Ravenstein

The City could not identify LPG vehicles in its fleet which would meet the operational requirements. Therefore, the City is requesting to reduce the number of vehicles from seven to one, with a corresponding \$180,000 contract value reduction, and to substitute a CNG vehicle for LPG. The COVID-19 pandemic and understaffing have impacted the City's ability to complete the final reporting and invoicing on the project. Therefore, the City also requests a six-month contract term extension. **THE MSRC-TAC UNANIMOUSLY RECOMMENDS APPROVAL**

5. Consider Nine-Month Term Extension by Southern California Association of Governments (SCAG), Contract #MS18015 (\$2,000,000 – Southern California Future Communities Partnership Program)

AGENDA ITEM #1

Comply With AB 361 Requirements to Allow MSRC to  
Continue to Meet Remotely

## MSRC Agenda Item No. 1

**DATE:** March 17, 2022

**FROM:** Daphne Hsu, Principal Deputy District Counsel

**SUBJECT:** Comply with AB 361 Requirements to Allow MSRC to Continue to Meet Remotely

**SYNOPSIS:** This action is to adopt the attached Resolution finding that the MSRC: 1) has reconsidered the circumstances of the state of emergency; and 2) state or local officials continue to impose or recommend measures to promote social distancing. See Cal. Gov't Code section 54953(e)(3).

**RECOMMENDATION:** Adopt the attached Resolution finding that the MSRC: 1) has reconsidered the circumstances of the state of emergency; and 2) state or local officials continue to impose or recommend measures to promote social distancing.

**FINANCIAL IMPACTS:** None

---

**Background:** Governor Newsom previously issued Executive Orders (EOs) N-29-20 and N-35-2 in March 2020, as a response to the public health crisis brought about by the COVID-19 pandemic. These EOs authorized local legislative bodies subject to the Ralph M. Brown Act to conduct meetings entirely via telephonic or other electronic means in lieu of requiring the physical presence of Board members or members of the public. On June 11, 2021 the Governor issued EO N-08-21, which continued suspension of the Brown Act's teleconferencing requirements, without requiring that members of the public be given the right to access all teleconference locations, through September 30, 2021, in anticipation of the State's proposed re-opening.

Assembly Bill 361, signed into law by Governor Newsom on September 16, 2021, amends the Brown Act and will stay in effect from October 1, 2021 until January 1, 2024. In part, AB 361 amends subparagraph (e) of section 54953 of the California Government Code to state that local agencies may continue to use teleconferencing without complying with the teleconferencing requirements of the Brown Act in any of the following circumstances:

- A. When the legislative body holds a meeting during a proclaimed state of emergency and state or local officials have imposed or recommended measures to propose social distancing;

- B. When the legislative body holds a meeting during a proclaimed state of emergency for the purpose of determining, by majority vote, whether as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees; or
- C. When the legislative body holds a meeting during a proclaimed state of emergency and has already determined, by majority vote, pursuant to subparagraph (B), that, as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees.

In the event of an ongoing proclaimed state of emergency, or where state or local officials have imposed or recommended measures to promote social distancing, in order to continue to utilize the teleconferencing measures set forth above, a legislative body must, no later than 30 days after teleconferencing for the first time pursuant to Government Code section 54953(e)(1), and every 30 days thereafter, make the following findings by majority vote:

- A. The legislative body has reconsidered the circumstances of the state of emergency.
- B. Any of the following circumstances exist:
  - i. The state of emergency continues to directly impact the ability of the members to meet safely in person; or
  - ii. State or local officials continue to impose or recommend measures to promote social distancing.

See Cal. Gov't Code section 54953(e)(1). Governor Newsom first declared a statewide emergency resulting from the COVID-19 pandemic on March 4, 2020. Furthermore, although the State no longer requires physical distancing, the MSRC meetings are generally held at the South Coast AQMD headquarters located in Diamond Bar, California, which is a city in Los Angeles County and both South Coast AQMD and the Los Angeles County Department of Public Health have recommended social distancing measures.

Recommendations: This action is to address the requirements of AB 361 to allow the MSRC to continue to meet remotely. The recommended action is to adopt the attached Resolution finding that the MSRC: 1) has reconsidered the circumstances of the state of emergency; and 2) state or local officials continue to impose or recommend measures to promote social distancing. See Cal. Gov't Code section 54953(e)(3).

AGENDA ITEM #4

Contract Modification Request by  
City of Santa Ana

MSRC Agenda Item No. 4

**DATE:** March 17, 2022

**FROM:** Cynthia Ravenstein, MSRC Contracts Administrator

**SUBJECT:** Reduced Scope and Value, Substitution of CNG for LPG (Propane) and Six-Month Term Extension by City of Santa Ana, Contract #ML14012

**SYNOPSIS:** The City could not identify LPG vehicles in its fleet which would meet the operational requirements. Therefore, the City is requesting to reduce the number of vehicles from seven to one, with a corresponding \$180,000 contract value reduction, and to substitute a CNG vehicle for LPG. The COVID-19 pandemic and understaffing have impacted the City's ability to complete the final reporting and invoicing on the project. Therefore, the City also requests a six-term extension as part of the FYs 2012-14 Local Government Match Program.

**FINANCIAL IMPACT:** If the MSRC approves the City's request, \$180,000 would revert to the AB 2766 Discretionary Fund.

**RECOMMENDATIONS:** The MSRC-TAC considered the recommendations of the Scope Changes Subcommittee and recommends approval

**ATTACHMENTS:** Contractor's letter requesting modification

---

**DISCUSSION:**

**Contractor:** City of Santa Ana

**Project Title:** Procure Seven Heavy-Duty LPG Vehicles and Install EV Charging

**MSRC Funding:** \$244,000

**Contract Term:** February 13, 2015 to April 12, 2022

**Current Request:** Reduced scope and value, substitute CNG for LPG, and six-month term extension

**Previous Requests:** Six-month term extension

**Project Description:** The MSRC awarded the City \$244,000: \$210,000 to procure seven heavy-duty LPG vehicles equipped with engines meeting the 0.2 g/bhp-hr NOx standard, or better; and \$34,000 towards the installation of six Level II EV charging stations, at least five of which

must be publicly accessible. The City has placed one heavy-duty CNG vehicle into service and completed installation of the charging stations; nothing has been paid to date on this contract.

Previous Requests: In July 2021, the City indicated that the COVID-19 pandemic and understaffing had delayed the preparation of their final report and invoicing. They requested a six-month term extension. This request was process administratively.

Contract Request: The City could not identify LPG vehicles in its fleet which would meet the five-year operational requirements of Contract #ML14012, or even be very close to doing so. Therefore, the City is requesting to reduce the number of vehicles from seven to one. The City understands that this would involve \$180,000 a contract value reduction.

The one vehicle identified is CNG rather than LPG. Both fuel types were equally eligible under the MSRC's FYs 12-14 Local Government Match Program. The CNG vehicle would have been approved if originally proposed.

Lastly, the City indicates that impacts of the COVID-19 pandemic and understaffing have continued to impede their report preparation and invoicing efforts. They request a six-month contract term extension.

Recommendations: The MSRC-TAC considered the recommendations of the MSRC-TAC Scope Changes Subcommittee and recommends approval of the requested modifications.

RE: Contracts ML14012 Request for Extension

Dear Ms. Ravenstein:

The City of Santa Ana received approval on February 13, 2015 for a total of \$244,000 in funding from the MSRC's Clean Transportation Funding *Local Government Match 2014 Program* to help finance alternative fuel infrastructure projects.

The City of Santa Ana is requesting a 6-month extension for Contract ML14012 to accommodate unanticipated delays due to the Covid-19 Pandemic and understaffing. The requested extension will allow our staff to prepare a Final Submission for ML14012. Additionally, The City is requesting to amend contract ML 14012 to reduce the total number of vehicles from 7 to 1, and substitute the (1) LPG vehicle for a (1) CNG vehicle.

Thank you for your consideration of our request, and I look forward to your response. Should you have any questions or comments, please feel free to contact Gregory Hoang at (714) 647-3357.

Sincerely,

Michael Ortiz

AGENDA ITEM #5

Contract Modification Request by  
Southern California Association of Governments

MSRC Agenda Item No. 5

**DATE:** March 17, 2022

**FROM:** Cynthia Ravenstein, MSRC Contracts Administrator

**SUBJECT:** Nine-Month Term Extension by Southern California Association of Governments (SCAG), Contract #MS18015

**SYNOPSIS:** SCAG requests a nine-month term extension due to supply chain pressures and staffing capacity challenges associated with the COVID-19 pandemic as part of the FYs 2016-18 Future Communities Partnership Program.

**FINANCIAL IMPACT:** None

**RECOMMENDATIONS:** The MSRC-TAC considered the recommendations of the Scope Changes Subcommittee and recommends approval

**ATTACHMENTS:** Contractor's letter requesting modification

---

**DISCUSSION:**

**Contractor:** Southern California Association of Governments

**Project Title:** Future Communities Partnership Program

**MSRC Funding:** \$2,000,000

**Project Term:** July 13, 2018 to August 31, 2022

**Current Request:**

**Previous Requests:** Modify one project, modify payment schedule, and one-year term extension; six-month term extension; reallocation of costs between tasks

**Project Description:** The MSRC awarded SCAG \$2,000,000 to partner on their broad-based regional program to support city and county agencies in implementing pilot projects that reduce vehicle miles traveled (VMT) from local travel and municipal operations through the use of new technologies and enhanced data analytics. Contract #MS18015 was executed to effectuate the award, and the MSRC approved the specific list of projects in April 2019. Nothing has been paid to date on this contract.

**Previous Requests:** SCAG was able to accomplish Task I (Research Promising Practices) and Task II (Selection of Specific Project Elements) at lower costs than anticipated. SCAG requested to reallocate \$50,000 from Task I, \$40,000 from Task II, and \$10,000 from Task IV (Reporting) to Task III (Implementation). At their April 2019 meeting, the MSRC considered and approved these reallocations. Subsequently, in September 2019 SCAG indicated that the initial administrative processes for some communities had taken longer than anticipated. SCAG requested a contract term extension to August 31, 2021 to allow time for appropriate data

collection and to align deadlines with their other funding source. This modification was processed administratively. Then in the Fall of 2020, SCAG indicated that the COVID-19 pandemic had significantly delayed implementation of most projects in the program. SCAG requested a one-year term extension to allow partnering agencies the flexibility to compensate for lost time and determine if additional modifications may be necessary to complete project work. In particular, the City of Monrovia had been compelled to develop a new scope of work for their project. SCAG requested approval of the revised project list, substituting the proposed bike share and bike delivery incentive program for the shared ride program in Monrovia. Lastly, due to the expiration of certain co-funding sources, SCAG requested modifications to the payment schedule, which would result in a net increase in total co-funding. At their December 2020 meeting, the MSRC considered and approved these modifications.

Contract Request: SCAG indicates that four pilots are expected to be complete by the current deadline of June 30, 2022: Glendale, Monrovia, San Bernardino County, and Riverside. Meanwhile, supply chain pressures and staffing capacity challenges associated with the COVID-19 pandemic have continued to delay the Anaheim, Cerritos, Los Angeles, and Ontario project elements. Allowing an adequate window for meaningful data collection is viewed as critical to the success of each pilot project. Therefore, SCAG requests a nine-month term extension to allow them to complete the work.

Recommendations: The MSRC-TAC considered the recommendations of the MSRC-TAC Scope Changes Subcommittee and recommends approval of the requested modifications.

*Subject: Contract Timeline Extension for No. MS18015C*

Dear Ms. Ravenstein:

The Southern California Association of Governments (SCAG) and the Future Communities Partnership Program (FCPP) would like to officially request a contract extension for Contract No. MS18015C. We are requesting a nine-month extension to amend the contract timeline, which is currently planned for termination effective August 31, 2022. The FCPP project team is proposing a new termination date effective May 31, 2023, with the Final Report completed no later than March 31, 2023.

The ongoing COVID-19 pandemic has continued to disrupt FCPP implementation efforts, and while some pilots remain on-track, others continue to experience delays. The FCPP project team expects four pilots to be completed this summer, including Glendale, Monrovia, San Bernardino County, and Riverside, with the Riverside team currently coordinating to finalize the pilot deliverables and champion the program's first successful pilot conclusion. Altogether the four are anticipated to be completed by original program deadline of June 30, 2022.

Supply chain pressures coupled with staffing capacity and labor and material shortages have impacted the other pilots however, particularly for Anaheim and Ontario. In the case of Anaheim, it has halted implementation and data collection until resolved. Staffing and capacity issues have been consistent throughout the pandemic, but they are especially felt when working with external project partners or supporting vendors. The Cerritos and Los Angeles pilots have felt this impact. As a result, some critical milestones are taking longer to reach.

Additionally, as the current termination date continues to approach, the window for meaningful data collection grows smaller, which is critical to the success of each pilot project. The Anaheim, Cerritos, Los Angeles, and Ontario pilots will benefit from an extended timeline to allow the consultants, researchers, and FCPP project team members to continue data collection and analysis beyond the current project deadline. This will strengthen the findings, final report, and deliverables.

We thank you for your continued patience and support on the Future Communities Partnership Program as well as other SCAG initiatives. Any

questions or concerns related to this request may be directed to Marisa Laderach, FCPP Project Manager, at 213-236-1927 or [laderach@scag.ca.gov](mailto:laderach@scag.ca.gov).

Sincerely,

Kana Sato-Nguyen
