

**MOBILE SOURCE AIR POLLUTION REDUCTION REVIEW COMMITTEE
MSRC AGENDA
Thursday, February 15, 2018 at 2:00 p.m.**

LOCATION

South Coast Air Quality Management District
21865 Copley Drive, Conf. Room CC8, Diamond Bar, CA 91765

TELECONFERENCE LOCATION

Los Angeles County MTA (LA Metro) Headquarters, University Room, 4th Floor
One Gateway Plaza, Los Angeles, CA 90012
(Public may attend either of the above locations)

MSRC Committee Members

MSRC Chair

Greg Pettis
Commissioner, RCTC
Representing Riverside County Transportation
Commission
Alternate: Brian Berkson, Commissioner, RCTC

Jack Kitowski, CARB Staff
Representing California Air Resources Board
Alternate: Michael Carter, CARB Staff

Ben Benoit
Member, SCAQMD Governing Board
Representing South Coast Air Quality
Management District

MSRC Vice-Chair

Larry McCallon
Member, SBCTA Board of Directors
Representing San Bernardino County
Transportation Authority
Alternate: Vacant

Vacant
Representing Regional Rideshare Agency
Alternate: Dolores Roybal Saltarelli, MTA Staff

Steve Veres, Member, LACCD Board of
Trustees
Representing Los Angeles County MTA
Alternate: Mark Yamarone, MTA Staff

Greg Winterbottom
Board of Directors, OCTA
Representing Orange County Transportation
Authority
Alternate: Tim Shaw, Board of Directors, OCTA

Michele Martinez
Member, SCAG Regional Council
Representing Southern California Association of
Governments
Alternate: Rex Richardson, SCAG Reg. Council

CALL TO ORDER

Opening Comments: Greg Pettis, MSRC Chair
Other MSRC Members
Fred Minassian, Asst. DEO/Science & Technology Advancement

CONSENT CALENDAR (Items 1 through 6)

Receive and Approve

- 1. Minutes for the January 18, 2018 MSRC Meeting Cedillo
Minutes to be distributed at the meeting.

Information Only - Receive and File

- 2. [MSRC Contracts Administrator’s Report](#) Ravenstein
p. 1
This report covers key issues addressed by MSRC staff, status of open contracts, and administrative scope changes from January 3rd through January 24, 2018
- 3. [Financial Report on AB 2766 Discretionary Fund](#) Kampa
p. 31
Financial Report for January 2018.

For Approval – As Recommended

- 4. [Consider Six-Month Term Extension by City of Long Beach, Contract #ML09036 \(\\$875,000 – Purchase 35 Natural Gas Refuse Trucks\)](#) Ravenstein
p. 33
The City requests a six-month term extension due to additional delays associated with the switch from LNG to CNG for the final 14 trucks. **THE MSRC-TAC UNANIMOUSLY RECOMMENDS APPROVAL**
- 5. [Consider 25-Month Term Extension by Riverside County Transportation Commission \(RCTC\), Contract #MS14059 \(\\$1,250,000 – Implement Various Signal Synchronization Projects\)](#) Ravenstein
p. 37
RCTC requests a 25-month term extension due to unforeseen delays in the planning and environmental phases of two projects. **THE MSRC-TAC UNANIMOUSLY RECOMMENDS APPROVAL**

6. Consider Contract Replacement by City of Wildomar, Contract #ML16035 (\$500,000 – Installation of Bicycle Lanes)

Ravenstein
p. 44

Contract #ML16035 expired in November 2017 before the City had completed the work. The City requests a new contract so that they can complete the bicycle lanes' construction. **EXCEPT FOR AN ABSTENTION BY MEMBER YORK, THE MSRC-TAC UNANIMOUSLY RECOMMENDS APPROVAL**

ACTION CALENDAR (Items 7 through 10)

FYs 2016-18 WORK PROGRAM

7. Consider Funding for Applications Received under the Natural Gas Infrastructure Program

Kato
p. 48

As an element of their FYs 2016-18 Work Program, the MSRC allocated \$4 million to fund new and expanded CNG and LNG refueling stations, as well as modifications to vehicle maintenance facilities and technician training. A Program Announcement was released on June 2, 2017. The MSRC has previously funded applications totaling \$418,500. The MSRC has received two additional applications requesting \$448,000. **THE MSRC-TAC UNANIMOUSLY RECOMMENDS APPROVAL OF AN \$83,000 AWARD TO OMNITRANS, AND A \$365,000 AWARD TO THE CITY OF GARDENA**

8. Consider Funding for Applications Received under the Local Government Partnership Program

Patchan
p. 52

As an element of their FYs 2016-18 Work Program, the MSRC allocated \$21,180,650 for a funding partnership with cities and counties to jumpstart implementation of the SCAQMD's 2016 Air Quality Management Plan. A Program Opportunity Notice was released on September 1, 2017. Per the Program Opportunity Notice, each city and county within SCAQMD that participates in the AB 2766 Subvention Fund Program has a funding allocation reserved for its use. The primary eligible project categories focus upon zero- and near-zero-emission vehicles and their supporting infrastructure, with a few additional categories open to the smallest jurisdictions. The MSRC has previously funded applications totaling \$217,541. Two additional applications requesting a total of \$100,000 have been received. **THE MSRC-TAC UNANIMOUSLY RECOMMENDS APPROVAL OF AN AWARD OF \$50,000 TO THE CITY OF ARTESIA**

9. Consider Funding for Application Received under the Major Event Center Transportation Program

Lynn
p. 55

As an element of their FYs 2016-18 Work Program, the MSRC allocated \$5 million to fund projects assisting venues not sufficiently served by transportation service. A Program Announcement was released on March 3, 2017. To date, the MSRC has awarded a total of \$3,143,518. One additional application is being brought forward for consideration: Los Angeles County Metropolitan Transportation Authority (Metro) is requesting \$1,324,560 for special bus and train service to Dodger Stadium for 2018. **THE MSRC-TAC UNANIMOUSLY RECOMMENDS APPROVAL OF AN AWARD OF \$1,324,560 TO METRO**

- 10. Consider Extending Application Submittal Deadline Under the Local Government Partnership Program Patchan

A number of the eligible participants under the Local Government Partnership Program have indicated that they cannot secure the necessary City Council/Board actions in time for the Program’s March 2 submission deadline. The Local Government Match Subcommittee is considering the issue and the Subcommittee’s recommendations will be brought forward at the meeting. **THE MSRC-TAC DID NOT CONSIDER THIS ITEM**

OTHER BUSINESS

- 11. **Any member of the committee, on his or her own initiative or in response to questions posed by the public, may ask a question for clarification, may make a brief announcement or report on his or her own activities, provide a reference to staff regarding factual information, request staff to report back at a subsequent meeting concerning any matter, or may take action to direct staff to place a matter of business on a future agenda. (Govt. Code Section 54954.2)* Pettis
p. 61

PUBLIC COMMENT PERIOD - (Public Comment on Non-Agenda Items, Pursuant to Government Code Section 54954.3)

Members of the public may address this body concerning any agenda item before or during consideration of that item (Govt. Code Section 54954.3(a)). All agendas for regular meetings are posted at District Headquarters, 21865 Copley Drive, Diamond Bar, California, at least 72 hours in advance of a regular meeting. At the end of the regular meeting agenda, an opportunity is also provided for the public to speak on any subject within the MSRC’s authority. Speakers may be limited to three (3) minutes each.

ADJOURNMENT

NEXT MEETING: Date: March 15, 2017, 2:00 p.m., Room CC8

Americans with Disabilities Act

The agenda and documents in the agenda packet will be made available, upon request, in appropriate alternative formats to assist persons with a disability (Govt. Code Section 54954.2(a)). Disability-related accommodations will also be made available to allow participation in the MSRC meeting. Any accommodations must be requested as soon as practicable. Requests will be accommodated to the extent feasible. Please contact Penny Shaw Cedillo at (909) 396-3179 from 7:00 a.m. to 5:30 p.m., Tuesday through Friday, or send the request to pcedillo@aqmd.gov.

Pursuant to SB 343

All documents (i) constituting non-exempt public records, (ii) relating to an item on an agenda for a regular meeting, and (iii) having been distributed to at least a majority of the Committee after the Agenda is posted, are available prior to the meeting for public review at the South Coast Air Quality Management District, Public Information Center, 21865 Copley Drive, Diamond Bar, CA 91765.

Contacts: Cynthia Ravenstein, MSRC Contracts Administrator - (909) 396-3269
 Ray Gorski, MSRC Technical Advisor – (909) 396-2479
 Penny Shaw Cedillo, MSRC Administrative Liaison – (909) 396-3179

AGENDA ITEM #2

MSRC Contracts Administrator's Report

MSRC Agenda Item No. 2

DATE: February 15, 2018

FROM: Cynthia Ravenstein

SUBJECT: AB 2766 Contracts Administrator's Report

SYNOPSIS: This report covers key issues addressed by MSRC staff, status of open contracts, and administrative scope changes from January 3 to January 24, 2018.

RECOMMENDATION: Receive and file report

WORK PROGRAM IMPACT: None

Contract Execution Status

2016-18 Work Program

On July 8, 2016, the SCAQMD Governing Board approved an award under the Event Center Transportation Program. This contract is executed.

On October 7, 2016, the SCAQMD Governing Board approved three awards under the Event Center Transportation Program and one award for a Regional Active Transportation Partnership Program. These contracts are with the SCAQMD Board Chair for signature or executed.

On January 6, 2017, the SCAQMD Governing Board approved an award for development, hosting and maintenance of a new MSRC website. This contract is executed.

On April 7, 2017, the SCAQMD Governing Board approved an award under the Event Center Transportation Program. This contract is executed.

On June 2, 2017, the SCAQMD Governing Board approved an award under the Event Center Transportation Program. This contract is with the SCAQMD Board Chair for signature.

On July 7, 2017, the SCAQMD Governing Board approved an award under the Event Center Transportation Program. This contract is executed.

On September 1, 2017, the SCAQMD Governing Board approved one award under the Event Center Transportation Program and one award under the Natural Gas Infrastructure Program.

These contracts are with the prospective contractor for signature or with the SCAQMD Board Chair for signature.

On October 6, 2017, the SCAQMD Governing Board approved two awards under the Event Center Transportation Program and one award under the Natural Gas Infrastructure Program. These contracts are with the prospective contractor for signature or executed.

On December 1, 2017, the SCAQMD Governing Board approved sole source awards for a Hydrogen Infrastructure Partnership Program, for a Southern California Future Communities Partnership Program, and for electric vehicle charging infrastructure planning analysis. These contracts are undergoing internal review.

2014-16 Work Program

On December 5, 2014, the SCAQMD Governing Board approved an award under the AB118 Enhanced Fleet Maintenance Program. This contract is executed.

On June 5, 2015, the SCAQMD Governing Board approved two awards under the Event Center Transportation Program and one award to provide low-emission transportation services to the Special Olympics World Games. These contracts are executed.

On September 4, 2015, the SCAQMD Governing Board approved 25 awards under the Local Government Match Program and one award under the Transportation Control Measure Partnership Program. These contracts are executed.

On October 2, 2015, the SCAQMD Governing Board approved 11 awards under the Local Government Match Program and one award under the Alternative Fuel Infrastructure Program. These contracts are executed.

On November 6, 2015, the SCAQMD Governing Board approved 37 awards under the Local Government Match Program. These contracts are with the prospective contractor for signature or executed. The City of South El Monte has indicated their intention to decline their award; MSRC staff is awaiting the return of the proposed contract documents.

On December 4, 2015, the SCAQMD Governing Board approved one award under the Major Event Center Transportation Program, one award under the Alternative Fuel Infrastructure Program, and one award under the Transportation Control Measure Partnership Program. These contracts are executed.

On January 8, 2016, the SCAQMD Governing Board approved two awards under the Major Event Center Transportation Program, one award under the Local Government Match Program, and one award under the Transportation Control Measure Partnership Program. These contracts are executed.

On March 4, 2016, the SCAQMD Governing Board approved two awards under the Alternative Fuel Infrastructure Program. These contracts are executed.

On April 1, 2016, the SCAQMD Governing Board approved one award under the Major Event Center Transportation Program and five awards under the Transportation Control Measure Partnership Program. These contracts are executed.

On May 6, 2016, the SCAQMD Governing Board approved one award under the Major Event Center Transportation Program and one award under the Transportation Control Measure Partnership Program. These contracts are executed.

On June 3, 2016, the SCAQMD Governing Board approved one award under the Alternative Fuel Infrastructure Program. This contract is executed.

On October 7, 2016, the SCAQMD Governing Board approved ten awards under the Alternative Fuel Infrastructure Program and five awards under the Near-Zero Natural Gas Engine Incentives Program. These contracts are under development, with the prospective contractor for signature, or executed.

On January 6, 2017, the SCAQMD Governing Board approved an award under the Alternative Fuel Infrastructure Program and an award under the Near-Zero Natural Gas Engine Incentives Program. These contracts are executed.

Work Program Status

Contract Status Reports for work program years with open (including “Open/Complete”) and/or pending contracts are attached.

FY 2004-05 Work Program Contracts

One contract from this work program year is open.

FY 2004-05 Invoices Paid

No invoices were paid during this period.

FY 2006-07 Work Program Contracts

No contracts from this work program year are open; and one is in “Open/Complete” status.

FY 2006-07 Invoices Paid

No invoices were paid during this period.

FY 2007-08 Work Program Contracts

4 contracts from this work program year are open; and 3 are in “Open/Complete” status. One contract closed during this period: City of Anaheim, Contract #ML08024 – Purchase 9 LPG Buses and 8 CNG Buses.

FY 2007-08 Invoices Paid

No invoices were paid during this period.

FY 2008-09 Work Program Contracts

2 contracts from this work program year are open; and 5 are in “Open/Complete” status.

FY 2008-09 Invoices Paid

No invoices were paid during this period.

FY 2010-11 Work Program Contracts

7 contracts from this work program year are open; and 36 are in “Open/Complete” status.

FY 2010-11 Invoices Paid

One invoice in the amount of \$90,000.00 was paid during this period.

FY 2011-12 Work Program Contracts

15 contracts from this work program year are open, and 33 are in “Open/Complete” status.

FY 2011-12 Invoices Paid

No invoices were paid during this period.

FYs 2012-14 Work Program Contracts

39 contracts from this work program year are open, and 23 are in “Open/Complete” status.

FYs 2012-14 Invoices Paid

No invoices were paid during this period.

FYs 2014-16 Work Program Contracts

80 contracts from this work program year are open, and 14 are in “Open/Complete” status. One contract closed during this period: Southern California Regional Rail Authority, Contract #MS16085 – Special Metrolink Service to Auto Club Speedway.

FYs 2014-16 Invoices Paid

3 invoices totaling \$229,348.00 were paid during this period.

FYs 2016-18 Work Program Contracts

6 contracts from this work program year are open.

FYs 2016-18 Invoices Paid

One invoice in the amount of \$11,124.00 was paid during this period.

Administrative Scope Changes

No administrative scope changes were initiated during the period of January 4 through January 24, 2018.

AGENDA ITEM #4

Contract Modification Request by
City of Long Beach

MSRC Agenda Item No. 4

DATE: February 15, 2018
FROM: Cynthia Ravenstein
SUBJECT: Six-Month No-Cost Term Extension by City of Long Beach, Contract #ML09036

SYNOPSIS: The City requests a six-month contract term extension as part of the FY 2008-09 Local Government Match Program due to delays associated with the switch from LNG to CNG for the final 14 trucks.

FINANCIAL IMPACT: None

RECOMMENDATIONS: The MSRC-TAC has reviewed the request and recommends approval

ATTACHMENTS: Contractor's letter requesting modification

DISCUSSION:

Contractor: City of Long Beach
Project Title: Purchase 35 Heavy-Duty Natural Gas Vehicles
MSRC Funding: \$875,000
Project Term: May 7, 2010 to May 6, 2022
Current Request: Six-month term extension
Previous Requests: Two-year contract term extension; substitute vehicles and one-year contract term extension; two-year contract term extension

Project Description: The City of Long Beach was awarded \$875,000 to purchase 35 heavy-duty LNG vehicles. Contract #ML09036 was executed to effectuate the award, and subsequently modified to allow for the purchase of either CNG or LNG. \$525,000 has been paid to date on this contract. All vehicles have been placed into service.

Previous Requests: 15 of the vehicles originally specified were refuse trucks with a 28-yard capacity. The City indicated that it had tested the 28-yard model and found it to be impractical. The City requested to substitute 20-yard capacity refuse trucks, as well as a one-year contract term extension. The MSRC considered and approved the City's request in October 2011. In September 2013, the City requested a two-year contract term extension due to delays

associated with financial conditions and changes in chassis design, and the MSRC approved the City's request. And in February 2016, the City determined to switch their purchases to CNG from LNG from that point forward, and requested a two-year term extension which the MSRC approved.

Contract Request: The City indicates that the shift from LNG to CNG delayed the last few vehicles longer than anticipated. The last vehicles purchased were not placed into service until November 2017. The City requests a six-month contract term extension to allow fulfillment of the contract's five-year operational requirement.

Recommendations: The MSRC-TAC has reviewed the request and recommends approval.

Re: MSRC Local Government Match Agreement ML09036

Dear Ms. Ravenstein:

Attached is the City of Long Beach final report for the MSRC Local Government Match Program grant ML09036 to purchase 35 LNG fueled heavy-duty vehicles. We are submitting the invoices for the final 14 CNG-fueled refuse trucks purchased that were all placed into service as of November 30, 2017.

Based upon this in-service date, we respectfully request a contract amendment to extend the term of our agreement for another six months to November 30, 2022.

Should you have any questions, please contact Dale Hutchinson, Fleet Finance Officer, at (562) 570-5405.

Sincerely,

Dan Berlenbach, Manager
Fleet Services Bureau

AGENDA ITEM #5

Contract Modification Request by
Riverside County Transportation Commission

MSRC Agenda Item No. 5

DATE: February 15, 2018

FROM: Cynthia Ravenstein

SUBJECT: 25-Month No-Cost Term Extension by Riverside County Transportation Commission (RCTC), Contract #MS14059

SYNOPSIS: RCTC requests a 25-month contract term extension as part of the FYs 2012-14 14 Signal Synchronization Partnership Program due to unforeseen delays in the planning and environmental phases of two projects.

FINANCIAL IMPACT: None

RECOMMENDATIONS: The MSRC-TAC reviewed the request and recommends approval

ATTACHMENTS: Contractor's and subcontractor letters requesting modification

DISCUSSION:

Contractor: **Riverside County Transportation Commission**

Project Title: Implement Signal Synchronization Projects

MSRC Funding: \$1,250,000

Project Term: September 5, 2014 to March 4, 2018

Current Request: 25-month term extension

Previous Requests: Correct project description; reallocate \$74,625 from the Hamner Avenue Project in Eastvale to the Magnolia Avenue Project in Riverside; expand scope of Highway 111 project

Project Description: The MSRC awarded RCTC \$1,250,000 to implement a number of signal synchronization projects which would be carried out by RCTC member jurisdictions. The City of Eastvale's project has been completed and the City of Riverside's project is near completion; nothing has been paid to date on this contract.

Previous Requests: RCTC determined that they had provided incorrect description data for the Magnolia Avenue project during the contract preparation process, and requested correction of the amount of copper wire to be replaced and the project endpoint. This change was processed administratively. Subsequently, RCTC requested to reallocate \$74,625 from the Hamner Avenue Project in Eastvale to the Magnolia Avenue Project in Riverside, with no change

to the project budget. The MSRC approved this change at their March 16, 2017 meeting. Shortly thereafter, RCTC requested to expand the scope of the Highway 111 project in the Coachella Valley to cover nine cities as well as unincorporated areas. The MSRC approved this change at their May 18, 2017 meeting.

Contract Request: RCTC indicates that two of the subject projects have experienced unforeseen delays in the planning and environmental phases. For the City of Moreno Valley's Transportation Management Center, environmental clearance was anticipated by 2015, but was not achieved until October 2017. For the Coachella Valley Association of Governments' (CVAG's) Regional Synchronization project, the completion of the Traffic Signal Interconnect Master Plan took longer than anticipated due to coordination with the many involved jurisdictions. CVAG anticipates construction will commence by April 2019 for completion by April 2020. RCTC requests a 25-month term extension to ensure that all projects are complete.

Recommendations: The MSRC-TAC reviewed the request and recommends approval.

Diamond Bar, CA 91765
cynthia@cleantransportationfunding.org

VIA E-MAIL

**SUBJECT: Request for Extension of Contract No. MS14059A (Agreement No. 14-65-106-01)
under the FY2012-2014 Discretionary Funds for Signal Synchronization Projects**

Dear Ms. ^{Cynthia}Ravenstein:

The Riverside County Transportation Commission (Commission) was awarded \$1,250,000 of funding through the MSRC FY2012-2014 Discretionary Funds to implement Signal Synchronization Projects in regionally significant corridors throughout Riverside County. The Commission allocated the funds to the cities of Riverside and Moreno Valley and the Coachella Valley Association of Governments (CVAG). The current term of the contract ends March 2018 and the Commission is requesting a 25-month extension. The three projects are moving forward; one is near completion, however, two projects experienced unforeseen delays during the planning and environmental phases. A summary of the status for each project is as follows:

- The City of Riverside's Magnolia Avenue Traffic Signal Interconnect System replaces existing outdated copper interconnect with new fiber optic cable to improve signal synchronization and communications between Buchanan and First Streets encompassing 49 signalized intersections and spanning approximately 10.4 miles. The improved signal coordination will improve traffic flow, incident response, and will reduce vehicle emissions. The project is near completion and will request final reimbursement in the coming months.
- The City of Moreno Valley's Transportation Management Center project includes the installation of an Ethernet fiber-optic backbone system, television cameras at 16 key intersections, and new traffic signal controllers at 45 existing signalized intersections. The project originally anticipated environmental clearance by 2015, however, it was not achieved until October 2017. The City is requesting a 12-month extension to March 2019 to allow construction to commence in summer 2018.

Ms. Cynthia Ravenstein

January 25, 2018

Page 2

- CVAG's Regional Synchronization project spans 11 different jurisdictions and will include signal upgrades, communication systems, hardware and software improvements, and a Traffic Management Center. The completion of the Traffic Signal Interconnect Master Plan took longer than anticipated due to the coordination with the numerous jurisdictions, all with different existing equipment, and planning for synchronization that will be utilizing rapidly changing technology. CVAG does not foresee any further delays in the environmental, design, or construction phases and anticipates construction will commence by April 2019 for completion by April 2020.

Although the cities of Riverside and Moreno Valley will have completed their projects within the next year, a 25-month extension will ensure CVAG's project is complete. The Commission will continue to work closely with the agencies throughout the implementation stages.

Please contact me at (951) 787-7934 or lmoe-luna@rctc.org if you have any questions.

Sincerely,

Lorelle Moe-Luna

Planning and Programming Manager

Subject: Agreement No. 14-65-109-00: TMC ITS Phase 1B (MSRC)
Extension of Time Request

Dear Ms. Medina:

The City of Moreno Valley respectfully requests an extension of time for the subject agreement. The environmental clearance for the project, originally intended to be complete in 2015, was not achieved until October 2017. With this delay, the contract completion date of March 2018 cannot be met.

Moreno Valley requests a 12-month extension to March 2019, which will allow construction to commence in summer 2018.

Thank you for your consideration of this request. If you have any questions or comments, or need additional information, please contact me at (951) 413-3149, or at ericle@moval.org.

Sincerely,

Eric Lewis, P.E., T.E.

REQUEST FOR MODIFICATION – AB2766/MSRC Signal Synchronization Partnership

Ms. Moe-Luna,

Coachella Valley Association of Governments (CVAG) requests a modification to the above-referenced AB2766/MSRC Signal Synchronization Partnership Program Contract Agreement No. 14-65-106-00 with South Coast Air Quality Management District as administered by RCTC.

CVAG requests a modification to the schedule for the completed scope of work, pushing the completion of the signal synchronization project to FY19/20. Completion of the Traffic Signal Interconnect Master Plan has taken longer than originally anticipated. Working with eleven different jurisdictions, all with different existing equipment, and planning for synchronization that will be utilizing rapidly changing technology, proved to be a big milestone to clear. The Plan has been completed with the region having formed a consensus on how the region's traffic will be synchronized.

With the Master Plan completed, CVAG does not anticipate further delays in completion of the Environmental phase, final design or construction of the project. The difficult decision-making has been accomplished in the Master Plan. CVAG does not anticipate controversy in the remaining tasks.

CVAG appreciates the support the South Coast Air Quality Management District has provided for this innovative and cutting-edge air quality project.

Please feel free to contact me should you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read 'Eric V. Cowle', written over a horizontal line.

AGENDA ITEM #6

Request for Contract Replacement by
City of Wildomar

MSRC Agenda Item No. 6

DATE: February 15, 2018

FROM: Cynthia Ravenstein

SUBJECT: Authorize Issuance of New Contract to Complete Work Initiated by City of Wildomar under Contract #ML16035

SYNOPSIS: The MSRC awarded the City \$500,000 to install bicycle lane improvements along approximately five miles of roadway. The contract lapsed on November 1, 2017 without the City submitting a request for extension. The City has now requested to complete the project. Staff recommends that, should the MSRC wish to grant the City's request, a new contract be executed to complete the project.

FINANCIAL IMPACT: \$500,000 towards the bicycle lane improvements is committed under #ML16035, and will become available to fund a replacement contract if so authorized by the MSRC.

RECOMMENDATIONS: The MSRC-TAC has reviewed the request and recommends approval.

DISCUSSION: The MSRC originally awarded the City \$500,000 to install Class II bicycle lane improvements along approximately five miles of roadway. Contract #ML16035 was executed to effectuate the award.

In June 2017, City staff provided an update on the project and MSRC staff did not receive an impression that the work was behind schedule. However, the contract lapsed on November 1, 2017 without the City submitting a request for extension.

On January 16, 2018, the City submitted a request to complete the project. They indicate that the process of obtaining necessary approvals from Caltrans for the project's co-funding took longer than anticipated, and resulted in award of construction on November 8, 2017. They are confident that the bicycle lanes can be completed in June 2018.

SCAQMD has expressed concerns regarding executing extensions of lapsed contracts, so the modification could not be executed. SCAQMD recommends that a new contract be executed to complete the project, should the MSRC wish to grant the County's request.

Nothing has been paid to date on the previous contract, so the new contract value would be \$500,000.

Recommendations: The MSRC-TAC has reviewed the request and recommends approval.

Mr. Matt Mackenzie
South Coast Air Quality Management District/MSRC
21865 Copley Drive
Diamond Bar, CA 91765

Subject: MSRC Contract No. ML16035 - Funding to Install Bicycle Lanes

Dear Ms. Ravenstein;

City of Wildomar hereby requests extension and/or reinstatement of the above contract for the Grand Ave Bike lanes.

In addition to MSRC funding, project also received federal funding that required following authorization for award process from Caltrans. The City of Wildomar worked closely with Caltrans to obtain all the approvals, however, the process took longer than anticipated and resulted in award of construction of the bike lane project on November 8, 2017. As a result, the MSRC contract went beyond original proposed schedule.

Currently, the notice to proceed has been issued to the contractor to start work and we are excited for successful completion of the project in June 2018.

The MSRC investment and support will enable us to implement this important project for safer, better and healthier communities. Please contact myself or Sudi Shoja at (949) 637-1405 if you need any additional information.

Sincerely,

Matt Bennett
Deputy City Engineer

For Dan York, PE
Assistant City Manager

Attachment: Quarterly Report- December 2017

AGENDA ITEM #7

Consider Applications Received Under the
Natural Gas Infrastructure Program

MSRC Agenda Item No. 7

DATE: February 15, 2018

FROM: John Kato, Chair, Infrastructure Subcommittee

SUBJECT: Consider Funding for Applications Received under the Natural Gas Infrastructure Program

SYNOPSIS: As an element of their FYs 2016-18 Work Program, the MSRC allocated \$4.0 million of **Clean Transportation Funding™** for the implementation of new and expanded CNG and LNG refueling stations, modification of maintenance facilities to accommodate gaseous-fueled vehicles, and technician training. A Program Announcement, #PA2017-07, was developed and released on June 2, 2017, with a final submission deadline of June 29, 2018. Projects are to be considered throughout the application submission period on a first-come, first-served basis.

The MSRC has previously awarded a total of \$418,500. Two additional applications have been received, requesting \$448,000. The MSRC-TAC Infrastructure Subcommittee reviewed the applications and recommended approval.

RECOMMENDATION: The MSRC-TAC considered, and recommends approval of, the application from Omnitrans requesting \$83,000, and the application from the City of Gardena requesting \$365,000, in **Clean Transportation Funding™**.

FISCAL IMPACT **Clean Transportation Funding™** for the Alternative Fuel Infrastructure Program awards is an element of the MSRC's FYs 2016-18 Work Program. If the MSRC approves the recommended award, \$3,133,500 will remain available to meet geographical funding minimums.

BACKGROUND: As an element of their FYs 2016-18 Work Program, the MSRC allocated \$4.0 million of **Clean Transportation Funding™** for the implementation of new and expanded CNG and LNG refueling stations, modifications to maintenance facilities, and technician training. A Program Announcement, #PA2017-07, was developed and released on June 2, 2017. The

Program Announcement set a final submission deadline of June 29, 2018. Projects are to be considered throughout the application submission period on a first-come, first-served basis.

The Program Announcement includes the following Requirements and Conditions:

- **Allowable Project Categories** – For the purpose of this solicitation, allowable alternative fuels include CNG, LNG, and liquefied/compressed natural gas (L/CNG). Funding is available for the following Alternative Fuel Infrastructure project categories:
 - New construction alternative fuel refueling stations
 - Alternative fuel refueling station upgrade and expansion projects. For the purpose of this solicitation, all upgrade and expansion projects must result in an increase fuel throughput and increased station utilization.
 - Modification of existing facilities used for vehicle maintenance and repair
 - Training of technicians in the maintenance of natural gas-fueled vehicles and infrastructure

- **Incentive Levels** – In no case could an MSRC funding award exceed 50% of the combined cost of the station/upgrade capital equipment, site construction, signage, and reasonable project management costs. The incentive levels available also vary as a function of the type of infrastructure proposed and type of entity requesting funding assistance. The following maximums apply:

Entity	Fuels	Limited Access	Public Access	Facility Mods	Technician Training	Renewable Natural Gas
Private	Single Fuel	\$100,000	\$150,000	\$75,000	\$15,000	\$100,000
	Multi-Fuel	\$150,000	\$200,000			
Public	Single Fuel	\$175,000	\$225,000			\$100,000
	Multi-Fuel	\$225,000	\$275,000			

- **Other Funding Provisions** – To ensure broad-based participation, the MSRC has established the following parameters:
 - A geographical funding minimum amount has been set at \$500,000 for each county within the SCAQMD. This guarantees a minimum level of funding for each county to implement alternative fuel infrastructure projects.
 - The maximum total funding award to any public or private entity under this solicitation shall not exceed 20% of the total Available Funding. This maximum funding restriction can be waived by the MSRC in the event the MSRC does not receive meritorious applications from other applicants that meet or exceed 80% of the total available funds, or if the MSRC allocates additional funds to the program.

ASSESSMENT OF APPLICATIONS RECEIVED:

Two additional applications have been received and reviewed by the Infrastructure Subcommittee. As specified in the Program Announcement, the following ranking methodology was used:

1. Determine compliance with all mandatory requirements - The applications were first evaluated for compliance with minimum requirements. The proposed projects were found to meet all the requirements set forth in the Program Announcement.
2. Meet geographical funding minimums – As noted above, the Program Announcement established a funding minimum of \$500,000 per county. While the County geographic minimums have not yet been met, because the Program is not yet fully subscribed, \$1,109,500 can be reserved for this purpose without any need to delay consideration of other awards.
3. Ensure all eligible “first day” applications receive funding – This requirement was previously met.

RECOMMENDATIONS: The MSRC-TAC considered the recommendations of its Infrastructure Subcommittee and recommends funding of two applications as shown in Table 1.

Table 1: Alternative Fuel Infrastructure Funding Recommendations

<i>Prop. No.</i>	<i>Proposer</i>	<i>MSRC Request</i>	<i>Cumulative</i>	<i>Project County</i>	<i>Notes</i>
3	Omnitrans	\$83,000	\$83,000	San Bernardino	Modify maintenance facility & train technicians
6	City of Gardena	\$365,000	\$448,000	Los Angeles	Install new limited access station with renewable natural gas, modify maintenance facility & train technicians

NEXT STEPS: Following review and approval by the MSRC, the funding award will be forwarded to the SCAQMD Board for consideration at their March 2018 meeting.

AGENDA ITEM #8

Consider Applications Received Under the
Local Government Partnership Program

MSRC Agenda Item No. 8

DATE: February 15, 2018

FROM: Stephen Patchan, Chair
MSRC-TAC Local Government Match Subcommittee

SUBJECT: Review FYs 2016-18 Local Government Match Program Applications to Date & Recommend Funding Award

SYNOPSIS: The MSRC allocated a total of \$21,180,650 of MSRC **Clean Transportation Funding™** to the FYs 2016-18 Local Government Partnership Program. Per the Program Opportunity Notice, each city and county within SCAQMD that participates in the AB 2766 Subvention Fund Program has a funding allocation reserved for its use. While the last day to submit an application is March 2, 2018, applications are to be considered as they are received. The MSRC has previously funded four applications totaling \$217,541. The MSRC has received two additional applications requesting a total of \$100,000.

RECOMMENDATION: The MSRC-TAC recommends approval of one award in the total amount of \$50,000.

FISCAL IMPACT: A total of \$21,180,650 in MSRC Discretionary funding was reserved for the Local Government Partnership Program under the FYs 2016-18 Work Program. If the MSRC-TAC’s recommendation is approved, \$20,913,109 will remain available.

DISCUSSION: As an element of their FYs 2016-18 Work Program, the MSRC developed and implemented the Local Government Partnership Program. This Program represents a significant departure from prior MSRC programs such as the Local Government Match Program, in that it is not competitive. Each city and county within SCAQMD which participates in the AB 2766 Subvention Fund Program has a pro-rata funding allocation reserved for its use. The Program directly supports the SCAQMD’s 2016 Air Quality Management Plan (AQMP) by focusing MSRC investments on AQMP measures, and local government leadership will be educated on the region’s air quality challenges and the regional blueprint for achieving healthful air. A total of \$21,180,650 in MSRC Discretionary Funds was allocated. The Program offers to co-fund qualifying light-, medium- and heavy-duty zero-emission vehicles; near-zero-emission heavy-duty vehicles; alternative fuel Infrastructure projects; and electric vehicle charging infrastructure. Cities with smaller populations—those who are eligible for a maximum MSRC funding contribution of \$50,000—may propose projects within any of the above categories but also for traffic signal synchronization, bicycle active transportation, and first mile/last mile strategies.

The solicitation mechanism is a Program Opportunity Notice (PON). The PON was released on September 1, 2017 concurrent with SCAQMD Governing Board approval. The application period will close on March 2, 2018.

The MSRC has previously funded four applications totaling \$217,541. Two additional applications have been received. One application, from the City of Grand Terrace, requires further clarification and its consideration will be deferred. The MSRC-TAC considered the recommendations of its Local Match Subcommittee and recommends approval of one award in the amount of \$50,000 as shown in Table 1, below.

Table 1 – Eligible Funding Requests

NO	Jurisdiction	Project Type(s)	Funding Request
6	City of Artesia	EV charging infrastructure	\$50,000

The majority of eligible jurisdictions have confirmed their awareness of the Program by e-mail, telephone, or personal conversation. Despite responding to dozens of questions in the three weeks prior to the finalization of the MSRC-TAC agenda, and encouraging early submittal, MSRC staff received fewer applications than anticipated in January.

The Better World Group, the MSRC’s Programmatic Outreach Contractor, has launched a supplemental awareness campaign via targeted e-mail and telephone calls. Due to the Program’s requirements for leadership education and project approval, local agencies may experience slightly longer lead times for application submittal than in recent prior Local Government Match Programs. MSRC staff anticipates receipt of a considerable number of applications in February and a last minute rush March 1st and 2nd.

AGENDA ITEM #9

Consider Applications Received Under the
Major Event Center Transportation Program

MSRC Agenda Item No. 9

DATE: February 15, 2018

FROM: Kelly Lynn, MSRC-TAC TCM Subcommittee Chair

SUBJECT: Consider Award of \$1,324,560 in MSRC **Clean Transportation Funding™** under the FY 2016-'18 Major Event Center Transportation Program for Implementation of Metro Dodger Stadium Express service for the 2018 baseball season.

SYNOPSIS: In response to MSRC Program Announcement PA2017-05, Major Event Center Transportation Programs, Los Angeles County Metropolitan Transportation Authority (Metro) proposes to implement express transportation services between Union Station and Dodger Stadium. The transportation program will support all LA Dodgers home games, plus up to two special events, for the 2018 season and promote the use of transit (bus and Metrolink rail) in lieu of personal automobile. The total project cost is estimated at \$3,012,435. Metro requests \$1,324,560 in **Clean Transportation Funding™** to support operations costs; Metro and the Dodgers baseball organization will contribute no less than \$1,687,875 towards development and implementation of outreach and promotional materials. The transportation services will include bus transportation to and from Union Station to Dodger Stadium for all games and up to two special events, and Metrolink service in support of “cross-town rivalry” (Los Angeles Angels of Anaheim) games.

RECOMMENDATION: The MSRC-TAC recommends Metro be awarded \$1,324,560 to implement the 2018 season of Dodger Stadium Express bus and rail service.

WORK PROGRAM IMPACT: **Clean Transportation Funding™** to co-fund the Metro Dodger Stadium Express would be allocated from the FYs 2016-'18 MSRC Discretionary Fund.

Project overview: The Los Angeles County Metropolitan Transportation Authority (Metro) requests that the MSRC consider an award of \$1,324,560 to implement express bus and additional Metrolink service for Dodger Stadium. The Metro Dodger Stadium Express will support all LA Dodger home games for the 2018 baseball season, plus up to two special events, and promote the use of transit (bus and Metrolink rail) in lieu of personal automobile.

MSRC **Clean Transportation Funding™** would be applied to the following project elements: 1) transportation costs for the Dodger Stadium Express bus service between Union Station and Dodger Stadium; 2) Transportation costs associated with the addition of Metrolink service in support of “cross-town rivalry” (LA Angels of Anaheim) games; 3) direct costs associated with Los Angeles Department of Transportation (LA DOT) traffic mitigation and dedicated bus lanes between Union Station and Dodger Stadium to allow rapid ingress and egress by Dodger Stadium Express buses; 4) Direct costs associated with LA Sherriff’s Department law enforcement support; 5) Direct costs associated with LA DOT parking enforcement; and 6) Direct costs associated with Metro Transit Security.

The fare on the Dodger Stadium Express bus service will be Metro’s regular fare (\$1.75); however, if the passenger possesses a ticket to the day's Dodgers game, that individual will be allowed to board the bus for free. Patron cost for the Metrolink rail service is \$7 round trip. Specific attributes of the proposed shuttle service include the following:

Bus Service Description:

- Pre-Game – Dodger Stadium Express service will be provided on a “load and go” basis starting 90 minutes prior to game start time. This will occur until the end of the second inning;
- Mid-Game – Return bus service will be provided every 30 minutes between the 3rd inning and the end of the 7th inning. Frequency will increase to 15-20 minute headways beginning in the 8th inning until the end of the game;
- Post-Game – Dodger Stadium Express service will be provided "load and go" from the end of the game until 45 minutes after game ends or 20 minutes following a special event, whichever is greater.

Dodger Stadium Express Routing: Preferred routing would stage from Patsaouras Plaza and use Cesar Chavez Ave/Sunset Blvd, Elysian Park Ave to the stadium. The bus service will also include LA DOT traffic mitigation support for a dedicated bus lane on Sunset Blvd. where traffic gridlock is expected to be heaviest along the route. The service is designed to allow stadium patrons to utilize existing public transit, including bus, Metro Rail, and Metrolink service for their trip, and then use the Dodger Stadium Express to close the gap between existing public transportation and Dodger Stadium. This service thus offers a high potential for significant reductions in both automobile trips and vehicle miles traveled. It will also help alleviate traffic congestion in and around Dodger Stadium, as baseball games are often played during periods of peak traffic congestion.

Metrolink Special Train Service:

As has been done in past seasons Metrolink will offer special train service on the Orange County line from Oceanside to L.A. Union Station when the Dodgers play against cross-town opponents, the Los Angeles Angels of Anaheim at Dodger Stadium in 2018. The cost to ride the train is \$7 round trip. Metrolink trains will depart from the Union Station to Oceanside one hour after the last pitch.

For the 2018 season, Tier 4 locomotives will be used to perform the Dodgers Special Train Service. These locomotives have on the order of 85% lower particulate matter and oxides of nitrogen emissions as compared to Tier 2 locomotives.

Co-funding Contributions to the Dodger Stadium Express Program: Metro and the Los Angeles Dodgers will provide \$1,687,875 in co-funding contributions to the Dodger Stadium Express transportation program. This will include, at a minimum, development and implementation of marketing and promotional campaigns, and other program related staff support as needed. Marketing and promotion provided by Metro will include, but is not limited to:

- Take-one – Distributed to riders onboard all buses with full details on shuttle stops and schedule (English & Spanish);
- Bus car card – Posted on all buses promoting shuttle (English& Spanish);
- Rail Poster – Posted on all Metro Rail cars promoting the service;
- Metro Insider – item on shuttle in monthly on-board publication (English & Spanish);
- TPIS monitors/VMS signs - Announcement promoting shuttle;
- Metro Briefs – item in ongoing community newspaper ads promoting shuttle (multiple languages);
- Metro Briefs Radio Spots – Traffic radio spots promoting the service two times during the season;
- Telephone Messages on Hold – Announcement promoting shuttle (English & Spanish);
- Website and Banner Ad – Promotional banner on metro.net homepage linking to complete shuttle information;
- Union Station banners – wayfinding banners directing riders to shuttle inside Red/Purple Line station and Gold Line station;
- Backlit and Posted Ads – at multiple stations and locations;
- Social Media – Facebook, Twitter, The Sources, and Instagram;
- Introductory press event at start of season.

The Los Angeles Dodgers baseball organization has also agreed to provide extensive marketing, promotion, and outreach as a contribution to the Metro transportation program. Dodger promotion, marketing, and outreach will include, but is not limited, the following:

- One (1) (15 second live or 30-second pre-recorded) spot surrounding the games on KLAC (English) and KTNQ (Spanish) radio broadcasts of Dodger games throughout the pre- and regular game season. This could include spots in-game and well as within surrounding pre-post programming;
- Dodger Stadium Express promotional copy to run on ticker during SNLA broadcasts;
- Ad in "Dodgers Insider" 13 issues/12,000 issues per home stand from April-September;
- 1 dedicated ad in the newspaper (LA Newspaper Group) about the service in April;

- Small callouts about the service in select ads promoting home stands during the season in the Los Angeles Times and LA Newspaper Group;
- DodgerVision at least once per game: pre-in-or postgame;
- Detailed information of the service on the transportation page of Dodgers.com;
- Placement on Dodgers.com homepage, with a link through to transit information;
- Mention in e-blasts to ticket holders 2-3 times per season;
- Mention in Home stand reminder e-mails sent to individual ticket purchases holders several days prior to each game;
- Supergraphics on the bus vehicles to help identify service;
- Press conference at location to be named promoting the service; the MSRC and Metro will participate in the press event and other introductory activities;
- MSRC Night at Dodger Stadium on a date to be determined that includes an MSRC board member throwing out the first pitch;
- Promote Dodger Stadium Express on will call envelopes;
- Inclusion of Dodger Stadium Express schedule and Metro connections on group sales mailing;
- Inclusion of Dodger Stadium Express schedule and Metro connections at Dodger Stadium Guest Services locations and Ticket Windows;

Funding Request: Metro requests that the MSRC consider partnering in the implementation of the Dodger Stadium Express clean fuel bus and Metrolink rail service. The total amount of **Clean Transportation Funding™** requested is \$1,324,560 for the 2018 baseball season, as follows:

▪ Dodger Stadium Express Bus Transportation:	\$609,000
▪ Metrolink Special Train Service:	\$20,000
▪ LADOT Engineers/Signage:	\$86,100
▪ LADOT Parking Enforcement:	\$120,075
▪ LA County Sheriff's Department:	\$95,000
▪ Metro Transit Security:	\$42,300
▪ Playoffs (contingent)	\$310,085
▪ Special Events (dates TBD)	<u>\$42,000</u>
Total:	1,324,560

MSRC-TAC Recommendation: The MSRC-TAC recommends approval of the above funding request.

Emission Reduction Benefits: The Dodger Stadium Express transportation program will result in direct and tangible emission reductions by eliminating automobile vehicle miles traveled (VMT) and automobile trips. The availability of the Dodger Stadium Express will allow Dodger home game attendees to utilize public transportation for all or a portion of their trip to and from Dodger Stadium. The transportation

program will be integrated with other public transit modes, including existing bus, Metro Rail, and Metrolink service. Thus, the Dodger Stadium Express will provide the essential “missing link” in an alternative transportation commute to Dodger Stadium. Metro has agreed to provide the MSRC data on Dodger Stadium Express usage that will allow quantification of emission reduction benefits.

Based on the results of the 2017 baseball season, and anticipating a modest increase in Dodgers Stadium Express service utilization, it is estimated that the proposed 2018 service will achieve the following air pollution reductions:

- Non-Methane hydrocarbon Emissions: 0.40 Ton
- Oxides of Nitrogen (NOx): 0.39 Ton

In addition, the use of high capacity clean fuel buses will eliminate automobile traffic in and around Dodger Stadium. As most home games start during periods of peak traffic congestion, fewer automobiles accessing Dodger stadium will result in reduced congestion for all motorists on adjacent arterial streets and freeways. Elimination of traffic congestion, especially reductions in automobile stop and go driving and queuing, has a direct link to reduced vehicle exhaust emissions.

AGENDA ITEM #11

2018 Clean Fuels/Clean Technologies
Conference Calendar

Clean Fuels and Clean Technologies Conference Calendar for 2018-2019

February 2018

- Feb 6-7** **Rethink Methane Conference & Expo, Sacramento, CA. Website:**
<http://rethinkmethane.org/>
- Feb 7** **2018 Annual EPIC Symposium, Sacramento, CA. Website:**
<http://EPIC2018.eventbee.com>
- Feb 20-22** Hybrid and Electric Vehicle Technologies Symposium, San Diego, CA Website:
<http://www.sae.org/events/hybridev/>
- Feb 28-Mar 2** Climate Leadership Conference, Denver, CO Website:
<https://www.epa.gov/climateleadership/climate-leadership-awards>

March 2018

- Mar 26-29** International Battery Seminar & Exhibit, Fort Lauderdale, FL Website
<http://www.internationalbatteryseminar.com/>
- Mar 26-27** **CalStart Clean Transportation Summit, Sacramento, CA. Website:**
www.cleantransportationsummit.org

April 2018

- Apr 9-10** **Greening the Golden State, Sacramento, CA Website:**
<https://www.green-technology.org/green-california-summit-2018/>
- Apr 10-12** WCX World Congress Experience (Auto & Mobility Industry), Detroit, MI. Website:
<http://wcx18.org/>
- Apr 16-17** **BYD Hosts CalStart's Leadership Circle, Lancaster, CA. Website:**
<http://bit.ly/2DzXYmV>
- Apr 17-19** Green Transportation Summit & Expo, Tacoma, WA Website:
<http://www.gtsummitexpo.com/>
- Apr 20** **12th Annual Sustainability Summit, Getty Center, CA**
<http://labusinesscouncil.org/Events-&-Meetings>
- Apr 30-May 3** **ACT EXPO, Long Beach, CA, Website:**
<https://www.actexpo.com/>

May 2018

- May 9** **3rd Annual AltCar Expo, Sacramento, CA. Website:**
<http://www.altcarexposac.com/>

June 2018

- June 4-7** **Advanced Automotive Battery Conference, San Diego, CA. Website:**
<http://advancedautobat.com/us/>
- June 6-7** **xEV Battery Technology, San Diego, CA. Website:**
<http://www.advancedautobat.com/aabc-us/automotive-batteries.html>
- June 6-7** **EV Technology for Specialty Transportation, San Diego, CA. Website:**
<http://www.advancedautobat.com/aabc-us/ev-transportation.html>
