence or domicile in any other state solely by reason of being there to be with the servicemember serving in compliance with military orders.

Domicile is defined as the one place:

- Where you maintain a true, fixed, and permanent home.
- To which you intend to return whenever you are absent.

A military servicemember’s nonmilitary spouse is considered a nonresident for tax purposes if the servicemember and spouse have the same domicile outside of California and the spouse is in California solely to be with the servicemember who is serving in compliance with Permanent Change of Station orders.

California may require nonmilitary spouses of military servicemembers to provide proof that they meet the criteria for California personal income tax exemption as set forth in the MSRRA.

Income of a military servicemember’s nonmilitary spouse for services performed in California is not California source income subject to state tax if the spouse is in California to be with the servicemember serving in compliance with military orders, and the servicemember and spouse have the same domicile in a state other than California.

For additional information or assistance in determining whether the applicant meets the MSRRA requirements, get FTB Pub. 1032.

AB 2766/MSRC WORK PROGRAM CONTRACT

1. PARTIES - The parties to this Contract are the South Coast Air Quality Management District (hereinafter referred to as "SCAQMD") whose address is 21865 Copley Drive, Diamond Bar, California 91765-4178, and the *** (hereinafter referred to as "CONTRACTOR") whose address is ***.

2. RECITALS
 - A. SCAQMD is the local agency with primary responsibility for regulating stationary source air pollution within the geographical boundaries of the South Coast Air Quality Management District in the State of California (State). SCAQMD is authorized under State Health & Safety Code Section 44225 (AB 2766) to levy a fee on motor vehicles for the purpose of reducing air pollution from such vehicles and to implement the California Clean Air Act.
 - B. Under AB 2766, SCAQMD's Governing Board has authorized the imposition of the statutorily set motor vehicle fee. By taking such action, the State's Department of Motor Vehicles (DMV) is required to collect such fee and remit it periodically to SCAQMD.
 - C. AB 2766 further mandates that thirty (30) percent of such vehicle registration fees be placed by SCAQMD into a separate account for the sole purpose of implementing and monitoring programs to reduce air pollution from motor vehicles.
 - D. AB 2766 creates a regional Mobile Source Air Pollution Reduction Review Committee (MSRC) to develop a work program to fund projects from the separate account. Pursuant to approval of the work program by SCAQMD's Governing Board, SCAQMD authorized this Contract with CONTRACTOR for equipment or services described in Attachment 1 - Statement of Work, expressly incorporated herein by this reference and made a part hereof of this Contract.
 - E. CONTRACTOR has met the requirements for receipt of AB 2766 Discretionary Funds as set forth in CONTRACTOR's *** Program Application/Proposal dated ***.
 - F. CONTRACTOR is authorized to do business in the State of California and attests that it is in good tax standing with the California Franchise Tax Board.
 - G. All parties to this Contract have had the opportunity to have this Contract reviewed by their attorney.

3. DMV FEES - CONTRACTOR acknowledges that SCAQMD cannot guarantee that the amount of fees to be collected under AB 2766 will be sufficient to fund this Contract. CONTRACTOR further acknowledges that payment under this Contract is contingent upon SCAQMD receiving sufficient funds from the DMV, and that SCAQMD assumes no responsibility for the collection and remittance of motor vehicle registration fees.

4. AUDIT AND RECORDS RETENTION
 - A. CONTRACTOR shall, at least once every two years, or within two years of the termination of the Contract if the term is less than two years, be subject to an audit by SCAQMD or its authorized representative to determine if the revenues received by CONTRACTOR were spent for the reduction of pollution from motor vehicles pursuant to the Clean Air Act of 1988.
 - B. CONTRACTOR agrees to maintain records related to this Contract during the Contract term and continue to retain these records for a period of two years beyond the Contract term, except that in no case shall CONTRACTOR be required to retain more than the most recent five years' records. SCAQMD shall coordinate such audit through CONTRACTOR'S audit staff.

- C. If an amount is found to be inappropriately expended, SCAQMD may withhold funding, or seek reimbursement, from CONTRACTOR in the amount equal to the amount that was inappropriately expended. Such withholding shall not be construed as SCAQMD's sole remedy and shall not relieve CONTRACTOR of its obligation to perform under the terms of this Contract.
5. TERM - The term of this Contract is for *** (***) months from the date of execution by both parties, unless terminated earlier as provided for in the TERMINATION clause of this Contract, the EARLY TERMINATION clause, [OPTIONAL] or the term is extended by amendment of this Contract in writing. No work shall commence prior to the Contract start date, except at CONTRACTOR's cost and risk, and no charges are authorized until this Contract is fully executed, subject to the provisions stated in the PRE-CONTRACT COSTS clause of this Contract.
6. SUCCESSORS-IN-INTEREST - This Contract, and the obligations arising under the Contract, shall be binding on and inure to the benefit of CONTRACTOR and their executors, administrators, successors, and assigns.
7. REPORTING - CONTRACTOR shall submit reports to SCAQMD as outlined in Attachment 1 - Statement of Work. SCAQMD reserves the right to review, comment, and request changes to any report produced as a result of this Contract.
8. TERMINATION
- A. In the event any party fails to comply with any term or condition of this Contract, or fails to provide services in the manner agreed upon by the parties, including, but not limited to, the requirements of Attachment 1 – Statement of Work, this failure shall constitute a breach of this Contract. The non-breaching party shall notify the breaching party that it must cure this breach or provide written notification of its intention to terminate this contract. Notification shall be provided in the manner set forth in the NOTICES clause of this Contract. The non-breaching party reserves all rights under law and equity to enforce this Contract and recover damages.
- B. SCAQMD reserves the right to terminate this Contract, in whole or in part, without cause, upon thirty (30) days' written notice. Once such notice has been given, CONTRACTOR shall, except as and to the extent or directed otherwise by SCAQMD, discontinue any Work being performed under this Contract and cancel any of CONTRACTOR's orders for materials, facilities, and supplies in connection with such Work, and shall use its best efforts to procure termination of existing subcontracts upon terms satisfactory to SCAQMD. Thereafter, CONTRACTOR shall perform only such services as may be necessary to preserve and protect any Work already in progress and to dispose of any property as requested by SCAQMD.
- B. Either party may terminate this Contract upon thirty (30) days written notice to the other party.
- C. CONTRACTOR shall be paid in accordance with this Contract for all Work performed before the effective date of termination under section B of the TERMINATION clause of this Contract. 9. EARLY TERMINATION - This Contract may be terminated early due to the following circumstances: The infrastructure identified in Attachment 1, Statement of Work, becomes inoperable, and is either not technically able to be repaired, or is too costly to repair, and such failure is not caused by CONTRACTOR's negligence, misuse, or malfeasance. [OPTIONAL]
10. STOP WORK - SCAQMD may, at any time, by written notice to CONTRACTOR, require CONTRACTOR to stop all or any part of the Statement of Work tasks in this Contract. A stop work order may be issued for

reasons including, but not limited to, the project exceeding the budget, out of scope work, delay in project schedule, or misrepresentations. Upon receipt of the stop work order, CONTRACTOR shall immediately take all necessary steps to comply with the order. CONTRACTOR shall resume the work only upon receipt of written instructions from SCAQMD cancelling the stop work order. CONTRACTOR agrees and understands that CONTRACTOR will not be paid for performing work while the stop work order is in effect, unless SCAQMD agrees to do so in its written cancellation of the stop work order.

12. INDEMNIFICATION - CONTRACTOR agrees to hold harmless, defend and indemnify SCAQMD, its officers, employees, agents, representatives, and successors-in-interest against any and all loss, damage, costs, lawsuits, claims, demands, causes of action, judgments, attorney's fees, or any other expenses arising from or related to any third party claim against SCAQMD, its officers, employees, agents, representatives, or successors in interest that arise or result in whole or in part, from any actual or alleged act or omission of CONTRACTOR, its employees, subcontractors, agents or representatives in the performance of this Contract. This Indemnification Clause shall survive the expiration or termination (for any reason) of the Contract and shall remain in full force and effect.

13. DISCLAIMER OF WARRANTY - The purchase or lease of funded vehicles/equipment is the CONTRACTOR's decision. The SCAQMD does not make any express or implied warranty of merchantability, fitness for a particular purpose or otherwise, quality or usefulness of the technology or product. Without limiting the foregoing, the SCAQMD will not be financially responsible, or otherwise liable, for the installation or performance of the vehicle/equipment. [OPTIONAL]

14. PAYMENT

- A. SCAQMD shall reimburse CONTRACTOR up to a total amount of *** Dollars (\$***) in accordance with Attachment 2 – Payment/Cost Schedule expressly incorporated herein by this reference and made a part hereof of the Contract.
- B. A withhold amount or percentage (if any) shall be identified in the Payment/Cost Schedule, and such amount shall be withheld from each invoice. Upon satisfactory completion of project and final acceptance of work and the final report, CONTRACTOR's invoice for the withheld amount shall be released. Proof of project completion shall include a Final Report detailing the project goals and accomplishments, data collected during project performance, if any, documentation of significant results, and emissions reduction input data needed for calculation of emissions reductions.
- C. Any funds not expended upon early Contract termination or Contract completion shall revert to the AB 2766 Discretionary Fund. Payment of charges shall be made by SCAQMD to CONTRACTOR within thirty (30) days after approval by SCAQMD of an itemized invoice prepared and furnished by CONTRACTOR.
- D. An invoice submitted to SCAQMD for payment must be prepared in duplicate, on company letterhead, and list SCAQMD's contract number, period covered by invoice, and CONTRACTOR's social security number or Employer Identification Number and submitted to:

South Coast Air Quality Management District
21865 Copley Drive

Diamond Bar, CA 91765-4178
Attn: Cynthia Ravenstein, MSRC Contracts Administrator

1. Charges for equipment, material, and supply costs, travel expenses, subcontractors, and other charges, as applicable, must be itemized by CONTRACTOR. Reimbursement for equipment, material, supplies, subcontractors, and other charges, as applicable, shall be made at actual cost. Supporting documentation must be provided for all individual charges (with the exception of direct labor charges provided by CONTRACTOR).
 2. SCAQMD shall pay CONTRACTOR for travel-related expenses only if such travel is expressly set forth in Attachment 2 – **Payment**/Cost Schedule of this Contract or pre-authorized by SCAQMD in writing.
 3. CONTRACTOR's failure to provide receipts shall be grounds for SCAQMD's non-reimbursement of such charges. CONTRACTOR may reduce payments on invoices by those charges for which receipts were not provided.
 4. CONTRACTOR must submit final invoice no later than ninety (90) days after the termination date of this Contract or invoice may not be paid.
15. COMPLIANCE WITH APPLICABLE LAWS - CONTRACTOR agrees to comply with all federal, state, and local laws, ordinances, codes and regulations and orders of public authorities in the performance of this Contract. CONTRACTOR must also ensure that the vehicles and/or equipment to be purchased, leased or installed is in compliance with all applicable federal, state, and local air quality rules and regulations, and that it will maintain compliance for the full Contract term. CONTRACTOR shall ensure that the provisions of this clause are included in all subcontracts.
16. MOBILE SOURCE EMISSION REDUCTION CREDITS (MSERCs)
- A. The MSRC has adopted a policy that no MSERCs resulting from AB 2766 Discretionary Funds may be generated and/or sold.
 - B. CONTRACTOR has the opportunity to generate MSERCs as a by-product of the project if a portion of the air quality benefits attributable to the project resulted from funding sources other than AB2766. These MSERCs, which are issued by SCAQMD, are based upon the quantified vehicle miles traveled (VMT) by project vehicles or other activity data as appropriate. Therefore, a portion of prospective MSERCs, generated as a result of AB 2766 Funds, must be retired. The portion of prospective credits funded by the AB 2766 program, and which are subject to retirement, shall be referred to as "AB 2766-MSERCs."
 - C. The determination of AB 2766-MSERC's is to be prorated based upon the AB 2766 program's contribution to the cost associated with the air quality benefits. In the case where AB 2766 Discretionary Funds are used to pay for the full differential cost of a new alternative fuel vehicle or for the retrofitting or repowering of an existing vehicle, all MSERCs attributable to AB 2766 Discretionary Funds must be retired. The determination of AB 2766-MSERCs for infrastructure and other ancillary items is to be prorated based upon the AB 2766 program's contribution to the associated air quality benefits. Determination of the project's overall cost will be on a case-by-case basis at the time an MSERC application is submitted. SCAQMD staff, at the time an MSERC application is submitted, will calculate total MSERCs and retire the AB 2766-MSERCs. CONTRACTOR would then receive the balance of the MSERCs not associated with AB 2766 funding.
17. NOTICES - All notices that are required under this Contract shall be provided in the manner set forth herein, unless specified otherwise. Notice to a party shall be delivered to the attention of the person listed below, or to such other person or persons as may hereafter be designated by that party in writing. Notice shall be in writing sent by email, U.S. Mail, express, certified, return receipt requested, or a nationally recognized

overnight courier service. In the case of email communications, valid notice shall be deemed to have been delivered upon sending, provided the sender obtained an electronic confirmation of delivery. Email communications shall be deemed to have been received on the date of such transmission, provided such date was a business day (Tuesday-Friday) and delivered prior to 5:30pm Pacific Standard Time. Otherwise, receipt of email communications shall be deemed to have occurred on the following business day. In the case of U.S. Mail notice, notice shall be deemed to be received when delivered or five (5) business days after deposit in the U. S. Mail. In the case of a nationally recognized overnight courier service, notice shall be deemed received when delivered (written receipt of delivery).

Previously documented (whether patented or unpatented under the patent laws of the United States, 35 U.S.C. 1 et seq., or any foreign country) inventions are exempt from this provision. CONTRACTOR shall likewise

require each subcontractor to comply with this clause and shall include in each such subcontract language similar to this clause.

CONTRACTOR shall have a continuing obligation to verify and document the continuing employment authorization and authorized alien status of employees performing services under this Contract to insure continued compliance with all federal statutes and regulations. Notwithstanding the above, CONTRACTOR, in the performance of this Contract, shall not discriminate against any person in violation of 8 USC Section 1324b.
- B. CONTRACTOR shall retain such documentation for all covered employees for the period described by law. CONTRACTOR shall indemnify, defend, and hold harmless SCAQMD, its officers and employees from employer sanctions and other liability which may be assessed against CONTRACTOR or SCAQMD, or both in connection with any alleged violation of federal statutes or regulations pertaining to the eligibility for employment of persons performing services under this Contract.

CONTRACTOR shall inform the proposed assignee, buyer, licensee or transferee (collectively referred to here as "Buyer") of the terms of this Contract. CONTRACTOR is responsible for establishing contact between SCAQMD and the Buyer and shall assist SCAQMD in facilitating the transfer of this Contract's terms and conditions to the Buyer. **CONTRACTOR will not be relieved of the legal obligation to fulfill the terms and conditions of this Contract until and unless the Buyer has assumed responsibility of this Contract's terms and conditions through an executed contract with SCAQMD. [OPTIONAL]**

25. NON-EFFECT OF WAIVER - The failure of CONTRACTOR or SCAQMD to insist upon the performance of any or all of the terms, covenants, or conditions of this Contract, or failure to exercise any rights or remedies hereunder, shall not be construed as a waiver or relinquishment of the future performance of any such terms, covenants, or conditions, or of the future exercise of such rights or remedies, unless otherwise provided for herein.

26. PROPOSAL INCORPORATION – CONTRACTOR's Technical Proposal dated *** submitted in response to Request for Proposal (RFP) #***, is expressly incorporated herein by this reference and made a part hereof of this Contract. 31. SEVERABILITY - In the event that any one or more of the provisions contained in this Contract shall for any reason be held to be unenforceable in any respect by a court of competent jurisdiction, such holding shall not affect any other provisions of this Contract, and the Contract shall then be construed as if such unenforceable provisions are not a part hereof.
