

**MOBILE SOURCE AIR POLLUTION REDUCTION REVIEW COMMITTEE
MSRC AGENDA
Thursday, February 21, 2019 at 2:00 p.m.**

LOCATION

South Coast Air Quality Management District
21865 Copley Drive, Conf. Room CC8, Diamond Bar, CA 91765

TELECONFERENCE LOCATION

Los Angeles County MTA (LA Metro) Headquarters, Henry Huntington Room, 3rd Floor
One Gateway Plaza, Los Angeles, CA 90012
(Public may attend either of the above locations)

MSRC Committee Members

MSRC Chair

Larry McCallon
Member, Board of Directors, SBCTA
Representing San Bernardino County
Transportation Authority
Alternate: John Valdivia, Board of Directors,
SBCTA

Vacant
Representing Riverside County Transportation
Commission
Alternate: Brian Berkson, Commissioner, RCTC

Jack Kitowski, CARB Staff
Representing California Air Resources Board
Alternate: Michael Carter, CARB Staff

MSRC Vice-Chair

Greg Winterbottom
Member, Board of Directors, OCTA
Representing Orange County Transportation
Authority
Alternate: Tim Shaw, Chair, Board of Directors,
OCTA

Ben Benoit
Member, SCAQMD Governing Board
Representing South Coast Air Quality
Management District

Vacant
Representing Regional Rideshare Agency
Alternate: Dolores Roybal Saltarelli, MTA Staff

Steve Veres, Member, LACCD Board of
Trustees
Representing Los Angeles County MTA
Alternate: Mark Yamarone, MTA Staff

Rex Richardson
Member, SCAG Reg. Council
Representing Southern California Association of
Governments
Alternate: Meghan Sahli-Wells, Member, SCAG
Reg. Council

Members of the public may address this body concerning any agenda item before or during consideration of that item (Gov't. Code Section 548543.(a)). Please provide a Request to Address the Committee card to the Committee Secretary if you wish to address the Committee on an agenda item. If no cards are available, please notify SCAQMD staff or a Board Member of your desire to speak. All agendas for regular meetings are posted at District Headquarters, 21865 Copley Drive, Diamond Bar, California, at least 72 hours in advance of the regular meeting. Speakers may be limited to three (3) minutes each.

CALL TO ORDER

Opening Comments: Larry McCallon, MSRC Chair
Other MSRC Members
Naveen Berry, Asst. DEO/Science & Technology Advancement

STATUS REPORT

Clean Transportation Policy Update Ravenstein
The Clean Transportation Policy Update provides information on key legislative and regulatory initiatives of potential interest to the MSRC. The report can be viewed at www.cleantransportationfunding.org.

CONSENT CALENDAR (Items 1 through 9)

Receive and Approve

1. Minutes of the October 23, 2018 MSRC Meeting Cedillo
Minutes to be distributed at meeting

2. Summary of Final Reports by MSRC Contractors Gorski
p. 1
 - San Bernardino County Transportation Authority, MS16092 (\$242,937 – Implement a Series of “Open Streets” Events)
 - SCRRA (Metrolink), MS18016 (\$87,764.00 - Special Train Service to Auto Club Speedway)

Information Only - Receive and File

3. MSRC Contracts Administrator’s Report Ravenstein
p. 7

This report covers key issues addressed by MSRC staff, status of open contracts, and administrative scope changes from January 4 through January 30, 2019.

4. Financial Report on AB 2766 Discretionary Fund Kampa
p. 41
- Financial Report for January 2019.

For Approval – As Recommended

5. Consider Four-Month Term Extension by the County of Los Angeles, Contract #ML14030 (\$425,000 – Bicycle Racks, Outreach & Education) Ravenstein
p. 42
- The County requests a four-month term extension due to delays associated with concerns over the grade of stainless steel used in the original equipment delivered. **THE MSRC-TAC UNANIMOUSLY RECOMMENDS APPROVAL**
6. Consider Eighteen-Month Term Extension by the City of Moreno Valley, Contract #ML16041 (\$20,000 – Install EV Charging Stations) Ravenstein
p. 45
- The City requests an eighteen-month extension due to a proposed switch of one of the locations to become part of a larger project including solar carport structures at its City Hall Annex Building parking lot. **THE MSRC-TAC UNANIMOUSLY RECOMMENDS APPROVAL**
7. Consider Reduced Scope and Value by City of Paramount, Contract #ML18053 (\$72,580 – Install EV Charging Stations) Ravenstein
p. 48
- The City was awarded funding to install two public-access and three limited-access EV charging stations. They have encountered higher than anticipated costs associated with ensuring Americans with Disabilities Act compliance for the two stations to be installed on their properties. The City requests to reduce the number of stations to be installed from five to three, of which all three would now be publicly accessible, with a corresponding contract value reduction from \$72,580 to \$64,675. **THE MSRC-TAC UNANIMOUSLY RECOMMENDS APPROVAL**
8. Consider Contract Replacement for County of Los Angeles, Contract #ML14060 (\$104,400 – Install EV Charging Stations) Ravenstein
p. 52
- Due to the expiration of the County's prior contract, the County requests a contract replacement to complete the scope of work for this project. **THE MSRC-TAC UNANIMOUSLY RECOMMENDS APPROVAL**
9. Consider Contract Replacement for County of Los Angeles, Contract #ML14093 (\$150,000 – San Gabriel Bike Trail Underpass Improvements) Ravenstein
p. 55
- Due to the expiration of the County's prior contract, the County requests a contract replacement to complete the scope of work for this project. **THE MSRC-TAC UNANIMOUSLY RECOMMENDS APPROVAL**

ACTION CALENDAR (Items 10 through 12)**FYs 2018-21 WORK PROGRAM**

10. Consider Recommendations from MSRC-TAC for New FYs 2018-21 Work Program Concepts **York**
- At its January 17, 2019 meeting, the MSRC approved expanding the Work Program to encompass three years of funding, and directed the MSRC-TAC to develop suggestions relative to strategic options. This item will bring forward MSRC-TAC recommendations regarding potential large-scale incentive program concepts as well as immediate next steps.
11. **Authorize Research and Outreach in Support of FYs 2018-21 Work Program Development** **Ravenstein p. 58**
- Once the MSRC has selected a large-scale incentive program focus under Item #10 above, this item would authorize the immediate initiation of an assessment of other funding providers' active and potential programs that could most closely align with the MSRC's priorities. Additionally, it would authorize the development of an initial contact plan for agency representatives and other policy makers recommended for further coordination. To support the completion of this assessment, this item would also authorize issuance of a Task Order in an amount not to exceed \$9,850 to the MSRC's Programmatic Outreach Coordinator, Better World Group Advisors, to conduct research and outreach and complete the assessment in coordination with MSRC staff. **THIS ITEM WAS NOT CONSIDERED BY THE MSRC-TAC**
12. Consider Development of Follow-On Major Event Center Transportation Program **Gorski**
- Also at its January 17, 2019 meeting, the MSRC directed the review of prior MSRC programs with respect to whether they should be offered again as part of the FYs 2018-21 Work Program. The MSRC-TAC has commenced this task. While additional programs are still under review, at this time the MSRC-TAC recommends the development of a follow-on Major Event Center Transportation Program. A Major Event Center Subcommittee has been formed and their initial recommendations will be brought forward at the meeting.

OTHER BUSINESS

13. **Any member of the committee, on his or her own initiative or in response to questions posed by the public, may ask a question for clarification, may make a brief announcement or report on his or her own activities, provide a reference to staff regarding factual information, request staff to report back at a subsequent meeting concerning any matter, or may take action to direct staff to place a matter of business on a future agenda. (Govt. Code Section 54954.2)* **McCallon p. 60**

PUBLIC COMMENT PERIOD - (Public Comment on Non-Agenda Items, Pursuant to Government Code Section 54954.3)

At the end of the regular meeting agenda, an opportunity is provided for the public to speak on any subject within the Committee's authority that is not on the agenda. Speakers may be limited to three (3) minutes each.

ADJOURNMENT

NEXT MEETING: Date: March 21, 2019, 2:00 p.m., Room CC8

Americans with Disabilities Act

The agenda and documents in the agenda packet will be made available, upon request, in appropriate alternative formats to assist persons with a disability (Govt. Code Section 54954.2(a)). Disability-related accommodations will also be made available to allow participation in the MSRC meeting. Any accommodations must be requested as soon as practicable. Requests will be accommodated to the extent feasible. Please contact Penny Shaw Cedillo at (909) 396-3179 from 7:00 a.m. to 5:30 p.m., Tuesday through Friday, or send the request to pcedillo@aqmd.gov.

Pursuant to SB 343

All documents (i) constituting non-exempt public records, (ii) relating to an item on an agenda for a regular meeting, and (iii) having been distributed to at least a majority of the Committee after the Agenda is posted, are available prior to the meeting for public review at the South Coast Air Quality Management District, Public Information Center, 21865 Copley Drive, Diamond Bar, CA 91765.

Contacts: Cynthia Ravenstein, MSRC Contracts Administrator - (909) 396-3269
Ray Gorski, MSRC Technical Advisor – (909) 396-2479
Penny Shaw Cedillo, MSRC Administrative Liaison – (909) 396-3179

AGENDA ITEM #2

Summary of Final Reports by MSRC Contractors

MSRC Agenda Item No. 2

Date: February 21, 2019
From: Ray Gorski, MSRC Technical Advisor
Subject: Final Reports Received and Reviewed

Two final reports were submitted for MSRC review and approval during January 2019:

- San Bernardino County Transportation Authority, MS16092 (\$250,000 – Implement a Series of “Open Streets” Events)
- Southern California Regional Rail Authority, MS18016 (\$87,764 – Special Metrolink Train Service to Auto Club Speedway)

A summary of each Final Report is attached. The MSRC-TAC has reviewed each Final Report and recommends approval.

Contractor: San Bernardino County Transportation Authority
Contract Number: MS16092
Contract Amount: \$250,000
Title: Implement a Series of “Open Streets” Events

Discussion: Open Streets events were held in the Cities of Fontana, Rancho Cucamonga, and Rialto, that showcased innovations and improvements in infrastructure, education, and planning for Complete Streets and active transportation. In collaboration with SCAG’s *Go Human* campaign, Open Streets events temporarily close streets to vehicle traffic, installing temporary infrastructure that make sidewalks and roads safer for pedestrians, bicyclists, and other modes of non-motorized transportation. These events are designed to educate the public about road safety and potential changes that can lead to the existence of a network of Complete Streets.

The City of Fontana’s *Sunset on Sierra* event included installing a cycle track, adding pedestrian sidewalk curb extensions, and a roundabout on Sierra Avenue. Bicycles were provided by SCAG for a mini bicycle-sharing program allowing the public to participate in the temporary improvements regardless of whether they own a bicycle. According to Fontana’s Community Services Department, an estimated 8,000 participants were at the event.

The City of Rancho Cucamonga’s Open Streets Festival with *Go Human* featured parklets, intersection treatments such as pedestrian refugee islands and improved crosswalks, buffered bicycle lanes, a 2-way protected cycle track, and a conflict zone. These demonstrations occurred along Town Center Drive between Spruce Avenue and Terra Vista Parkway and along West Elm Street. Vendors were also able to provide a bicycle-sharing program for those interested in testing the installations. Approximately 2,500 - 3,000 people were estimated to have attended based on aerial footage of the event. 148 people filled out a survey, showing support for the proposed improvements. Participants ranked improved sidewalks (53%), trees and shade (51%), and open streets (47%), in their top three preferred walking improvements. Participants ranked separated bike lanes (54%), additional bike lanes (51%) and open streets events (48%) in their top three preferred bicycling improvements. Ninety percent of participants showed support for separated bike lanes, 88% indicated support for buffered bike lanes, and 81% indicated support for parklets.

The City of Rialto hosted *Right on Rialto in* collaboration with the City’s *Earth to Table* and *Farmers Market* events as well as a twilight 3K Fun Run. Demonstrated projects on Rialto Avenue included a traffic circle and bike lanes, which promoted the linkages of bicycle activities from the Pacific Electric Trail on the west side of the city to the Rialto Civic Center and the Metrolink Station in the east. The event attracted approximately 2,000 people, including 1,000 students who walked to the site from the local elementary schools. Other activities included a Bike Rodeo demonstration to educate residents about safety, hosted by Rialto’s Safe Routes to School Plan, a Food Bank service project for participants included assembling food kits for the homeless, exhibits by service providers of Local Natural Resources, skateboarding safety demonstrations, Healthy Rialto exercise demonstrations by the Rialto Racquet & Fitness Center, and food and information booths by Rialto Police Department, Rialto Community Service Department, Rialto Public Works Department, SCAG, SBCTA, and others. *Right on*

Rialto's survey results include 55 responses, 96% of which supported art crosswalks and 91% supported bike lanes as permanent changes in their community. 77% of respondents support traffic circles as permanent changes and 74% think more bike lanes would make their neighborhood better for bicycling. 58% and 53% of respondents respectively think improved sidewalks and street lighting would make their neighborhood more walkable.

ISSUES ENCOUNTERED

Issues that arose for Fontana's *Sunset on Sierra* included coordinating with consultants in regards to planning the aspects of the event, including the attendance of vendors. The City of Fontana was able to take the lead on many of the other aspects of the event and deliver it successfully regardless of the complications that occurred.

The City of Rancho Cucamonga would have preferred to have a stronger connection with the elected officials in the city, informing them of the goals and successes of the project. Inviting adjacent cities and their elected officials to experience the demonstrations is planned for future projects.

EMISSIONS BENEFITS

All events held encouraged participants to walk, bike, or take public transportation to the events. Fontana's *Sunset on Sierra* event took place in between the Pacific Electric Trail and Fontana's Metrolink stop, making travel to the event easily accessible via public transportation and non-motorized transportation. Rancho Cucamonga's Open Streets event was located near the Pacific Electric Trail as well, allowing participants to take non-motorized transportation. Rialto's *Right on Rialto* event was located near Rialto's Metrolink stop, encouraging participants to leave their car at home.

Since the Open Streets Events were part of a larger *Go Human* campaign at SCAG, the events informed and encouraged the public to use active transportation options as an alternative to vehicles.

Contractor: Southern California Regional Rail Authority
Contract Number: MS18016
Contract Amount: \$87,764
Title: Special Metrolink Train Service to Auto Club Speedway

Discussion: SCRRA and the Auto Club Speedway partnered to provide special train service to Southern California race fans encouraging use of public transportation. Fans have experienced delays of up to several hours leaving the main parking lot at the Speedway after the event has concluded. Offering free special train service to the Speedway provided an incentive to encourage use of public transportation to race fans attending a major event destination and also mitigate vehicular traffic along local arterials and neighborhoods. Through the use of MSRC grants, major event venues such as the Auto Club Speedway and Metrolink as a transportation provider can influence commuting behavior of Southern California drivers.

Special Metrolink trains provided NASCAR fans the opportunity to leave their cars at home and utilize public transportation to the Speedway. The three train routes were from Lancaster, Oxnard and Oceanside to the Speedway on Metrolink special trains. The Lancaster route stops included Lancaster, Santa Clarita, Sylmar/San Fernando, Burbank, and Los Angeles Union Station to the Speedway. The Oxnard route stops included Oxnard, Moorpark, Chatsworth, Van Nuys, Covina, Montclair, and Rancho Cucamonga to the Speedway. The Oceanside route started at Oceanside, with stops at San Clemente, Irvine, Orange, Riverside- La Sierra, and San Bernardino to the Speedway. A total of 1,750 seats were available for the three trains at 100% capacity.

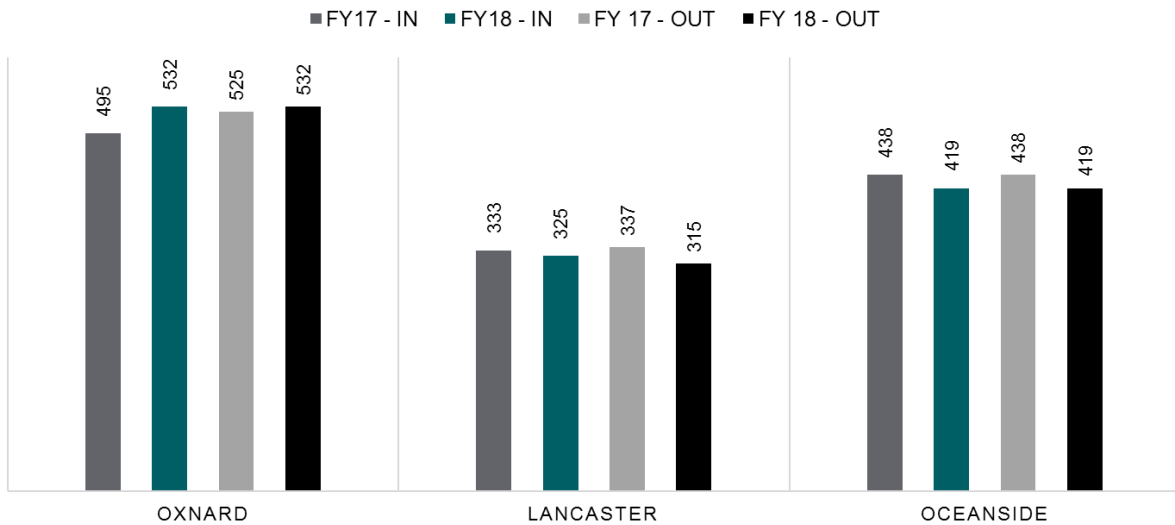

Service operations included all logistics to plan, develop and implement the train service to the Speedway. Starting in January, the Speedway operational plan was discussed at the weekly Metrolink Interdepartmental meetings that also included ticket sales, logistical issues and staffing requirements. The Operations department was responsible for scheduling crews, Sheriff staffing, coordinating with freight railroads for cleaning trains and dispatching the special trains. The Equipment department coordinated the contractors to clean the trains, water and fuel the trains before the end of the race.

The three special Metrolink trains were scheduled to arrive at the Speedway station by 9:30 to allow passengers time for the NASCAR fan experience before the race. Upon arrival at the Speedway, dedicated Metrolink trams picked up race fans from the train platform to the race entrance promoting a seamless connection. At the conclusion of the race, Metrolink customer service staff directed passengers to their return train. Metrolink Sheriffs were assigned to ride the trains to ensure a safe trip home.

NASCAR uses social media to promote their racing events to fans throughout the year. The Auto Club Speedway and SCRRA implemented a digital strategy to leverage the marketing and advertising opportunities to fans. The Auto Club Speedway committed a portion of their paid media to market to their fans through their print campaign, out of home in Los Angeles and the Inland Empire, website, e-newsletters to subscribers, radio advertising, press release, race and train ticket packages to promote the special Metrolink train service as part of the co-funded \$245,000 marketing commitment. Metrolink committed an additional co-funded amount of \$60,000 for marketing and advertising efforts.

Metrolink also utilized a social media strategy to reach their current customer base, as well as social followers to promote events and destinations. Metrolink engaged with customers on Facebook, Twitter, Instagram and other social channels to promote the Auto Club Speedway special train service. The Auto Club Speedway race was also promoted on the Metrolink website, an e-blast was sent to our 70,000+ subscribers and a joint press release was sent out. Metrolink also featured the special train service and race in the February/March Metrolink Matters newsletter and the Destination and Events page.

AUTO CLUB SPEEDWAY RIDERSHIP

Route	2017	2018	%
Oxnard	1,020	1,064	4.3%
Oceanside	876	838	-4.3%
Lancaster	670	640	-4.5%
Total Ridership	2,566	2,542	-0.93%

A total of 1,497 people received a pass to ride a Metrolink train, along with their ticket to the Auto Club 400. With an average passenger count of 1,271 (85 percent of the total that received passes) on the three inbound and three outbound special trains, staff reduced the total vehicle projection and VMT by 15 percent to accurately project traffic reduction to align with the actual passenger count on trains.

Traffic Reduction as a result from 2018 Auto Club Speedway Special Trains

Passengers on Metrolink trains	Total Roundtrip Miles between HOR and Speedway	Estimated number of cars removed	Total VMT eliminated
1,271	60,954	718	99,001

AGENDA ITEM #3

MSRC Contracts Administrator's Report

MSRC Agenda Item No. 3

DATE: February 21, 2019

FROM: Cynthia Ravenstein

SUBJECT: AB 2766 Contracts Administrator's Report

SYNOPSIS: This report covers key issues addressed by MSRC staff, status of open contracts, and administrative scope changes from January 4, 2019 to January 30, 2019.

RECOMMENDATION: Receive and file report

WORK PROGRAM IMPACT: None

Contract Execution Status

2016-18 Work Program

On July 8, 2016, the SCAQMD Governing Board approved an award under the Event Center Transportation Program. This contract is executed.

On October 7, 2016, the SCAQMD Governing Board approved three awards under the Event Center Transportation Program and one award for a Regional Active Transportation Partnership Program. These contracts are executed.

On January 6, 2017, the SCAQMD Governing Board approved an award for development, hosting and maintenance of a new MSRC website. This contract is executed.

On April 7, 2017, the SCAQMD Governing Board approved an award under the Event Center Transportation Program. This contract is executed.

On June 2, 2017, the SCAQMD Governing Board approved an award under the Event Center Transportation Program. This contract is executed.

On July 7, 2017, the SCAQMD Governing Board approved an award under the Event Center Transportation Program. This contract is executed.

On September 1, 2017, the SCAQMD Governing Board approved one award under the Event Center Transportation Program and one award under the Natural Gas Infrastructure Program. These contracts are executed.

On October 6, 2017, the SCAQMD Governing Board approved two awards under the Event Center Transportation Program and one award under the Natural Gas Infrastructure Program. These contracts are executed.

On December 1, 2017, the SCAQMD Governing Board approved sole source awards for a Hydrogen Infrastructure Partnership Program, for a Southern California Future Communities Partnership Program, and for electric vehicle charging infrastructure planning analysis. These contracts are executed. The MSRC has replaced the award to the California Energy Commission with a Program Opportunity Notice for the Hydrogen Infrastructure Partnership Program.

On February 2, 2018, the SCAQMD Governing Board approved one award under the Event Center Transportation Program, two awards under the Natural Gas Infrastructure Program, four awards under the Local Government Partnership Program, and two awards under the County Transportation Commission Partnership Program. These contracts are with SCAQMD Board Chair for signature or executed.

On March 2, 2018, the SCAQMD Governing Board approved one award under the Major Event Center Transportation Program, two awards under the Natural Gas Infrastructure Program, and one award under the Local Government Partnership Program. These contracts are executed.

On April 6, 2018, the SCAQMD Governing Board approved one award under the Natural Gas Infrastructure Program and eight awards under the Local Government Partnership Program. These contracts are with the SCAQMD Board Chair for signature or executed.

On May 4, 2018, the SCAQMD Governing Board approved twenty-seven awards under the Local Government Partnership Program and one award under the County Transportation Commission Partnership Program. These contracts are with the prospective contractor for signature, with the SCAQMD Board Chair for signature, or executed.

On June 1, 2018, the SCAQMD Governing Board approved six awards under the Local Government Partnership Program, one award under the Natural Gas Infrastructure Program, and one award under the County Transportation Commission Partnership Program. These contracts are with the prospective contractor for signature, with the SCAQMD Board Chair for signature, or executed.

On July 6, 2018, the SCAQMD Governing Board approved nine awards under the Local Government Partnership Program. These contracts are with the prospective contractor for signature, with the SCAQMD Board Chair for signature, or executed.

On September 7, 2018, the SCAQMD Governing Board approved nineteen awards under the Local Government Partnership Program, three awards under the County Transportation Commission Partnership Program, one award under the Major Event Center Transportation Program, and twenty awards under the Natural Gas Infrastructure Program. These contracts are under development, with the prospective contractor for signature, with the SCAQMD Board Chair for signature, or executed.

On October 5, 2018, the SCAQMD Governing Board approved forty-eight awards under the Local Government Partnership Program and one award under the Hydrogen Infrastructure

Program. These contracts are under development, undergoing internal review, with the prospective contractor for signature, or with the SCAQMD Board Chair for signature.

On November 2, 2018, the SCAQMD Governing Board approved two awards under the Local Government Partnership Program. These contracts are with the prospective contractor for signature.

Work Program Status

Contract Status Reports for work program years with open and/or pending contracts are attached.

FY 2004-05 Work Program Contracts

One contract from this work program year is open.

FY 2004-05 Invoices Paid

No invoices were paid during this period.

FY 2007-08 Work Program Contracts

3 contracts from this work program year are open; and 2 are in “Open/Complete” status.

FY 2007-08 Invoices Paid

No invoices were paid during this period.

FY 2008-09 Work Program Contracts

3 contracts from this work program year are in “Open/Complete” status. One contract closed during this period: City of Beverly Hills, Contract #ML09033 – Purchase 10 Heavy-Duty CNG Vehicles and Install CNG Station.

FY 2008-09 Invoices Paid

No invoices were paid during this period.

FY 2010-11 Work Program Contracts

3 contracts from this work program year are open; and 26 are in “Open/Complete” status. One contract closed during this period: City of Los Angeles, Bureau of Sanitation, Contract #MS11033 – Purchase 36 Heavy-Duty LNG Vehicles.

FY 2010-11 Invoices Paid

One invoice in the amount of \$2,426.98 was paid during this period.

FY 2011-12 Work Program Contracts

8 contracts from this work program year are open, and 26 are in “Open/Complete” status. 4 contracts closed during this period: Dy-Dee Service of Pasadena, Contract #MS12028 – Purchase Two Medium-Duty and One Medium-Heavy-Duty Vehicles; Fox Transportation, Contract #MS12032 – Purchase 20 Medium-Heavy-Duty Vehicles; Krisda Inc., Contract #MS12058 – Repower One Heavy-Duty Off-Road Vehicles; and Transit Systems Unlimited, Contract #MS12071 – Expand Existing CNG Station.

FY 2011-12 Invoices Paid

No invoices were paid during this period.

FYs 2012-14 Work Program Contracts

28 contracts from this work program year are open, and 25 are in “Open/Complete” status. One replacement contract is also pending execution.

FYs 2012-14 Invoices Paid

2 invoices totaling \$504,385.24 were paid during this period.

FYs 2014-16 Work Program Contracts

62 contracts from this work program year are open, and 19 are in “Open/Complete” status. One replacement contract is pending execution. One original contract is still pending execution: the City of Lawndale has committed to execute their contract for expansion of existing CNG infrastructure by February. One contract closed during this period: City of Brea, Contract #ML16036 – Install Class I Bikeway.

FYs 2014-16 Invoices Paid

6 invoices totaling \$270,099.20 were paid during this period.

FYs 2016-18 Work Program Contracts

68 contracts from this work program year are open.

FYs 2016-18 Invoices Paid

One invoice in the amount of \$621.25 was paid during this period.

Administrative Scope Changes

Two administrative scope changes were initiated during the period of January 3 to 30, 2019:

- City of Cathedral City, Contract #ML16006 (Purchase Heavy-Duty CNG Vehicle and Implement Bicycle Education and Outreach) – Eliminate vehicle tasks and funding, with a corresponding value decrease from \$55,000 to \$25,000
- City of Fountain Valley, Contract #ML16009 (Install EV Charging Stations) – Three-month no-cost term extension

Attachments

- FY 2004-05 through FYs 2016-18 (except FY 2005-06, 2006-07 and FY 2009-10) Contract Status Reports

Technical Advisor - Work Program Portion	262,500	262,500	-	-
Hydrogen Infrastructure Projects	3,000,000	-	1,000,000	2,000,000
EV Charging Infrastructure Investments	254,795	254,795	-	-
SCAG-Future Communities Partnership Program	2,000,000	2,000,000	-	-
CTC Partnership Program	8,000,000	2,000,000	6,000,000	-
FY 2016-18 Totals	\$ 40,150,251	\$ 18,615,040	\$ 19,535,211	\$ 2,000,000

FY 2018-21 Work Program	Total	Executed Contracts	Awarded	Balance
MSRC Website Hosting & Maintenance	\$ 6,000	-	\$ 6,000	\$ -
Natural Gas Infrastructure Program	1,083,180	-	1,083,180	-
FY 2018-21 Totals	\$ 1,089,180	\$ -	\$ 1,089,180	\$ -

- (d) Estimated revenue is the FY 2018-19, FY2019-20 and FY 2020-21 full year estimates less revenue received. Any change to Health & Safety Code 44243 could affect future revenue.

AGENDA ITEM #5

Contract Modification Request by
County of Los Angeles

MSRC Agenda Item No. 5

DATE: February 21, 2019

FROM: Cynthia Ravenstein, MSRC Contracts Administrator

SUBJECT: 4-Month Term Extension by County of Los Angeles, Department of Public Works, Contract #ML14030

SYNOPSIS: The County requests a 4-month term extension due to delays associated with concerns over the grade of stainless steel used in the original equipment delivered, as part of the FYs 2012-14 Local Government Match Program.

FINANCIAL IMPACT: None

RECOMMENDATIONS: The MSRC-TAC reviewed the request and recommends approval

ATTACHMENTS: Contractor's letter requesting modification

DISCUSSION:

Contractor: County of Los Angeles, Department of Public Works

Project Title: Bicycle Racks, Outreach & Education

MSRC Funding: \$425,000

Project Term: January 9, 2015 to June 8, 2019

Current Request: 4-month term extension

Previous Requests: 15-month term extension

Project Description: The County was awarded \$425,000 under the MSRC's FYs 2014-16 Local Government Match Program to install at least 575 bicycle racks and signage. The County was also to install supplemental lighting as needed at some locations, as well as developing and implementing a bicycle outreach and education program. More than 500 racks have been installed and nothing has been paid to date on this contract.

Previous Request: The County indicated that they encountered unanticipated delays in the procurement process to secure the educational services and related promotional items. The issues were resolved and the County requested a 15-month contract term extension. At their December 17, 2015 meeting, the MSRC considered and approved the County's request.

Contract Request: The County indicates that the first bicycle racks they ordered were found to be composed of a grade of stainless steel which was not sufficient to withstand the environment. The specifications were revised for a higher and more appropriate grade, and the order was rebid, but installation was delayed. Over 500 racks have now been installed and the remaining installations are proceeding, weather permitting. The County requests a 4-month contract term extension to allow them to complete the work.

Recommendations: The MSRC-TAC reviewed the request and recommends approval.

January 29, 2019

Ms. Cynthia Ravenstein
MSRC Contracts Administrator
21865 Copley Drive
Diamond Bar, CA 91765

Dear Ms. Ravenstein:

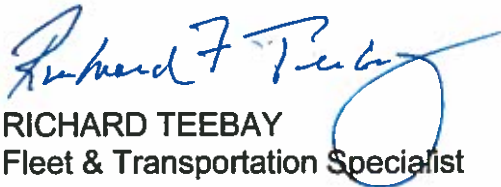

Subject: **EXTENSION FOR AWARD ML 14030**

The County of Los Angeles is requesting an extension through September 30, 2019, for Grant Award Number ML 14030. The County installed more than 500 bicycle racks and is installing the final 50 bike racks. The County ordered a quantity of stainless steel racks for installation. Upon receipt, the grade of stainless steel was determined to be insufficient for the environment. The specifications were revised for a higher and appropriate grade, and the order was rebid. This delayed installation. Installations are proceeding, weather permitting. The County is currently preparing the billing for this contract.

The County is grateful to the MSRC for the match funding for these racks and looks forward to submitting its billing.

If you have any questions, I may be reached at (323) 537-5804.

Very truly yours,

RICHARD TEEBAY
Fleet & Transportation Specialist

AGENDA ITEM #6

Contract Modification Request by
City of Moreno Valley

MSRC Agenda Item No. 6

DATE: February 21, 2019

FROM: Cynthia Ravenstein, MSRC Contracts Administrator

SUBJECT: 18-Month Term Extension by City of Moreno Valley, Contract #ML16041

SYNOPSIS: The City requests an 18-month term extension due to a proposed switch of one of the charging station locations to become part of a larger project including solar carport structures at its City Hall Annex Building parking lot, as part of the FYs 2014-16 Local Government Match Program.

FINANCIAL IMPACT: None

RECOMMENDATIONS: The MSRC-TAC reviewed the request and recommends approval

ATTACHMENTS: Contractor's letter requesting modification

DISCUSSION:

Contractor: City of Moreno Valley

Project Title: Install Electric Vehicle Charging

MSRC Funding: \$20,000

Project Term: September 3, 2016 to January 2, 2022

Current Request: 18-month term extension

Previous Requests: One-year term extension

Project Description: The City was awarded \$20,000 under the MSRC's FYs 2014-16 Local Government Match Program towards the installation of electric vehicle charging stations. No stations have been installed and nothing has been paid to date on this contract.

Previous Request: The City indicated that they needed time to collect additional data on the potential demand for chargers before they proceeded with their installation. They requested a one-year contract term extension. This modification was processed administratively.

Contract Request: The City originally proposed to install stations at their Public Safety Building parking lot and at City Hall parking lot. The City indicates that they have seen favorable

usage of the two charging stations in the City Hall parking lot which were installed under a previous MSRC contract. Based on this, City staff are now recommending a capital improvement project which would consist of solar carport structures and electric vehicle charging stations at the City Hall Annex Building parking lot. Contract #ML16041 allows for location changes without the need for a contract modification, but the City needs additional time to complete the environmental, design and permitting work before beginning construction. The City requests an 18-month contract term extension to allow them to complete the work.

Recommendations: The MSRC-TAC reviewed the request and recommends approval.

Attn: Leah Alfaro, Contracts Assistant

RE: 2015 MSRC Grant Contract #ML16041

Dear Ms. Alfaro:

The City of Moreno Valley would like to request a change in location of Level 2 electric vehicle charging stations under Contract #ML16041. The City had previously proposed installation of four Level 2 electric vehicle charging stations; two at the City's Public Safety Building parking lot and two more at the City Hall parking lot. The City is considering an alternate location at the City Hall Annex Building parking lot which is across the street from the City Hall parking lot, where two Level 2 electric vehicle charging stations are proposed. The other two Level 2 electric vehicle charging stations will either be installed at the City's Community Recreation and Conference (CRC) Center or at the City Yard.

We have seen favorable usage from the two Level 2 electric vehicle charging stations in the City Hall parking lot which were installed per a previous 2013 MSRC Grant under Contract #ML14049. The City is recommending Council approval of a capital improvement project consisting of solar carport structures and electric vehicle charging stations at its City Hall Annex Building parking lot. If the project is approved, the soonest we can start the design-build project is July 1, 2019. We will need an additional extension to give us enough time to complete the environmental, design, and permitting before starting construction. We anticipate the two Level 2 electric vehicle charging stations at this location and the other two at either the CRC or City Yard will be operational by June 30, 2020. Accounting for three years of operation would require an extension through **June 30, 2023**. Therefore, we will need an 18 month extension beyond the current end date of January 2, 2022.

Thank you for the grant and the opportunity to facilitate the usage of electric vehicles. Your assistance in helping us do our part to promote a green environment is greatly appreciated.

Sincerely,

A handwritten signature in blue ink that reads 'Clement Jimenez'.

Clement Jimenez
Senior Engineer, PE

xc: Jeannette Olko, City of Moreno Valley

AGENDA ITEM #7

Contract Modification Request by
City of Paramount

MSRC Agenda Item No. 7

DATE: February 21, 2019

FROM: Cynthia Ravenstein, MSRC Contracts Administrator

SUBJECT: Reduced Scope and Value by City of Paramount, Contract #ML18053

SYNOPSIS: The City was awarded funding to install two public-access and three limited-access EV charging stations. They have encountered higher than anticipated costs associated with ensuring Americans with Disabilities Act compliance for the two stations to be installed on their properties. The City requests to reduce the number of stations to be installed from five to three, of which all three would now be publicly accessible, as part of the FYs 2016-18 Local Government Partnership Program.

FINANCIAL IMPACT: The contract value would be reduced from \$72,580 to \$64,675, with \$7,905 reverting to the AB 2766 Discretionary Fund

RECOMMENDATIONS: The MSRC-TAC reviewed the request and recommends approval

ATTACHMENTS: Contractor's letter requesting modification

DISCUSSION:

Contractor: City of Paramount

Project Title: Install Electric Vehicle Charging Stations

MSRC Funding: \$72,580

Project Term: September 7, 2018 to March 6, 2023

Current Request: Reduce scope from two public and three limited access charging stations to three public access charging stations, with a \$7,905 reduction

Previous Requests: None

Project Description: The City was awarded \$72,580 under the MSRC's FYs 2016-18 Local Government Partnership Program towards the installation of five electric vehicle charging stations: two to be installed on the City's properties with full public access, and three to be installed on private properties with limited access. No stations have been installed and nothing has been paid to date on this contract.

Contract Request: The City indicates that they have encountered higher than anticipated costs associated with ensuring Americans with Disabilities Act compliance for the two stations to be installed on their properties. In order to reduce the total budget for the project, the City proposes to reduce the scope to a total of three stations: two to be installed on City properties, and one to be installed on private property. However, the station on private property would now be publicly accessible twenty-four hours per day, seven days per week. The City also proposes to reduce the MSRC's total contribution from \$72,580 to \$64,675, with \$7,905 reverting to the AB 2766 Discretionary Fund.

Recommendations: The MSRC-TAC reviewed the request. After receiving assurance that the ADA requirements are directly related to the station installations, the MSRC-TAC recommends approval.

South Coast Air Quality Management District
21865 Copley Drive
Diamond Bar, CA 91765
Attn: Cynthia Ravenstein, MSRC Contracts Administrator

Re: MSRC Local Government Partnership Program Contract

Dear Ms. Ravenstein:

I am writing on behalf of the City of Paramount ("Contractor") to request a change to the Contract (ML18053) between Contractor and the South Coast Air Quality Management District (SCAQMD) for the MSRC Local Government Partnership Program. As you are aware, the Contract statement of work was for two EV charging stations on Contractor property and three on private properties, and we were authorized to change the three on private properties to publicly accessible (all days/times).

Due to unexpected costs associated to ensuring Americans with Disabilities Act (ADA) compliance for the two EV charging stations to be installed on Contractor properties, the City of Paramount is requesting to revise the contract to meet the added costs. In doing so, the City of Paramount understands that the added costs will render the installation of five EV charging stations above the original budget; the change would reduce the project to a total of three EV charging stations. As such, the City of Paramount understands the need to adjust the MSRC grant from the original \$72,580.00 amount down to number more reflective of the proposed adjusted scope. The City of Paramount respectfully requests the revised scope as noted below with a new MSRC grant amount of \$64,675.00.

Budget

PUBLIC Electric vehicle charging station 1, Civic Center/Clearwater Building

MSRC funds: 75%	\$20,751
City funds: 25%	\$6,917
TOTAL	\$27,668

PUBLIC Electric vehicle charging station 2, Sheriff Station

MSRC funds: 75%	\$28,924
City funds: 25%	\$9,641
TOTAL	\$38,565

PUBLIC Electric vehicle charging station 3, private property (publicly accessible)

MSRC funds: 75%	\$15,000
City funds: 25%	\$5,000
TOTAL	\$20,000

TOTAL MSRC funding	\$64,675
TOTAL City funds	\$21,558

We respectfully request consideration of the above at the MSRC TAC on February 7, 2019. If you have any questions or require more detail, please contact me at 562-220-2049 or iking@paramountcity.com. Thank you.

CITY OF PARAMOUNT

John King
Planning Manager

AGENDA ITEM #8

Contract Modification Request by
County of Los Angeles

MSRC Agenda Item No. 8

DATE: February 21, 2019

FROM: Cynthia Ravenstein

SUBJECT: Authorize Issuance of New Contract to Complete Work Initiated by County of Los Angeles, Department of Public Works under Contract #ML14060

SYNOPSIS: The MSRC awarded the County \$104,400 to install publicly accessible EV charging stations providing a total of at least 38 charging ports. An extension was being processed administratively, but the contract lapsed on January 5, 2019. The County has now requested to complete the project. Staff recommends that, should the MSRC wish to grant the County's request, a new contract be executed to complete the project.

FINANCIAL IMPACT: Nothing has been paid to date under #ML14060. \$104,400 remains committed towards the charging stations, and will become available to fund a replacement contract if so authorized by the MSRC.

RECOMMENDATIONS: The MSRC-TAC reviewed the item and recommends approval

DISCUSSION: The MSRC originally awarded the County \$104,400 to install publicly accessible EV charging stations providing a total of at least 38 charging ports. No construction has been completed and nothing has been paid to date on this contract.

On October 26, 2018, the County requested a one-year term extension due to delays associated with its procurement process. The County's agreement for EV charging stations was expiring and needed to be re-bid. An administrative modification to extend the contract was initiated and sent to the County for signature on November 7, 2018. However, the contract lapsed on January 5, 2019. On January 29, 2019, the County submitted a request to complete the project.

SCAQMD recommends that a new contract be executed to complete the project, should the MSRC wish to grant the County's request.

Nothing has been paid to date on the previous contract, so the new contract value would be \$104,400.

Additionally, when Contract #ML14060 was originally prepared, it should have been assigned a longer term sufficient to meet the three-year operational requirement under the FYs 2012-14 Local Government Match Program. It is appropriate to add three years to the term to cover the operational period. This three years will not impact the time allowed for the County to complete installation.

Recommendations: The MSRC-TAC reviewed the item and recommends approval.

Dear Ms. Ravenstein:

Subject: **REPLACEMENT CONTRACT FOR AWARD ML 14060**

The County of Los Angeles is requesting a replacement contract with a twelve-month period through at least January 29, 2020 for Grant Award Number ML 14060. The County has experienced procedural delays with its procurement processes for its new Master Agreement for EVSE. The County anticipates having an executed Master Agreement for EVSE by the end of March 2019. When the Agreement is in place, the County will order the materials and schedule installations. The EVSE are anticipated to be operational by October 2019.

The replacement agreement will enable the County to deploy a significant number of Level 2 EVSE and many of its large worksites.

If you have any questions, I may be reached at (323) 537-5804.

Very truly yours,

RICHARD TEEBAY
Fleet & Transportation Specialist

AGENDA ITEM #9

Contract Replacement Request by
County of Los Angeles

MSRC Agenda Item No. 9

- DATE:** February 21, 2019
- FROM:** Cynthia Ravenstein
- SUBJECT:** Authorize Issuance of New Contract to Complete Work Initiated by County of Los Angeles, Department of Public Works under Contract #ML14093
- SYNOPSIS:** The MSRC awarded the County \$150,000 to complete improvements to the San Gabriel River Bike Trail where it passes under the Interstate 10 freeway. An extension was being processed administratively, but the contract lapsed on January 13, 2019. The County has now requested to complete the project. Staff recommends that, should the MSRC wish to grant the County's request, a new contract be executed to complete the project.
- FINANCIAL IMPACT:** Nothing has been paid to date under #ML14093. \$150,000 remains committed towards the bikeway improvements, and will become available to fund a replacement contract if so authorized by the MSRC.
- RECOMMENDATIONS:** The MSRC-TAC reviewed the request and recommends approval.
- DISCUSSION:** The MSRC originally awarded the County \$150,000 to complete improvements to the San Gabriel River Bike Trail where it passes under the Interstate 10 freeway. No construction has been completed and nothing has been paid to date on this contract.
- On December 10, 2018, the County requested an extension to August 13, 2019 due to delays associated with obtaining local agency encroachment permits and associated agency requested design revisions. An administrative modification to extend the contract was initiated and sent to the County for signature on January 4, 2019. However, the contract lapsed on January 13, 2019. On January 29, 2019, the County submitted a request to complete the project.
- SCAQMD recommends that a new contract be executed to complete the project, should the MSRC wish to grant the County's request.
- Nothing has been paid to date on the previous contract, so the new contract value would be \$150,000.
- Recommendations: The MSRC-TAC reviewed the request and recommends approval.

REFER TO FILE: PD-1

Ms. Leah Alfaro
Contracts Assistant
South Coast Air Quality Management District
21865 Copley Drive
Diamond Bar, CA 91765

Dear Ms. Alfaro:

**ASSEMBLY BILL 2766
MOBILE SOURCE AIR POLLUTION REDUCTION REVIEW COMMITTEE
LOCAL GOVERNMENT MATCH PROGRAM
REQUEST FOR REPLACEMENT CONTRACT
SAN GABRIEL RIVER BIKE TRAIL TUNNEL UNDER INTERSTATE 10 FREEWAY**

This is a request for a replacement contract with a new end date of October 13, 2019, to succeed Contract ML14093. Regrettably we did not deliver an executed contract extension agreement for the subject contract to your agency before it expired on January 13, 2019.

The replacement contract is necessary due to unanticipated project implementation delays associated with obtaining the California Department of Transportation encroachment permit, associated design revisions and preparation of a Caltrans Water Pollution Prevention Program document. Extensive comments were received from Caltrans on May 7, 2018, on our March 21, 2018, encroachment permit submittal. Additional comments were received on December 7, 2018, on our second September 20, 2018, encroachment permit submittal.

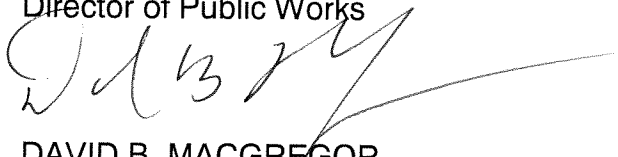

Public Works' design engineers were greatly delayed in making plan revisions as they were working overtime throughout all of December 2018 to addressing disaster recovery efforts due to the recent Woolsey fire. They will be completing the latest plan in revisions by January 31, 2019. Upon receiving the Caltrans encroachment permit by April 2019, Public Works' maintenance staff will implement the project detour plans and initiate the reconstruction of the tunnel pavement. The solar panel poles that have a 20-week fabrication lead time, will be procured in the meantime. The revised contract end date will allow sufficient time to complete the project and submit the final report and billing documents.

Ms. Leah Alfaro
January 29, 2019

AGENDA ITEM #11

Authorize Research and Outreach in Support of
FYs 2018-21 Work Program Development

MSRC Agenda Item No. 11

DATE: February 21, 2019

FROM: Cynthia Ravenstein, MSRC Contracts Administrator

SUBJECT: Authorize Research and Outreach in Support of Large-Scale Incentive Program

SYNOPSIS: If the MSRC has selected a large-scale incentive program focus under Item #10 above, this item would authorize the immediate initiation of an assessment of other funding providers' active and potential programs that could most closely align with the MSRC's priorities. Additionally, it would authorize the development of an initial outreach plan to be used for potential further coordination with agency representatives and other policy makers. To support the completion of this assessment, this item would also authorize issuance of a Task Order in an amount not to exceed \$9,850 to the MSRC's Programmatic Outreach Coordinator, Better World Group Advisors (BWGA), to conduct research and outreach and complete the assessment in coordination with MSRC staff.

RECOMMENDATION: This item was not considered by the MSRC-TAC.

WORK PROGRAM IMPACT: BWGA's contract has an unallocated balance of approximately \$9,900, sufficient to fund the Task Order.

Discussion: At its January 17, 2019 meeting, the MSRC approved expanding the current Work Program to encompass three years of funding, and directed the MSRC-TAC to develop suggestions relative to strategic options. The MSRC-TAC's recommendations regarding potential large-scale incentive program concepts are scheduled to be brought forward under the preceding agenda item.

Once the MSRC selects a large-scale incentive program focus, a logical next step would be the initiation of an assessment of other funding providers' active and potential programs that could most closely align with the MSRC's priorities. BWGA, The MSRC's Programmatic Outreach Coordinator, is well equipped to complete such an assessment in coordination with MSRC staff. BWGA can also develop an initial contact plan for agency representatives and other policymakers that they would recommend the MSRC members meet with to discuss funding partnership opportunities. BWGA has provided a quote of \$9,850 to complete the assessment.

BWGA's contract has an unallocated balance of approximately \$9,900, sufficient to fund the Task Order. This does not include approximately \$71,400 remaining allocated to various tasks under the contract. No additional funding would need to be added to the contract in order to issue the Task Order.

Recommendations: The MSRC-TAC discussed the potential for using the MSRC's Programmatic Outreach Coordinator to assist in the anticipated new large-scale incentive program. However, the MSRC-TAC did not specifically review this item.
