

**MOBILE SOURCE AIR POLLUTION REDUCTION REVIEW COMMITTEE (MSRC)
MEETING AGENDA**

Thursday, January 20, 2022 at 2:00 p.m.

Pursuant to Assembly Bill 361 the MSRC meeting will be via videoconferencing and by telephone.

INSTRUCTIONS FOR ELECTRONIC PARTICIPATION AT BOTTOM OF AGENDA

Join Zoom Webinar Meeting - from PC or Laptop

<https://scagmd.zoom.us/j/99915072848>

Zoom Webinar ID: 999-1507-2848 (applies to all)

Teleconference Dial In

+1 669 900 6833

One Tap Mobile

+16699006833, 99915072848#

Audience will be allowed to provide public comment in person and through telephone or Zoom connection during public comment periods

PUBLIC COMMENT WILL STILL BE TAKEN

MSRC Committee Members

MSRC Chair

Larry McCallon
Member, Board of Directors, SBCTA
Representing San Bernardino County Transportation Authority
Alternate: John Valdivia, Board of Directors, SBCTA

MSRC Vice-Chair

Brian Berkson
Commissioner, RCTC
Representing Riverside County Transportation Commission
Alternate: Linda Krupa, Commissioner, RCTC

Vacant
Representing Orange County Transportation Authority
Alternate: Lisa Bartlett, Member, OCTA Board of Directors

Sydney Vergis, CARB Staff
Representing California Air Resources Board
Alternate: Lucina Negrete, CARB Staff

Ben Benoit
Member, SCAQMD Governing Board
Representing South Coast Air Quality Management District

John Dutrey
Member, Board of Directors, SBCTA
Representing Regional Rideshare Agency
Alternate: Ray Marquez, Member, SBCTA Board of Directors

Steve Veres, Member, LACCD Board of Trustees
Representing Los Angeles County MTA
Alternate: Mark Yamarone, MTA Staff

Jed Leano
Member, SCAG Regional Council
Representing Southern California Association of Governments
Alternate: Mark Henderson, Member, SCAG Regional Council

*Members of the public may address this body concerning any agenda item before or during consideration of that item (Gov't Code Section 54954.3(a)). If you wish to comment on an agenda item or during the public comment period, please "raise your hand" on Zoom or dial *9 on your phone. All agendas for regular meetings are posted at District Headquarters, 21865 Copley Drive, Diamond Bar, California, at least 72 hours in advance of the regular meeting. Speakers may be limited to three (3) minutes each.*

CALL TO ORDER

- Roll Call

Opening Comments: Larry McCallon, MSRC Chair
Other MSRC Members

CONSENT CALENDAR (Items 1 through 5)

Receive and Approve

1. **Comply with AB 361 Requirements to Allow MSRC to Continue to Meet Remotely** **Hsu**

This action is to adopt the attached resolution finding that the MSRC: 1) has reconsidered the circumstances of the state of emergency; and 2) state or local officials continue to impose or recommend measures to promote social distancing. See Cal. Gov't Code section 54953(e)(3).

2. **Summary of Final Report by MSRC Contractor** **Gorski**

- Southern California Association of Governments, Contract #MS18002 (\$2,500,000 – Go Human Campaign)

Information Only - Receive and File

3. **MSRC Contracts Administrator's Report** **Ravenstein**

This report covers key issues addressed by MSRC staff, status of open contracts, and administrative scope changes from December 2, 2021 through January 5, 2022.

4. **Financial Report on AB 2766 Discretionary Fund** **Pathak**

Financial Report for December 2021.

For Approval – As Recommended

5. Consider 24-Month Term Extension by Long Beach Transit, Contract #MS16121 (\$600,000 – Repower 39 Buses and Purchase 1 New Bus with Near-Zero Engines)

Ravenstein

Long Beach Transit indicates that the authorized vendor working on the repowers intermittently suspended its operations due to the COVID-19 pandemic, thus delaying anticipated work and delivery of vehicles. Long Beach Transit requests a 24-month term extension to allow them to complete the work. **THE MSRC-TAC UNANIMOUSLY RECOMMENDS APPROVAL, CONTINGENT UPON LONG BEACH TRANSIT PROVIDING QUARTERLY REPORTS ON THE STATUS OF THE BUS REPOWERS**

ACTION CALENDAR (Items 6 and 7)

FYs 2018-21 WORK PROGRAM

6. Consider \$6,751,000 Contingency List and 18-Month Term Extension by Southern California Association of Governments (SCAG), Contract #MS21005 (\$10,000,000 – Implement Last Mile Goods Movement Program)

Strelecki

As an element of their FYs 2018-21 Work Program the MSRC awarded SCAG \$10,000,000 to implement the Last Mile Freight Program (LMFP). SCAG released the LMFP Call for Projects in May 2021, with a submittal deadline of July 14, 2021. Due to significant expressions of interest and the program not being fully subscribed, SCAG re-released the Call for Projects in August 2021 with a final submittal deadline of October 6, 2021. In November 2021, SCAG brought forward to the MSRC their recommended project list for the original \$10,000,000 award, as well as a Contingency List for consideration. The MSRC approved the \$10,000,000 project list but had questions relative to the Contingency List, and directed that SCAG address these questions and return with the Contingency List at a future meeting. SCAG is requesting MSRC consideration of the updated \$6,751,000 recommended Contingency List. Additionally, increasing challenges related to supply chain constraints have further impacted procurement delays for near-zero and zero emission vehicles and supporting infrastructure. As such, SCAG is requesting an 18-month term extension for all projects and for Contract #MS21005. **EXCEPT FOR AN ABSTENTION BY ALTERNATE MEMBER STRELECKI, THE MSRC-TAC UNANIMOUSLY RECOMMENDS APPROVAL OF AN AWARD OF \$6,751,000 TO FUND THE UPDATED CONTINGENCY LIST, AND FURTHER RECOMMENDS APPROVAL OF AN 18-MONTH CONTRACT TERM EXTENSION**

FYs 2021-24 WORK PROGRAM

7. Update on the FYs 2021-24 Work Program Development Process

Gorski

The first two Work Program Development Subcommittees, Goods Movement and Innovative Transportation, have been formed and are conducting their initial meetings. The MSRC-TAC will hear any updates available from the Subcommittees and continue to discuss ideas related to potential project categories under the FYs 2021-24 Work Program.

OTHER BUSINESS

8. **Any member of the committee, on his or her own initiative or in response to questions posed by the public, may ask a question for clarification, may make a brief announcement or report on his or her own activities, provide a reference to staff regarding factual information, request staff to report back at a subsequent meeting concerning any matter, or may take action to direct staff to place a matter of business on a future agenda. (Gov't Code Section 54954.2)*

McCallon

PUBLIC COMMENT PERIOD - (Public Comment on Non-Agenda Items, Pursuant to Government Code Section 54954.3)

At the end of the regular meeting agenda, an opportunity is provided for the public to speak on any subject within the Committee's authority that is not on the agenda. Speakers may be limited to three (3) minutes each.

ADJOURNMENT

NEXT MEETING: Date: February 17, 2022, 2:00 p.m., Location: TBD

Americans with Disabilities Act and Language Accessibility

Disability and language-related accommodations can be requested to allow participation in the MSRC Meeting. The agenda will be made available, upon request, in appropriate alternative formats to assist persons with a disability (Gov't Code Section 54954.2(a)). In addition, other documents may be requested in alternative formats and languages. Any disability or language-related accommodation must be requested as soon as practicable. Requests will be accommodated unless providing the accommodation would result in a fundamental alteration or undue burden to the District. Please contact Ms. Alejandra Vega at (909) 396-2264 from 7:00 a.m. to 5:30 p.m., Tuesday through Friday, or send the request to avega@aqmd.gov.

Pursuant to SB 343

All documents (i) constituting non-exempt public records, (ii) relating to an item on an agenda for a regular meeting, and (iii) having been distributed to at least a majority of the Committee after the Agenda is posted, are available by contacting Alejandra Vega at (909) 396-2264 or send the request to avega@aqmd.gov

Contacts: Cynthia Ravenstein, MSRC Contracts Administrator - (909) 396-3269
Ray Gorski, MSRC Technical Advisor – (909) 396-2479
Alejandra Vega, MSRC Administrative Liaison – (909) 396-2264

INSTRUCTIONS FOR ELECTRONIC PARTICIPATION

Instructions for Participating in a Virtual Meeting as an Attendee

As an attendee, you will have the opportunity to virtually raise your hand and provide public comment.

Before joining the call, please silence your other communication devices such as your cell or desk phone. This will prevent any feedback or interruptions during the meeting.

Please note: During the meeting, all participants will be placed on mute by the host. You will not be able to mute or unmute your lines manually.

After each agenda item, the Chair will announce public comment.

A countdown timer may be displayed on the screen for each public comment.

If interpretation is needed, more time will be allotted.

Once you raise your hand to provide public comment, your name will be added to the speaker list. Your name will be called when it is your turn to comment. The host will then unmute your line.

Directions for Video ZOOM on a DESKTOP/LAPTOP:

- If you would like to make a public comment, please click on the **“Raise Hand”** button on the bottom of the screen.
- This will signal to the host that you would like to provide a public comment and you will be added to the list.

Directions for Video Zoom on a SMARTPHONE:

- If you would like to make a public comment, please click on the **“Raise Hand”** button on the bottom of your screen.
- This will signal to the host that you would like to provide a public comment and you will be added to the list.

Directions for TELEPHONE line only:

- If you would like to make public comment, please **dial *9** on your keypad to signal that you would like to comment.

AGENDA ITEM #1

Comply With AB 361 Requirements to
Allow MSRC to Continue to Meet Remotely

MSRC Agenda Item No. 1

DATE: January 20, 2022

FROM: Daphne Hsu, Principal Deputy District Counsel

SUBJECT: Comply with AB 361 Requirements to Allow MSRC to Continue to Meet Remotely

SYNOPSIS: This action is to adopt the attached Resolution finding that the MSRC: 1) has reconsidered the circumstances of the state of emergency; and 2) state or local officials continue to impose or recommend measures to promote social distancing. See Cal. Gov't Code section 54953(e)(3).

RECOMMENDATION: Adopt the attached Resolution finding that the MSRC: 1) has reconsidered the circumstances of the state of emergency; and 2) state or local officials continue to impose or recommend measures to promote social distancing.

FINANCIAL IMPACTS: None

Background: Governor Newsom previously issued Executive Orders (EOs) N-29-20 and N-35-2 in March 2020, as a response to the public health crisis brought about by the COVID-19 pandemic. These EOs authorized local legislative bodies subject to the Ralph M. Brown Act to conduct meetings entirely via telephonic or other electronic means in lieu of requiring the physical presence of Board members or members of the public. On June 11, 2021 the Governor issued EO N-08-21, which continued suspension of the Brown Act's teleconferencing requirements, without requiring that members of the public be given the right to access all teleconference locations, through September 30, 2021, in anticipation of the State's proposed re-opening.

Assembly Bill 361, signed into law by Governor Newsom on September 16, 2021, amends the Brown Act and will stay in effect from October 1, 2021 until January 1, 2024. In part, AB 361 amends subparagraph (e) of section 54953 of the California Government Code to state that local agencies may continue to use teleconferencing without complying with the teleconferencing requirements of the Brown Act in any of the following circumstances:

- A. When the legislative body holds a meeting during a proclaimed state of emergency and state or local officials have imposed or recommended measures to propose social distancing;

- B. When the legislative body holds a meeting during a proclaimed state of emergency for the purpose of determining, by majority vote, whether as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees; or
- C. When the legislative body holds a meeting during a proclaimed state of emergency and has already determined, by majority vote, pursuant to subparagraph (B), that, as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees.

In the event of an ongoing proclaimed state of emergency, or where state or local officials have imposed or recommended measures to promote social distancing, in order to continue to utilize the teleconferencing measures set forth above, a legislative body must, no later than 30 days after teleconferencing for the first time pursuant to Government Code section 54953(e)(1), and every 30 days thereafter, make the following findings by majority vote:

- A. The legislative body has reconsidered the circumstances of the state of emergency.
- B. Any of the following circumstances exist:
 - i. The state of emergency continues to directly impact the ability of the members to meet safely in person; or
 - ii. State or local officials continue to impose or recommend measures to promote social distancing.

See Cal. Gov't Code section 54953(e)(1). Governor Newsom first declared a statewide emergency resulting from the COVID-19 pandemic on March 4, 2020. Furthermore, although the State no longer requires physical distancing, the MSRC meetings are generally held at the South Coast AQMD headquarters located in Diamond Bar, California, which is a city in Los Angeles County and both South Coast AQMD and the Los Angeles County Department of Public Health have recommended social distancing measures.

Recommendations: This action is to address the requirements of AB 361 to allow the MSRC to continue to meet remotely. The recommended action is to adopt the attached Resolution finding that the MSRC: 1) has reconsidered the circumstances of the state of emergency; and 2) state or local officials continue to impose or recommend measures to promote social distancing. See Cal. Gov't Code section 54953(e)(3).

RESOLUTION _____

1 A RESOLUTION OF THE MOBILE SOURCE AIR POLLUTION REDUCTION REVIEW
2 COMMITTEE RECOGNIZING THE PROCLAMATION OF A STATE OF EMERGENCY BY
3 GOVERNOR NEWSOM ON MARCH 4, 2020 AND THAT THE COUNTY OF LOS ANGELES
4 CONTINUES TO RECOMMEND MEASURES TO PROMOTE SOCIAL DISTANCING; AND
5 AUTHORIZING FULLY OR PARTIALLY REMOTE TELECONFERENCE MEETINGS OF
6 THE MOBILE SOURCE AIR POLLUTION REDUCTION REVIEW COMMITTEE, THE
7 TECHNICAL ADVISORY COMMITTEE TO THE MOBILE SOURCE AIR POLLUTION
8 REDUCTION REVIEW COMMITTEE, AND THEIR COMMITTEES OR SUBCOMMITTEES,
9 INCLUDING ANY WORKING GROUP MEETINGS WHERE A QUORUM OF MEMBERS ARE
10 PRESENT, SUBJECT TO THE BROWN ACT, FOR THE PERIOD OF JANUARY 20, 2022
11 THROUGH FEBRUARY 19, 2022 PURSUANT TO PROVISIONS OF THE BROWN ACT.

12
13 **WHEREAS**, the Mobile Source Air Pollution Reduction Review Committee (MSRC) is committed
14 to preserving and nurturing public access and participation in all meetings subject to the provisions of the
15 Ralph M. Brown Act (Cal. Gov't Code §§ 54950 – 54963, hereafter Brown Act); and

16 **WHEREAS**, pursuant to the provisions of the Brown Act, all meetings of legislative bodies of the
17 MSRC, which include the MSRC, its MSRC Technical Advisory Committee (MSRC-TAC), all Brown Act
18 standing committees of the MSRC and MSRC-TAC ultimately reporting to the MSRC and MSRC-TAC,
19 and any working group meetings where a quorum of the MSRC or MSRC-TAC members are present,
20 (collectively, hereinafter, “legislative bodies”), are required to be open and public so that any member of
21 the public may attend, participate, and watch the MSRC’s legislative bodies conduct their business; and

22 **WHEREAS**, the Brown Act, Government Code section 54953(e), makes provisions for remote
23 teleconferencing participation in meetings by members of a legislative body, without compliance with the
24 requirements of Government Code section 54953(b)(3), subject to the existence of certain conditions; and

25 **WHEREAS**, a required condition is that a state of emergency has been declared by the Governor
26 pursuant to Government Code section 8625, proclaiming the existence of conditions of disaster or of
27 extreme peril to the safety of persons and property within the state caused by conditions as described in
28 Government Code section 8558; and

WHEREAS, on March 4, 2020 the Governor proclaimed a State of Emergency to exist in California
as a result of the threat of the novel coronavirus (COVID-19); and

WHEREAS, pursuant to Health & Safety Code section 44244, the MSRC and its MSRC-TAC are
to adopt or assist in the development of a work program that is to be submitted to the south coast district
board. The South Coast Air Quality Management District includes all of the County of Orange and portions

RESOLUTION _____

of the Counties of Los Angeles, Riverside, and San Bernardino as set forth in Health & Safety Code section 40410 and South Coast AQMD Rule 103; and

WHEREAS, the legislative bodies usually meet at the South Coast AQMD headquarters, which is located in the County of Los Angeles; and

WHEREAS, it is further required that state or local officials have imposed or recommended measures to promote social distancing, or, the legislative body meeting would present imminent risks to the health and safety of attendees; and

WHEREAS, local and California public authorities still recommend measures promoting social distancing and/or mask wearing indoors and in public gatherings as well as recommending compliance with the latest advice issued by the Center for Disease Control (CDC) regarding same; and

WHEREAS, on October 12, 2021, the County of Los Angeles Department of Public Health issued further guidance promoting such measures; and

WHEREAS, on June 23 and August 10, 2021, the South Coast AQMD issued further guidance promoting such measures; and

WHEREAS, the spread of the Omicron and Delta Variants of COVID-19 poses a continued risk to the health and safety of members of the MSRC legislative bodies, support staff, as well as to any members of the general public who attend such meetings in that unvaccinated or partially vaccinated persons are at high risk of contracting this variant and even fully vaccinated persons can contract and potentially unknowingly spread the variants; and

WHEREAS, the MSRC does hereby find that the legislative bodies of the MSRC shall conduct their meetings without compliance with paragraph (3) of subdivision (b) of Government Code section 54953, as authorized by subdivision (e) of section 54953, and that such legislative bodies shall comply with the requirements to provide the public with access to the meetings as prescribed in paragraph (2) of subdivision (e) of section 54953; and

WHEREAS, the legislative bodies of the MSRC will continue to ensure access to their meetings by making them available telephonically and via virtual access for both members of the legislative bodies and the general public; and

RESOLUTION _____

WHEREAS, notice of meetings along with information regarding all methods which may be used for public participation in such meetings will continue to be posted at the South Coast AQMD's headquarters, posted at any teleconference locations which are officially noticed on the agenda, posted on both the MSRC and South Coast AQMD websites, provided to anyone who requests such information, and clearly printed on any agendas produced for such meetings.

NOW, THEREFORE, BE IT RESOLVED, that the MSRC hereby finds that the highly contagious nature of the Omicron and Delta Variants of COVID-19 poses an imminent risk to large numbers of persons meeting indoors in a single location; and

BE IT FURTHER RESOLVED, that the MSRC hereby finds that the Governor of California issued a Proclamation of Emergency on March 4, 2020; and

BE IT FURTHER RESOLVED, that the MSRC hereby finds that local officials continue to impose or recommend measures to promote social distancing in the South Coast AQMD's jurisdiction and where the South Coast AQMD's headquarters is located; and

BE IT FURTHER RESOLVED, that the MSRC authorizes and directs staff to take all actions necessary to carry out the intent and purpose of this Resolution including, conducting open and public meetings in accordance with Government Code section 54953(e) and other applicable provisions of the Brown Act; and

BE IT FURTHER RESOLVED, that this resolution shall take effect immediately upon adoption and remain in effect until February 19, 2022 or until such time as the MSRC adopts a subsequent resolution in accordance with Government Code section 54953(e)(3) to extend the time during which the legislative bodies of the MSRC may continue to teleconference without strict compliance with paragraph 3 of Government Code section 54953(b).

DATE: _____

Larry McCallon, Chair of MSRC

AGENDA ITEM #2

Summary of Final Report by MSRC Contractor

MSRC Agenda Item No. 2

Date: January 20, 2022
From: Ray Gorski, MSRC Technical Advisor
Subject: Final Report Received and Reviewed

One (1) Final Report was submitted for MSRC review and approval:

- Southern California Association of Governments, Contract #MS18002 (\$2,500,000 – Go Human Campaign)

A summary of the Final Report is attached. The MSRC-TAC has reviewed the Final Report and recommends approval.

Contractor: Southern California Association of Governments
Contract Number: MS18002
Contract Amount: \$2,500,000
Title: Go Human Campaign

Project Overview: SCAG's *Go Human* community event series promote walking, biking, and rolling through temporary, pop-up safety demonstrations and opens streets events. This approach allows local residents to participate in shaping proposed improvements by providing feedback and experiencing safe streets in their neighborhoods. The program's broader vision is oriented toward promoting healthy, connected, and equitable communities while reducing congestion, improving air quality, and making communities more livable.

Go Human events conducted to date have included "open streets" concepts and temporary demonstrations. The open streets strategy closes a street or corridor to motorized traffic, providing an opportunity to showcase active transportation safety and encouragement messaging as well as offer additional opportunities to engage stakeholders about improvements to their communities. The temporary demonstrations provide an opportunity for the community to participate directly in a visioning, design, installation, and evaluation process on potential improvements, building support for innovative and transformative projects. *Go Human* demonstration projects and open streets events provide air quality improvements in the short term (closed streets to motorized traffic) with the potential for the longer term benefits if active transportation infrastructure improvements are permanently implemented and mode shift strategies adopted.

MSRC Clean Transportation Funding™ provided funding for nineteen (19) projects throughout the four county regions of Los Angeles, Orange, Riverside, and San Bernardino. The events funded by the MSRC included:

- Orange County Department of Public Works, Redefine Hazard
- City of La Quinta, Village Make
- City of Costa Mesa, Experience Merrimac
- Walnut Park (unincorporated Los Angeles County), Camina en Walnut Park
- City of West Covina, Active West Covina
- City of Ontario, Reimagine Downtown
- City of Culver City, Experience Elenda
- City of Chino, Connecting Chino
- City of La Cañada Flintridge, Feet First
- City of Glendora (San Gabriel Valley Council of Governments), Roll to the Stroll

- City of Lake Elsinore, Active L.E.
- City of Riverside, Illuminate Riverside
- City of Los Angeles, Safe Routes to School
- City of South El Monte, Streets of Gold
- City of Baldwin Park, Bike Friendly Business District
- City of Wildomar, Go Active Wildomar
- City of Buena Park, Meet on Beach
- San Bernardino County Transportation Authority, Safe Routes to School
- City of Long Beach, Activate Artesia

Across the series, the projects engaged over 20,000 people, with over 2,500 surveys collected. Survey results indicated that approximately 70% of respondents reported they had never attended a community meeting about transportation, suggesting the events engaged community members that are not historically engaged in planning decisions. Additionally, over 86% of respondents reported that the events inspired them to walk and bike more in their communities, and 44% of respondents reported using active transportation to get to and from the events, highlighting the influence of the *Go Human* events on travel behavior and future mode choices for people travelling around their communities.

The survey results highlighted positive support for the infrastructure treatments. From the events that included a demonstration bike lane, over 83% of respondents reported they support permanent installation. From the events demonstrating curb extensions, over 73% reported they support permanent installation. Similarly, at events demonstrating parklets, 87% of respondents reported they want parklets permanently installed in their community. Additionally, at events demonstrating artistic crosswalks, over 91% of respondents reported they want to see artistic crosswalks permanently installed.

Participants were also asked to report their top desired improvements for walking and biking. Some of the highest reported responses for improving the pedestrian environment include wider sidewalks, sidewalk lighting, and lower vehicle speed. For improving the experience for people biking, respondents reported desiring more bike lanes on the road, including more bike lanes protected from vehicles, access to bike share, and more driver education.

Participants also indicated positive feedback on the demonstration treatments, showing a strong indication toward support for full implementation.

Challenges Encountered & Solutions Implemented: Across the event series there were several challenges encountered during the planning process. One of the most significant challenges encountered during the series was the COVID-19 pandemic. Due to the pandemic, staff adjusted event timelines, especially for projects in the Cities of Wildomar, Long Beach, and Los

Angeles Safe Routes to School events. Staff worked with local partners to shift the way in which events were executed to ensure safe physical distancing and healthy environments for all event participants. With careful planning and strategic communication with local partners, staff was able to adjust the timeline to hold events in 2021 and ensure participant safety

Another key challenge throughout the event series was local agency turnover and staff capacity to support and participate in the events. To help bridge the gap and provide more direct assistance to agency partners, SCAG staff allocated more time toward supporting projects and created efficiencies wherever possible, such as communicating lessons learned from previous projects, providing template graphics, surveys, and reports, and hiring consultant teams to provide hands-on support throughout project planning, implementation, and evaluation. SCAG staff met with local agencies at the onset to provide an overview of roles and responsibilities, anticipated time commitment, and timeline for the project to be transparent about the labor commitment involved. SCAG was also involved in the implementation and day-of event to oversee the demonstration, support with intercept surveys and facilitating community feedback, and other programming activities.

Additionally, one of the most successful aspects of the *Go Human* events were the Community Advisory Committees (CACs). The CACs brought together local community-based organizations, local agencies, elected officials, and other key local residents and champions to collectively envision and plan key aspects of the projects.

North Long Beach residents participate in the first in a series of community-based conferences called “Thrive 90805.” The first meeting, hosted by Vice Mayor Rex Richardson, explored the Great Artesia Boulevard Design and gave residents a first look at the renovations planned for the 3.5 mile corridor. AGENDA ITEM #3

MSRC Contracts Administrator's Report

MSRC Agenda Item No. 3

DATE: January 20, 2022

FROM: Cynthia Ravenstein

SUBJECT: AB 2766 Contracts Administrator's Report

SYNOPSIS: This report covers key issues addressed by MSRC staff, status of open contracts, and administrative scope changes from December 2, 2021 to January 5, 2022.

RECOMMENDATION: Receive and file report

WORK PROGRAM IMPACT: None

Contract Execution Status

2018-21 Work Program

On April 5, 2019, the SCAQMD Governing Board approved an award under the Major Event Center Transportation Program. This contract is executed.

On September 6, 2019, the SCAQMD Governing Board approved an award under the Major Event Center Transportation Program. This contract is executed.

On December 6, 2019, the SCAQMD Governing Board approved an award under the Major Event Center Transportation Program. This contract is executed.

On September 4, 2020, the SCAQMD Governing Board approved an award under the Last Mile component of the MSRC's Regional Goods Movement Program. This contract is executed.

On April 2, 2021, the SCAQMD Governing Board approved five awards under the Zero and Near-Zero Emission Cargo Handling Equipment at Warehouse, Distribution and Intermodal Facilities in Riverside and San Bernardino Counties Program and ten awards under the Zero and Near-Zero Emission Trucking to Warehouse, Distribution and Intermodal Facilities in Riverside and San Bernardino Counties Program. These contracts are under development, undergoing internal review, with the prospective contractor for signature, or executed.

On June 4, 2021, the SCAQMD Governing Board approved an award under the Major Event Center Transportation Program. This contract is undergoing internal review.

Work Program Status

Contract Status Reports for Work Program years with open and/or pending contracts are attached.

FY 2010-11 Work Program Contracts

One contract from this Work Program year is open; and 2 are in “Open/Complete” status, having completed all obligations except operations. One contract closed during this period: City of South Pasadena, Contract #ML11040 – Purchase One Heavy-Duty Natural Gas Vehicle.

FY 2010-11 Invoices Paid

No invoices were paid during this period.

FY 2011-12 Work Program Contracts

4 contracts from this Work Program year are open, and 7 are in “Open/Complete” status.

FY 2011-12 Invoices Paid

No invoices were paid during this period.

FYs 2012-14 Work Program Contracts

7 contracts from this Work Program year are open, and 18 are in “Open/Complete” status. One contract moved into “Open/Complete” status during this period: Hacienda La Puente Unified School District, Contract #MS14083 – Install New Limited Access CNG Station. 2 contracts closed during this period: City of Rancho Cucamonga, Contract #ML14032 – Expand Existing CNG Infrastructure, Install Bicycle Lockers, and Procure One Heavy-Duty CNG Vehicle; and County of Los Angeles Internal Services Department, Contract #ML14097 – Install Electric Vehicle Charging Infrastructure.

FYs 2012-14 Invoices Paid

No invoices were paid during this period.

FYs 2014-16 Work Program Contracts

25 contracts from this Work Program year are open, and 31 are in “Open/Complete” status. One contract passed into “Open/Complete” status during this period: City of Moreno Valley, Contract #ML16041 – Install Electric Vehicle Charging Infrastructure. 2 contracts closed during this period: City of Banning, Contract #ML16023 – Purchase One Heavy-Duty Natural Gas Vehicle; and City of Palm Desert, Contract #ML16072 – Install Electric Vehicle Charging Infrastructure.

FYs 2014-16 Invoices Paid

3 invoices totaling \$105,500.00 were paid during this period.

FYs 2016-18 Work Program Contracts

83 contracts from this Work Program year are open, and 54 are in “Open/Complete” status. One contract closed during this period: City of Signal Hill, Contract #ML18021 – Install EV Charging Infrastructure.

FYs 2016-18 Invoices Paid

3 invoices totaling \$1,138,884.93 were paid during this period.

FYs 2018-21 Work Program Contracts

9 contracts from this Work Program year are open.

FYs 2018-21 Invoices Paid

2 invoices totaling \$4,330.15 were paid during this period.

Administrative Scope Changes

One administrative scope change was initiated during the period from December 2, 2021 to January 5, 2022:

- City of Indio, Contract #ML18161 (Procure One ZEV and One Heavy-Duty Near-ZEV and Install EV Charging Infrastructure) – Eliminate tasks and funding associated with near-zero emission vehicle and reduce value from \$50,000 to \$25,000

AGENDA ITEM #5

Contract Modification Request by
Long Beach Transit

MSRC Agenda Item No. 5

DATE: January 20, 2022

FROM: Cynthia Ravenstein, MSRC Contracts Administrator

SUBJECT: 24-Month Term Extension by Long Beach Transit, Contract #MS16121

SYNOPSIS: Long Beach Transit indicates that the authorized vendor working on the repowers intermittently suspended its operations due to the COVID-19 pandemic, thus delaying anticipated work and delivery of vehicles. Long Beach Transit requests a 24-month term extension to allow them to complete the work, as part of the FYs 2014-16 Near-Zero Heavy-Duty Natural Gas Engine Program.

FINANCIAL IMPACT: None

RECOMMENDATIONS: The MSRC-TAC considered the recommendations of the Scope Changes Subcommittee and recommends approval contingent upon LBT providing quarterly reports on bus repower status demonstrating reasonable progress

ATTACHMENTS: Contractor's letter requesting modification

DISCUSSION:

Contractor: Long Beach Transit

Project Title: Repower 39 and Purchase One Heavy-Duty Near-Zero Emission Transit Buses

MSRC Funding: \$600,000

Contract Term: November 3, 2017 to November 30, 2026

Current Request: 24-month term extension

Previous Requests: Modified scope and 32-month term extension

Project Description: The MSRC awarded Long Beach Transit (LBT) \$600,000 to purchase 40 buses equipped with engines certified to the 0.02 g/bhp-hr optional NOx standard. The MSRC subsequently approved a modification substituting bus repowers for 39 of the purchases, resulting in a contract for 39 repowers and one purchase. The purchase, and 16 repowers have been completed to date. \$242,250 has been paid to date under this contract.

Previous Requests: LBT indicated that, aside from the first ("pilot") bus, they were able to complete the original scope using funding from federal sources. However, LBT had identified

other buses in their fleet which could be repowered with the near-zero engine. LBT requested to modify the contract to 39 repowers and one purchase. LBT further requested an extension to November 30, 2026 to complete the work—approximately a 32-month extension. This included time to satisfy the program’s five-year operational requirement. The MSRC approved LBT’s request in October 2018.

Contract Request: LBT indicates that resource shortfalls prevented them from proceeding with all 39 repowers immediately upon approval of the previous modification. Subsequently, the authorized vendor working on the repowers intermittently suspended its operations due to the COVID-19 pandemic, thus delaying anticipated work and delivery of vehicles. LBT requests a 24-month term extension to complete the work.

Recommendations: The MSRC-TAC considered the recommendations of the MSRC-TAC Scope Changes Subcommittee and recommends approval of the requested extension, contingent upon LBT providing quarterly reports on bus repower status demonstrating reasonable progress.

Cynthia Ravenstein
Mobile Source Air Pollution Committee
21865 Copley Dr.
Diamond Bar, CA 91765

Re: Request for MSRC Contract #MS16121 Extension – Repower 39 Buses and Purchase 1 New Transit Bus with Near-Zero Engines

Dear Ms. Ravenstein,

Long Beach Transit (LBT) appreciates the funding provided by the Mobile Source Air Pollution Reduction Review Committee (MSRC) through the “Near Zero” Heavy Duty Natural Gas Engine Incentive Program. LBT was awarded \$600,000 to support the repower of 39 buses and the purchase of one new transit bus with near-zero engines. Funding from the Incentive Program has allowed LBT to incorporate zero engine technology into its fleet while reducing emissions for the benefit of its customers, the communities it serves, and the overall region.

Despite the efforts to meet the increments of progress per the project schedule, LBT staff encountered numerous delays and disruptions and was unable to complete all 39 repowers and enter the vehicles into revenue service by November 2, 2021. Between FY20 Q3 and FY21 Q1, the authorized vendor working on the repowers intermittently suspended its operations due to COVID-19 pandemic thus, delaying anticipated work and delivery of vehicles.

To date, the purchase of one new transit bus with near-zero engine has been completed. Also, 28 out of the 39 buses have been repowered and gone into revenue service. Lastly, 3 out of 4 social media post have been made to promote the MSRC’s co-funding of the vehicle purchase and repowers. Following the completion of all repowered buses, a final social media post will be made.

LBT is requesting a 24-month extension to the existing November 30, 2026, contract date to complete the remaining repowers and enter the vehicles into service. LBT anticipates the last repowered bus to be completed and enter revenue service by September 2, 2023 and thus, met the 5-year operational requirement by September 2, 2028.

Consideration of LBT’s request is greatly appreciated.

Sincerely,

LISA PATTON

Lisa Patton
Executive Director/ VP of Finance and Budget

James Scott
Executive Director/ VP of Maintenance and Infrastructure

AGENDA ITEM #6

Consider Funding Contingency List and 18-Month Term Extension by
Southern California Association of Governments
Last Mile Goods Movement Program

MSRC-TAC Agenda Item No. 6

DATE: January 20, 2022

FROM: Scott Strelecki, Last Mile Subcommittee Chair

SUBJECT: MSRC Technical Advisory Committee Funding Recommendations: SCAG Last Mile Freight Program

SYNOPSIS: As an element of the MSRC's FYs 2018-'21 Work Program, the Southern California Association of Governments (SCAG) is awarding grants totaling \$10 million to support investments in clean-air vehicles that will reduce harmful emissions during last-mile freight operations. The MSRC on November 18 unanimously approved awarding these funds to 26 projects across the region under Phase 1 of the agency's Last Mile Freight Program (LMFP).

In addition to approving the 26 projects, 14 other projects were deemed meritorious by the LMFP Review Panel and were included on a Contingency List of projects should more funding be made available. The MSRC on November 18 provided guidance to SCAG staff to work with MSRC staff and the MSRC-TAC Last Mile Subcommittee to revisit the Contingency List projects for consideration of unallocated MSRC FY2018-'21 funds. Unallocated MSRC FYs 2018-'21 Work Program funds total \$6,751,000 as of December 2021. The MSRC-TAC Last Mile Subcommittee and MSRC-TAC has reviewed SCAG's proposed funding strategy for the \$6,751,000 Contingency List allocation and recommends approval.

Lastly, increasing challenges related to supply chain constraints have further impacted procurement delays for near-zero and zero emission vehicles and supporting infrastructure. As such, SCAG is requesting an 18-month term extension for all projects and for Contract #MS21005. This contract extension has also been recommended by the MSRC-TAC.

WORK PROGRAM

IMPACT: It is at the discretion of the MSRC as to whether this unallocated Work Program balance is used to address Contingency List projects or applied to a future year Work Program. Additionally, the MSRC-TAC has the discretion to provide further recommendations to the MSRC as it pertains to the technical and programmatic merits of projects included on the Contingency List.

Discussion: As an element of their FYs 2018-'21 Work Program, the MSRC awarded the Southern California Association of Governments (SCAG) \$10M to implement a Last Mile Freight Program (LMFP). The purpose of this program is to target reductions in criteria air pollutants associated with the last segment of goods movement transportation – the last leg between the distribution center and final destination.

MSRC and SCAG staff agreed that the Contingency List be evaluated separately from the initial \$10 million award while remaining consistent with Phase 1 Program Guidelines that were reviewed and approved by the MSRC. The Contingency List utilizes the same ranking system and scores used by the Review Panel, comprised of SCAG staff with representation from the MSRC-TAC, for the initial \$10 million award. As such, overarching provisions for the use of the \$6,751,000 in unallocated MSRC FYs 2018-'21 Work Program funds include the following funding guiding framework elements:

- A maximum per project funding award of 50% of the total award, adjusted to \$3,375,500;
- A requirement that projects co-funding be a minimum of 50% of the total project cost;
- A small-size business funding target of 30% of the total award, adjusted to \$2,025,300;
- A geographic funding target of at least 12.5% of the total award per county, adjusted to \$843,875.

SCAG staff recommendations were presented to the MSRC-TAC Last Mile Subcommittee on December 14, 2021. The Last Mile Subcommittee reviewed the project findings and approved to recommend the following projects to the MSRC-TAC, as shown below in Table 1, totaling \$6,751,000:

Table 1 – Initial Contingency List Funding Recommendations with Approval of MSRC-TAC Last Mile Subcommittee

Rank	Project Title & Business Name	Business Size	Domicile Location	Customer Service Area	Project Score	Funds Requested	Recommended Award	Cumulative Award Total
1	WattEV HD Battery Electric Truck Deployment: Enabling Equitable Electrification / Watt EV	Small	Los Angeles San Bernardino	Los Angeles Riverside San Bernardino	86	\$1,233,052.00	\$993,369.07	\$993,369.07
2	Good to the Last Dropoff – Sysco's Zero Emission Last Mile Freight Initiative / Sysco Corporation	Large	Riverside	Los Angeles Orange Riverside San Bernardino	85	\$3,557,500.00	\$993,369.07	\$1,986,738.14
3	MHX Last-Mile Zero-Emission Trucking Project / MHX, LLC	Large	Los Angeles	Los Angeles Orange Riverside San Bernardino	84	\$3,165,628.00	\$993,369.06	\$2,980,107.20
4	Penske Accelerated Electrification of Last Mile Freight Operations / Penske Logistics, LLC	Large	San Bernardino	Los Angeles Orange Riverside San Bernardino	83	\$790,785.62	\$790,785.62	\$3,770,892.82
5	GLI Electrification / Gonzalez Logistics, Inc.	Small	Los Angeles	Los Angeles Orange Riverside San Bernardino	80	\$5,000,000.00	\$993,369.06	\$4,764,261.88
6	New Bern Buena Park Electrification Project / PepsiCo	Large	Orange	Los Angeles Orange Riverside San Bernardino	79	\$5,000,000.00	\$993,369.06	\$5,757,630.94
6	Expanding Access and Scaling Electrification (EASE) for Small Fleets / Zeem Solutions	Small	Los Angeles Orange	Los Angeles Orange San Bernardino	79	\$5,000,000.00	\$993,369.06	\$6,751,000.00

Upon approval, the MSRC-TAC Last Mile Subcommittee requested that SCAG staff contact recommended awardees before presenting this list to the MSRC-TAC. Specifically, SCAG staff were asked to confirm that applicants would still participate in the program if awarded the recommended award amount and note any changes to their project scope, including number of vehicles procured or modifications to charging infrastructure.

In the process of contacting the prospective awardees, SCAG staff were notified by MHX, LLC that they would not be able to participate given the recommended funding amount of \$993,369.06. As a result, \$993,369.06 was redistributed evenly to all other applicants except for Penske Logistics, LLC, which would already receive 100% of its funding request. A revised table with added columns showing each project's proposed and adjusted vehicle and infrastructure deliverables is shown below in Table 2:

Table 2 – Revised Contingency List Funding Recommendations with Approval of MSRC-TAC and MSRC-TAC Last Mile Subcommittee

Project Title & Business Name	Business Size	Domicile County	Customer Service Area County Location(s)	Project Score	Number of Funded Vehicles Proposed	New Vehicle Quantity	Quantity of Infra. Proposed	New Charger Quantity	Funds Requested	Recommended Amount	Cumulative Award Funds Requested Total
WattEV HD Battery Electric Truck Deployment: Enabling Equitable Electrification / Watt EV	Small	Los Angeles San Bernardino	Los Angeles Riverside San Bernardino	86	20	No change	*6 1MW power cabinets *18 350kW CCS connector dispensers	No change	\$1,233,052	\$1,192,043	\$1,192,043
Good to the Last Dropoff – Sysco's Zero Emission Last Mile Freight Initiative / Sysco Corporation	Large	Riverside	Los Angeles Orange Riverside San Bernardino	85	25	9	25 (Mainly funded using CEC match)	9	\$3,557,500	\$1,192,043	\$2,384,086
Penske Accelerated Electrification of Last Mile Freight Operations / Penske Logistics, LLC	Large	San Bernardino	Los Angeles Orange Riverside San Bernardino	83	4	No change	N/A	N/A	\$790,786	\$790,786	\$3,174,872
GLI Electrification / Gonzalez Logistics, Inc.	Small	Los Angeles	Los Angeles Orange Riverside San Bernardino	80	50	No change	50	No change	\$5,000,000	\$1,192,043	\$4,366,915
New Bern Buena Park Electrification Project / Pepsico	Large	Orange	Los Angeles Orange Riverside San Bernardino	79	35	10	N/A	N/A	\$5,000,000	\$1,192,043	\$5,558,958
Expanding Access and Scaling Electrification (EASE) for Small Fleets / Zeem Solutions	Small	Los Angeles	Los Angeles Orange San Bernardino	79	83	42	N/A	1 mobile power station	\$5,000,000	\$1,192,043	\$6,751,001

**SCAG staff were notified by MHX, LLC that they would not be able to participate given the recommended funding amount.

As shown in Table 2, small businesses account for 3 out of 6 recommended award applications, with a total recommended award amount of \$3,576,129. This exceeds the small-size business funding target of \$2,025,300.

The geographic funding target of \$843,875 was also exceeded based on domicile county locations and customer service areas. Using domicile county locations as the designated parameter, \$2,980,107.50 will be distributed to Los Angeles County, \$1,192,043 to Orange County, \$1,192,043 to Riverside County, and \$1,386,807.50 to San Bernardino County.

At the MSRC-TAC January 13, 2022 meeting, the MSRC-TAC were presented the Last Mile Subcommittee's recommendation and adjustments made to the Contingency List incorporating the Subcommittee's follow up requests. After reviewing the Contingency List determination, the MSRC-TAC recommended that the MSRC approve the Last Mile Freight Program Phase 1 Contingency List Projects.

MSRC Technical Advisory Committee Recommendation: The MSRC-TAC reviewed and approved the funding recommendations submitted by the Last Mile Subcommittee. This includes a total of 6 projects totaling \$6,751,000. The MSRC-TAC recommends that the MSRC approve the funding awards as shown in Table 2, above. This recommendation will achieve the following:

- Watt EV will procure and deploy 20 Class 8 Volvo battery electric trucks, with supporting charging locations in Los Angeles and San Bernardino counties.

- Sysco Corporation will deploy 9 zero emission heavy-duty BEV tractors with supporting charging infrastructure at Sysco's Riverside distribution center.
- Penske is requesting \$791,000 from LMFP to offset the incremental cost of deploying four all-electric Class 8 Freightliner eCascadia trucks to be housed at Penske's Ontario Facility.
- GLI will deploy 50 Class 8 Lion Electric tractors and 50 Nuvve charging stations at GLI's Los Angeles warehouse.
- PepsiCo will deploy 10 zero emission heavy-duty delivery tractors with supporting charging infrastructure at PepsiCo's Buena Park warehouse.
- Zeem Solutions will use LMFP funds to offset the expense of acquiring 42 last mile delivery zero emission vehicles and to purchase 1 mobile power station.

SCAG 18-Month Term Extension Request: SCAG and MSRC staff met to discuss strategies for addressing ongoing supply chain delays caused by the COVID-19 pandemic. Awarded applicants for the initial \$10 million award and recommended Contingency List awardees have expressed that they are experiencing increased supply chain constraints, leading to procurement delays for near-zero and zero emission vehicles and supporting infrastructure. For example, many of the Independent Owner Operators who are part of the initial \$10 million award have raised concerns that truck manufacturers for natural gas technology have not been accepting truck orders until the end of the first quarter of 2022 due to supply issues, with the expectation that vehicles would not be received until the first quarter of 2023 at the earliest. In addition, multiple companies from the recommended Contingency List have requested a contract extension. This includes the need to meet the delivery of medium and heavy-duty battery electric vehicles and infrastructure technology by 2023. Given this feedback and the high likelihood of future disruptions caused by the COVID-19 pandemic, the MSRC-TAC recommends that the MSRC approve extending Contract #MS21005 by 18 months to meet the Last Mile Freight Program's required performance reporting elements.

Mobile Source Air Pollution Reduction Review Committee

Last Mile Freight Program: Phase 1 Selected Contingency List Projects

Scott Strelecki, Program Manager II

Mobility Planning and Goods Movement Dept.

January 20, 2022

www.scag.ca.gov

MSRC November 18, 2021, LMFP Phase 1 Meeting

- Selected Project List for \$10 million in award was unanimously approved – 26 projects are moving forward to begin the implementation process.
- Guidance was provided to work with MSRC staff and the MSRC TAC Last Mile Subcommittee to revisit the Contingency List projects in relationship for unallocated MSRC FY 18–21 funds.

LMFP Phase 1 Contingency List Parameters

- Unallocated MSRC FY 18–21 funds have been clarified to \$6,751,000.
- Contingency List is being considered as a separate program from the initial \$10 million award.
- Consistent with Phase 1 guidelines, overarching provisions for this list include the following funding restriction elements:
 - Investment Funding Maximum: 50% of total award, adjusted to \$3.4 million
 - Geographic Funding Minimum: 12.5% of total award, adjusted to \$844k
 - Small Business Funding Minimum: 30% of total award, adjusted to \$2 million
- Scores from the October Review panel determine project ranking.

LMFP Phase 1 Contingency List Determination

Project Title & Business Name	Business Size	Domicile County	Customer Service Area County Location(s)	Project Score	Number of Funded Vehicles Proposed	New Vehicle Quantity	Quantity of Infra. Proposed	New Charger Quantity	Funds Requested	Recommended Amount	Cumulative Award Funds Requested Total
WattEV HD Battery Electric Truck Deployment: Enabling Equitable Electrification / Watt EV	Small	Los Angeles San Bernardino	Los Angeles Riverside San Bernardino	86	20	No change	*6 1MW power cabinets *18 350kW CCS connector dispensers	No change	\$1,233,052	\$1,192,043	\$1,192,043
Good to the Last Dropoff – Sysco's Zero Emission Last Mile Freight Initiative / Sysco Corporation	Large	Riverside	Los Angeles Orange Riverside San Bernardino	85	25	9	25 (Mainly funded using CEC match)	9	\$3,557,500	\$1,192,043	\$2,384,086
Penske Accelerated Electrification of Last Mile Freight Operations / Penske Logistics, LLC	Large	San Bernardino	Los Angeles Orange Riverside San Bernardino	83	4	No change	N/A	N/A	\$790,786	\$790,786	\$3,174,872
GLI Electrification / Gonzalez Logistics, Inc.	Small	Los Angeles	Los Angeles Orange Riverside San Bernardino	80	50	No change	50	No change	\$5,000,000	\$1,192,043	\$4,366,915
New Bern Buena Park Electrification Project / Pepsico	Large	Orange	Los Angeles Orange Riverside San Bernardino	79	35	10	N/A	N/A	\$5,000,000	\$1,192,043	\$5,558,958
Expanding Access and Scaling Electrification (EASE) for Small Fleets / Zeem Solutions	Small	Los Angeles	Los Angeles Orange San Bernardino	79	83	42	N/A	1 mobile power station	\$5,000,000	\$1,192,043	\$6,751,001

**SCAG staff were notified by MHX, LLC that they would not be able to participate given the recommended funding amount.

Phase 1 Parameters Met

- All recommended awards meet the Investment Funding Maximum restriction.
- Geographic Funding Minimum – goal of \$844k per county
 - Los Angeles – \$3.0 million*
 - San Bernardino – \$1.4 million*
 - Riverside – \$1.2 million*
 - Orange County – \$1.2 million*
- Small Business Funding Minimum – goal of \$2 million
 - Watt EV – \$1.2 million
 - GLI – \$1.2 million
 - Zeem Solutions – \$1.2 million

} \$3.6 million total

* Estimates were calculated based on project domicile locations.

Contingency Projects Small Business: WattEV, Gonzalez Logistics, Zeem Solutions ~ \$3.6 Million Total

WattEV

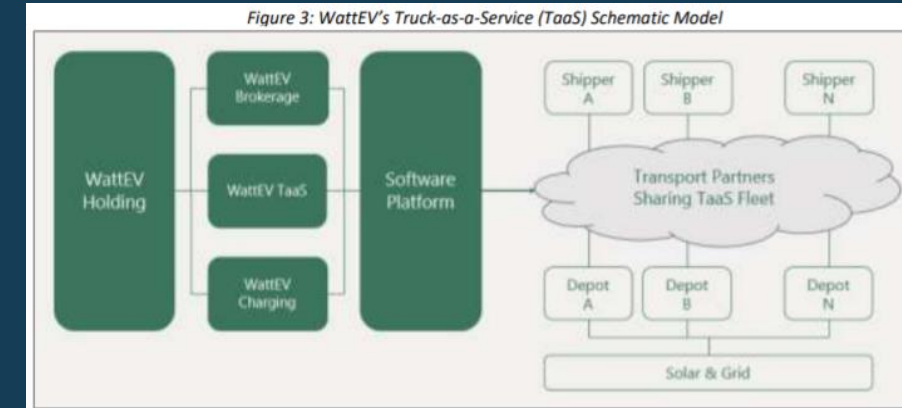

- Truck as a Service (TaaS) business model which combines equipment reliability and charging access at a fixed cost to customers based on daily usage and miles driven, or fixed price per scheduled routes.
- Will procure and deploy 20 Class 8 Volvo battery electric trucks.

Gonzalez Logistics (GLI)

- Requesting \$1.2 million to assist with deploying 50 Class 8 Lion Electric tractors and 50 Nuvve charging stations. All trucks and charging stations will be domiciled at GLI's Los Angeles warehouse.
- GLI has been awarded CARB/CEC Zero-Emission Drayage Truck & Infrastructure Pilot Project funds (\$14.2 million) and cash match through financing (\$9.2 million).

Zeem Solutions

- Zeem Solutions is an electric fleet-as-a-service company that provides turnkey, zero emission vehicles to small, local last-mile delivery companies.
- Funds requested will be used to offset the expense of acquiring last mile delivery zero emission vehicles.

Contingency Projects Large Business: Sysco Corp., Penske Logistics, & PepsiCo ~ \$3.2 Million Total

Sysco Corp.

- Sysco is the largest food-service marketing and distribution organization in North America, serving approximately 350,000 restaurants, hotels, schools, hospitals, retirement homes and other locations.
- Will deploy nine zero emission heavy-duty BEV tractors with supporting charging infrastructure at Sysco's Riverside distribution center.

Penske Logistics

- Penske offers customers full-service truck leasing, contract maintenance, commercial and consumer truck rentals, and other transportation and supply chain management solutions, operating over 300,000 vehicles and serving customers from more than 1,000 locations globally.
- Requesting \$791K from LMFP to offset the incremental cost of deploying four all-electric Class 8 Freightliner eCascadia trucks to be housed at Penske's Ontario Facility.

PepsiCo.

- PepsiCo. proposes to purchase 10 electric Tesla delivery tractors that will support the beverage delivery duty cycle. The 10 electric Tesla delivery tractors will operate out of Pepsi's Buena Park warehouse.

PEPSICO

18-Month Contract Extension

- Feedback from program applicants has highlighted ongoing supply chain delays caused by the COVID-19 pandemic.
 - Increased supply chain constraints are leading to increasing procurement delays for both near-zero and zero emission vehicles and supporting infrastructure.
- An 18-month contract extension would provide additional time to meet the Last Mile Freight Program's required performance reporting elements.

Last Mile Subcommittee and MSRC-TAC Recommendations

- The Last Mile Subcommittee and MSRC-TAC recommend that the MSRC approve the Last Mile Freight Program Phase 1 Contingency List Projects to be awarded \$6.751 million.
- The MSRC-TAC recommends MSRC approval of an 18-month extension of Contract #MS21005.

AGENDA ITEM #8

2022-2023 Clean Fuels/Clean Technologies
Conference Calendar

Clean Fuels and Clean Technologies Conference Calendar for 2022 - 2023

February 2022

- Feb 15-17** **Fossil and Renewable Energy 2022, Houston, TX., Website:**
