

TECHNICAL ADVISORY COMMITTEE OF THE MOBILE SOURCE AIR POLLUTION REDUCTION REVIEW COMMITTEE

AGENDA

Thursday, December 7, 2023 at 1:30 p.m.

A meeting of the MSRC-TAC will be held at 1:30 p.m. on Thursday, December 7, 2023 through a hybrid format of in-person attendance in Conference Room CC-8 at the South Coast AQMD Headquarters, 21865 Copley Drive, Diamond Bar, California, and remote attendance via videoconferencing and by telephone. Please follow instructions below to attend the meeting remotely.

TELECONFERENCE LOCATIONS

Los Angeles County MTA
One Gateway Plaza
Planning Conference Room, 23rd Floor
Los Angeles, CA 90012

Los Angeles County ISD
1100 N. Eastern Avenue
3rd Floor Conference Room
Los Angeles, CA 90063

Palm Desert City Hall
73-510 Fred Waring Drive
North Wing Conference Room
Palm Desert, CA 92260

CalEPA
1001 I Street
Training Room 5
Sacramento, CA 95818

Please refer to the MSRC's website, www.cleantransportationfunding.org, for information regarding the format of the meeting, updates if the meeting format is changed to full remote via webcast format, and details on how to participate.

Audience will be allowed to provide public comment through telephone or Zoom connection during public comment periods

PUBLIC COMMENT WILL STILL BE TAKEN

*Members of the public may address this body concerning any agenda item before or during consideration of that item (Gov't Code Section 54954.3(a)). If you wish to comment on an agenda item or during the public comment period, please "raise your hand" on Zoom or dial *9 on your phone. All agendas for regular meetings are posted at District Headquarters, 21865 Copley Drive, Diamond Bar, California, at least 72 hours in advance of the regular meeting. Speakers may be limited to three (3) minutes each.*

Committee Members

MSRC-TAC Chair

Kelly Lynn
Representing San Bernardino County
Transportation Authority

Ash Nikravan
Alternate: Yuh Jiun Tan
Representing South Coast AQMD

MSRC-TAC Vice-Chair

Minh Le
Alternate: Laura Iannoccone
Representing Los Angeles County Board of
Supervisors

Vacant
Alternate: Joseph Alcock
Representing Cities of Orange County

Vacant
Representing Cities of Los Angeles County

MSRC-TAC Members

Angie Ramirez
Representing City of Los Angeles

Denis Bilodeau
Representing Orange County Board of Supervisors

Adriann Cardoso
Alternate: Cliff Thorne
Representing Orange County Transportation
Authority

Chris Escobedo
Representing Cities of Riverside County

Rongsheng Luo
Alternate: Scott Strelecki
Representing Southern California Association of
Governments

Mark McCullough
Alternate: Bradley Jensen
Representing San Bernardino County Board of
Supervisors

Jason Farin
Representing Riverside County Board of
Supervisors

Steven Lee
Alternate: David Leyzerovsky
Representing Los Angeles MTA

Inder Atwal
Representing California Air Resources Board

Vacant
Mechanical Expert

Jenny Chan
Alternate: Lorelle Moe-Luna
Representing Riverside County Transportation
Commission

Sean O'Connor
Representing Cities of San Bernardino County

Vacant
Air Pollution Control Expert

Jack Garate
Representing Regional Rideshare Agency

CALL TO ORDER

- Roll Call

Opening Comments: Kelly Lynn, MSRC-TAC Chair
Other MSRC-TAC Members

STATUS REPORT

Clean Transportation Policy Update

Ravenstein

The Clean Transportation Policy Update provides information on key legislative and regulatory initiatives of potential interest to the MSRC. The report can be viewed at www.CleanTransportationFunding.org.

CONSENT CALENDAR (Items 1 through 6)

Receive and Approve

1. Minutes of the May 4, 2023 MSRC-TAC Meeting Allen

2. Consider Adoption of 2024 Meeting Schedules Allen

Annually, the MSRC considers a proposed meeting schedule for the coming year. The schedule continues with meetings on the first and third Thursdays, respectively for the MSRC-TAC and MSRC, with three exceptions. Staff recommends the MSRC-TAC meetings in January and December be held on the second Thursday of the month to avoid holiday conflicts. Staff further recommends that the MSRC and MSRC-TAC not hold any scheduled meetings in July, similar to the South Coast AQMD Board and its committees.

3. Summary of Final Reports by MSRC Contractors Gorski

- Omnitrans, Contract #MS18180 (\$83,000 – Maintenance Facility Improvements)
- Costco Wholesale Corp., Contract #MS21025 (\$160,000 – Install Five EV Charging Units)

Information Only - Receive and File

4. MSRC Contracts Administrator's Report Ravenstein

This report covers key issues addressed by MSRC staff, status of open contracts, and administrative scope changes from September 28 through November 29, 2023.

5. **Financial Report on AB 2766 Discretionary Fund** **Pathak**
Financial Report for October 2023.

6. **Report on Outreach Activities** **Better
World
Group**

This report provides a summary of outreach, communications and policy activities undertaken by the Better World Group on behalf of MSRC for Fall 2023.

ACTION CALENDAR (Items 7 through 8)

FYs 2016-18 WORK PROGRAM

7. **Consider Nine-Month Term Extension by City of Gardena (GTrans), Contract #MS18027 (\$365,000 – Install New Limited Access CNG Station, Modify Maintenance Facility & Train Mechanics)** **Ravenstein**
Gtrans requests approval of a nine-month term extension due to longer than anticipated time for delivery of electrical switchgear box and subsequent delays with permits and inspections. This contract was previously extended a total of 28 months. The MSRC Contracts Administrator recommends approval.

FY 2021-24 Work Program

8. **Receive Update on FY 2021-'24 Work Program - Goods Movement** **Gorski**
Staff will provide an update on the status and next steps for the MSRC's FY 2021-'24 Goods Movement Work Program.

OTHER BUSINESS

**Any member of the committee, on his or her own initiative or in response to questions posed by the public, may ask a question for clarification, may make a brief announcement or report on his or her own activities, provide a reference to staff regarding factual information, request staff to report back at a subsequent meeting concerning any matter, or may take action to direct staff to place a matter of business on a future agenda. (Gov't Code Section 54954.2)*

Lynn

PUBLIC COMMENT PERIOD - (Public Comment on Non-Agenda Items, Pursuant to Government Code Section 54954.3)

At the end of the regular meeting agenda, an opportunity is provided for the public to speak on any subject within the Committee's authority that is not on the agenda. Speakers may be limited to three (3) minutes each.

ADJOURNMENT

NEXT MEETING: Date: January 11, 2024, 1:30 PM, Location: South Coast AQMD Headquarters, Conference Room CC-8

Americans with Disabilities Act and Language Accessibility

Disability and language-related accommodations can be requested to allow participation in the MSRC-TAC meeting. The agenda will be made available, upon request, in appropriate alternative formats to assist persons with a disability (Gov't Code Section 54954.2(a)). In addition, other documents may be requested in alternative formats and languages. Any disability or language-related accommodation must be requested as soon as practicable. Requests will be accommodated unless providing the accommodation would result in a fundamental alteration or undue burden to the District. Please contact Maria Allen at (909) 396-2714 from 7:00 a.m. to 5:30 p.m., Tuesday through Friday, or send the request to mallen@aqmd.gov

Pursuant to SB 343

All documents (i) constituting non-exempt public records, (ii) relating to an item on an agenda for a regular meeting, and (iii) having been distributed to at least a majority of the Committee after the Agenda is posted, are available by contacting Maria Allen at (909) 396-2714 or send the request to mallen@aqmd.gov

Contacts: Cynthia Ravenstein, MSRC Contracts Administrator – (909) 396-3269
Ray Gorski, MSRC Technical Advisor – (909) 396-2479
Maria Allen, MSRC Administrative Liaison – (909) 396-2714

INSTRUCTIONS FOR ELECTRONIC PARTICIPATION

Instructions for Participating in a Virtual Meeting as an Attendee

As an attendee, you will have the opportunity to virtually raise your hand and provide public comment. Before joining the call, please silence your other communication devices such as your cell or desk phone. This will prevent any feedback or interruptions during the meeting.

Please note: During the meeting, all participants will be placed on mute by the host. You will not be able to mute or unmute your lines manually.

After each agenda item, the Chair will announce public comment.

A countdown timer may be displayed on the screen for each public comment.

If interpretation is needed, more time will be allotted.

Once you raise your hand to provide public comment, your name will be added to the speaker list. Your name will be called when it is your turn to comment. The host will then unmute your line.

Directions for Video ZOOM on a DESKTOP/LAPTOP:

- If you would like to make a public comment, please click on the “**Raise Hand**” button on the bottom of the screen.
- This will signal to the host that you would like to provide a public comment and you will be added to the list.

Directions for Video Zoom on a SMARTPHONE:

- If you would like to make a public comment, please click on the “**Raise Hand**” button on the bottom of your screen.
- This will signal to the host that you would like to provide a public comment and you will be added to the list.

Directions for TELEPHONE line only:

- If you would like to make public comment, please **dial *9** on your keypad to signal that you would like to comment.

Agenda Item #1

Minutes of the May 4, 2023 MSRC-TAC Meeting

**TECHNICAL ADVISORY COMMITTEE TO THE MSRC
THURSDAY, May 4, 2023 MEETING MINUTES
21865 Copley Drive, Diamond Bar, CA 91765**

MSRC-TAC MEMBERS PRESENT:

MSRC-TAC Chair Steven Lee, representing Los Angeles County Metropolitan Transportation Authority (LA Metro)
Denis Bilodeau, representing Orange County Board of Supervisors
Adriann Cardoso, representing Orange County Transportation Authority
Cheryl Chesnut (Alt), representing San Bernardino County Transportation Authority
Chris Escobedo, representing the Cities of Riverside County
Jason Farin, representing the Riverside County Board of Supervisors
Jack Garate, representing the Regional Rideshare Agency
Steve Hillman, representing the City of Los Angeles
Minh Le, representing the Los Angeles County Board of Supervisors
Ash Nikravan, representing South Coast AQMD
Rongsheng Luo, representing Southern California Association of Governments (SCAG)
Scott Strelecki (Alt), representing SCAG

OTHERS PRESENT:

David Leyzerovsky (LA Metro)
David Thornburg
Erika Chavez
Rene Salas (City of South El Monte)
Ryan Laws (SCAG)
Lauren Dunlap
Loraine Lundquist

SCAQMD STAFF & CONTRACTORS

Maria Allen, MSRC Administrative Liaison
Sindy Enriquez, Contracts Assistant
Ray Gorski, MSRC Technical Advisor - Contractor
Daphne Hsu, Principal Deputy District Counsel
Matt MacKenzie, Contracts Assistant
Anish Pathak, Financial Analyst
Cynthia Ravenstein, MSRC Contracts Administrator
Donna Vernon, Administrative Assistant I
Debra Ashby, Sr. Public Affairs Specialist

Kim White, Sr. Public Affairs Specialist
Lane Garcia, Program Supervisor

DRAFT

CALL TO ORDER

- Call to Order
MSRC-TAC Chair Steven Lee called the meeting to order at 1:32 p.m.

STATUS UPDATE

The Clean Transportation Policy Update provides information on key legislative and regulatory initiatives of potential interest to the MSRC. The report can be viewed at www.CleanTransportationFunding.org.

MSRC-TAC ELECTIONS

ON MOTION BY MSRC-TAC MEMBER ADRIANN CARDOSO AND SECONDED BY MSRC-TAC MEMBER MINH LE, THE MSRC-TAC UNANIMOUSLY VOTED FOR KELLY LYNN AS MSRC-TAC CHAIR

ON MOTION BY MSRC-TAC MEMBER MINH LE AND SECONDED BY MSRC-TAC MEMBER STEVEN LEE, WITH THE EXCEPTION OF AN ABSTENTION BY MSRC-TAC MEMBER MINH LE, THE MSRC-TAC UNANIMOUSLY VOTED FOR MINH LE AS MSRC-TAC VICE-CHAIR

MSRC-TAC VOTING

Though SCAG Member Rongsheng Luo was present, SCAG Alternate Scott Strelecki represented Southern California Association of Governments at this meeting and voted.

CONSENT CALENDAR

Receive and Approve

Agenda Item #1 – Summary of Final Report by MSRC Contractor

One final report was submitted for MSRC-TAC review and approval during May:

- Penske Truck Leasing Co. L.P., Contract #MS21007 (\$1,000,000 – Deploy 5 Zero-Emission Yard Tractors)

ON MOTION BY MSRC-TAC MEMBER ADRIANN CARDOSO AND SECONDED BY MSRC-TAC MEMBER JASON FARIN, UNDER APPROVAL OF CONSENT CALENDAR ITEMS #1 – #3, THE MSRC-TAC UNANIMOUSLY VOTED TO RECEIVE AND RECOMMEND APPROVAL OF THE MSRC CONTRACTORS' FINAL REPORT SUMMARY LISTED ABOVE.

ACTION: The Final Report Summary was received and approved. It will be included on the MSRC's next agenda for final action.

Information Only – Receive and File

Agenda Item #2 – MSRC Contracts Administrator’s Report

The Contracts Administrator’s Report for March 30, 2023 through April 26, 2023 was included in the agenda package.

ON MOTION BY MSRC-TAC MEMBER ADRIANN CARDOSO AND
SECONDED BY MSRC-TAC MEMBER JASON FARIN, UNDER
APPROVAL OF CONSENT CALENDAR ITEMS #1 – #3, THE MSRC-TAC
UNANIMOUSLY VOTED TO RECEIVE AND FILE THE MSRC
CONTRACTS ADMINISTRATOR’S REPORT LISTED ABOVE.

ACTION: The Contracts Administrator’s Report was received and filed. It will be included on the MSRC’s next agenda for final action.

Agenda Item #3 – Financial Report on AB 2766 Discretionary Fund

The Financial Report on the AB 2766 Discretionary Fund for March 2023 was included in the agenda package.

ON MOTION BY MSRC-TAC MEMBER ADRIANN CARDOSO AND
SECONDED BY MSRC-TAC MEMBER JASON FARIN, UNDER
APPROVAL OF CONSENT CALENDAR ITEMS #1 – #3, THE MSRC-TAC
UNANIMOUSLY VOTED TO RECEIVE AND FILE THE FINANCIAL
REPORT FOR THE MONTH OF MARCH 2023.

ACTION: The March 2023 financial report was received and filed. No further action is required.

ACTION CALENDAR

Agenda Item #4 - Consider Increased Scope and 15-Month Contract Term Extension by City of Rolling Hills Estates, Contract #ML18141 (Procure One Light-Duty ZEV and Install EV Charging Infrastructure)

Cynthia Ravenstein, MSRC Contracts Administrator, explained that the City of Rolling Hills Estates was awarded funding from the MSRC to procure one light duty zero emission vehicle and to install charging infrastructure. The contract was to install two limited access level II charging stations. The City was able to identify funding from Southern California Edison’s (SCE’s) Charge Ready Program that enabled them to install additional stations. The City is asking to increase the scope of the contract to five dual port and two single port publicly accessible level II stations. Unfortunately, the City was delayed due to the SCE process and infrastructure materials being out of stock for some time. The City recently got the stations operational; they are now requesting a 15-month term extension. Ms. Ravenstein as Contracts Administrator is recommending approval, the Scope Changes Subcommittee did not meet to give a recommendation. The City was previously granted a one-year term extension.

ON MOTION BY MSRC-TAC MEMBER CHRIS ESCOBEDO AND
SECONDED BY MSRC-TAC MEMBER STEVE HILLMAN, THE MSRC-TAC
UNANIMOUSLY VOTED TO RECOMMEND TO APPROVE FOR THE CITY
OF ROLLING HILLS ESTATES, CONTRACT #ML18141, AN INCREASE IN
SCOPE AND A FIFTEEN-MONTH TERM EXTENSION.

ACTION: MSRC staff will include this contract modification on the next MSRC agenda for approval.

Agenda Item #5 - Consider Modified Scope and Reallocation of Funding Between Projects by Southern California Associate of Governments (SCAG), Contract #MS21005 (\$16,751,000 – Implement Last Mile Freight Program)

Cynthia Ravenstein, MSRC Contracts Administrator, explained that this request is for SCAG's contract for the Last Mile Freight Program. A project participant that was an independent owner-operator had been awarded \$70,000 to get a truck and they decided to withdraw from the program. The contract does allow for the funds to be reallocated and SCAG looked at various available options. SCAG is now requesting approval to reallocate those funds to Sysco Corporation. Sysco would install an additional charging station. They would use the resources from installing that charger into a battery energy storage system, which is going to enhance their system resiliency and shift load away from high price periods. SCAG is also requesting a change in their contract for another project participant. WattEV was awarded funding to purchase 20 Volvo electric trucks, but the delivery schedule on those Volvo Trucks has been delayed multiple times. WattEV would like to substitute Nikola battery electric trucks for some of the Volvo trucks. WattEV thinks that this change helps them meet their existing time schedule. They have yet to finalize the precise number of trucks they plan to replace. Consequently, they are seeking some flexibility in determining this matter. There would be no alteration in the total funding received from the MSRC. The Nikola truck costs a little bit more, so the co-funding going into the project will increase a little bit while the MSRC funding stays the same.

MSRC-TAC Member Ashkaan Nikravan asked if the independent owner operator gave a reason for withdrawing from the project?

MSRC-TAC Member Scott Strelecki answered stating that the independent owner operator left to conduct business in another state.

MSRC-TAC Member Minh Le asked what is being done to retain the current number of independent owner operators in the program?

Mr. Strelecki answered that SCAG has been engaging with the independent owner operators directly since the award announcement. Most of them are working with a consultant, which has been helpful through the process. The ones that have turned over were for three main reasons: leaving the business, the change of the business climate, and then the most recent one leaving the state. This project has 19 independent owner operators with MOU contracts. They have one that has completed the recording process and submitted their final report and are currently reviewing and going through potential reimbursement.

MSRC-TAC Member Chris Escobedo asked why the Contracts Administrator did not comment on a recommendation.

Ms. Ravenstein stated that because this item had to do with the reallocation of funds from one project to another, she felt that was beyond her scope.

Public comment:

Ryan Laws from SCAG's Goods Movement Business Unit wanted to further answer Mr. Le's question. SCAG also has regular progress reporting with all their subrecipients and they are asking the owner operators to report on a monthly basis.

ON MOTION BY MSRC-TAC MEMBER MINH LE AND SECONDED BY MSRC-TAC MEMBER JASON FARIN, WITH THE EXCEPTION OF MSRC-TAC ALTERNATE SCOTT STRELECKI WHO ABSTAINED, THE MSRC-TAC UNANIMOUSLY VOTED TO RECOMMEND TO APPROVE FOR SOUTHERN CALIFORNIA ASSOCIATE OF GOVERNMENTS (SCAG), CONTRACT #MS21005, REALLOCATION OF FUNDS AND TRUCK SUBSTITUTION

ACTION: MSRC staff will include this contract modification on the next MSRC agenda for approval.

Agenda Item #6 - Consider 42-Month Contract Term Extension by City of South El Monte, Contract #ML18084 (Install EV Charging Infrastructure)

Cynthia Ravenstein, MSRC Contracts Administrator, explained that the City of South El Monte was awarded \$30,000 to install two level II publicly accessible charging stations. The City has not completed any construction and the MSRC hasn't paid anything yet. The City requested an extension but was denied by the Contracts Administrator because the Contract had already been extended and they have not completed any work. The City indicated personnel changes had prevented them from completing the project within the contracted period. If granted the extension, the City plans to explore various options and funding sources. They estimate that they could get the stations installed within 18 months. Ms. Ravenstein noted that 10 months out of the 42 months that they're asking for are due to an error in the original length of the contract. The original contract was not long enough to allow them to provide the three years of operation that they're supposed to provide.

MSRC-TAC Member Minh Le stated that the City of South El Monte only has 15 charging stations and he would like the community to have more publicly accessible charging. The City's letter mentions researching available grants through SCE's Charge Ready Program and LA County's Public Power-Up program. Mr. Le proposed a time-bound evaluation to get the chargers built.

MSRC-TAC Member Chris Escobedo asked if it was possible to cut down some of the presented timeline or to use the presented timeline as milestones as performance standards to be met.

Ms. Ravenstein answered stating that she doesn't think it's possible to shorten the timeline, considering that the City would still need three years of operation.

Rene Salas, City Manager for the City of South El Monte stated that the 42-Month extension is due to the three-year operational requirement. The City is already in communications with the Power-Up program and they have applied. Mr. Salas stated that he and his team are committed to completing this project for their community.

MSRC-TAC Chair Steven Lee asked if the 42-month extension was granted, when would the end date be?

Ms. Ravenstein answered stating that the end date would be early 2028.

ON MOTION BY MSRC-TAC MEMBER JASON FARIN AND SECONDED BY MSRC-TAC MEMBER MINH LE, THE MSRC-TAC UNANIMOUSLY VOTED TO RECOMMEND TO APPROVE FOR THE CITY OF SOUTH EL MONTE, CONTRACT #ML18084, A 42-MONTH TERM EXTENSION, CONTINGENT UPON IT BEING THE CITY'S LAST EXTENSION

ACTION: MSRC staff will include this contract modification on the next MSRC agenda for approval.

Agenda Item #7- Consider Recommended Awards under FYs 2021-24 Microtransit Service Program

Ray Gorski, MSRC Technical Advisor, gave a presentation on the Microtransit Service Program. The RFP 2023-07 released on in January 2023 was seeking proposals for new or expanded zero-emission microtransit services in the South Coast AQMD region. The MSRC allocated \$2.5 million for this program. The RFP closed on March 2023 with six proposals received and a total funding request of \$1,965,401. The priorities of this RFP are to integrate microtransit into other transit systems, bridge the gap between traditional fixed-route transit that do not meet the mobility needs of the residents, serve disadvantaged communities or other regions that lack adequate transportation, and serve areas that suffer disproportionately from air pollution. The MSRC received six proposals. The proposals were from Omnitrans-Bloomington, the City of Seal Beach, the City of Huntington Beach, Anaheim Transportation Network, the City of Gardena and the City of Long Beach. A detailed report of these proposals was included in the agenda package. This program requires a minimum of 50% co-funding; the total project cost reflects the combination of both the co-funding and as well the MSRC request.

The RFP evaluation and scoring criteria consisted of overall cost-effectiveness at 35 points maximum, sustainability and continuation plan at 35 points maximum, connectivity and integration with other public transit at 15 points maximum and extent of project serving disadvantaged communities or areas that lack adequate transportation and mobility options and/or disproportionately impacted by unhealthy air quality at 15 points maximum. For each of the six proposals that were received, funding is recommended in the amount that was requested.

ON MOTION BY MSRC-TAC MEMBER ADRIANN CARDOSO AND SECONDED BY MSRC-TAC MEMBER MINH LE, THE MSRC-TAC

UNANIMOUSLY VOTED TO RECOMMEND TO APPROVE FUNDING
AWARDS TOTALING \$1,965,401 UNDER THE FYS 2021-24
MICROTRANSIT SERVICE PROGRAM

ACTION: MSRC staff will include this program on the next MSRC agenda for approval.

Agenda Item #8 - Receive Update on Possible Application(s) for U.S. Department of Transportation (“DOT”) Funding

Ray Gorski, MSRC Technical Advisor, explained that the United States Department of Transportation is offering incentive funding for the installation of electric vehicle charging and low emission vehicle refueling, called the Charging Fueling Infrastructure Program. There is currently \$700 million dollars available, and the program is split between two elements, one element being community-based charging or refueling infrastructure and the second being the corridor-based charging infrastructure, which for all intents and purposes would serve as goods movement. The current plan is for the State of California through the California Energy Commission (CEC) partnered with Caltrans to take the lead on a statewide corridor program. The MSRC has been asked to support the program, not necessarily by being a direct co-funder yet, but at least being able to within the proposal share some of the initial results of the MSRC’s Request for Information (RFI) process. The intent is to demonstrate to the US DOT that our region is preparing to support zero emission goods movement. There is a team that has been working on this. It includes the South Coast Air Quality Management District, SCAG and LA Metro in a supporting role for this proposal as well. The actual development is being done by the CEC and Caltrans. In the South Coast region, the team is developing narrative to support a corridor that serves the primarily the I-710, because that’s where the goods movement begins from the maritime ports out to the Inland Empire.

MSRC-TAC Member Minh Le asked if letters of support from their respective organizations be helpful?

Mr. Gorski answered that yes, there is an effort to identify and solicit letters of support and draft templates are being put together. Once those are available, Mr. Gorski will distribute those to the MSRC and MSRC-TAC agency Members.

INFORMATION ONLY

ACTION: No further action is required.

PUBLIC COMMENTS:

MSRC-TAC Alternate Scott Strolecki announced that as part of the Last Mile Freight Program which is directly using MSRC funds to support the Sysco Corporation, they had a ribbon cutting ceremony in Riverside April 21st. They had about 300 people there. Sysco is the largest food service company in the world; they want to roll out about 3,000 zero emission trucks across the United States. Riverside is the test platform and the beginning of what they’re going to do.

ADJOURNMENT

THERE BEING NO FURTHER BUSINESS, THE MSRC-TAC MEETING
ADJOURNED AT 2:34P.M.

NEXT MEETING: Next meeting: Thursday, June 1, 2023, 1:30 p.m.

Agenda Item # 3

Summary of Final Reports
by MSRC Contractors

MSRC-TAC Agenda Item No. 3

Date: December 7, 2023
From: Ray Gorski, MSRC Technical Advisor
Subject: Final Reports Received and Reviewed

Two (2) Final Reports were submitted for MSRC-TAC review and approval:

- OmniTrans, Contract #MS18180 in the amount of \$83,000 – Methane Detection System – I Street Facility
- Costco Wholesale, Contract #MS21025 in the amount of \$160,000 – Offroad Transportation Electrification

A summary of each Final Report is attached. MSRC Staff has reviewed the Final Reports and recommends approval.

OmniTrans – Methane Detection System, I Street Facility

Project Description & Work Performed

Omnitrans upgraded the existing Paratransit Vehicle Maintenance and Storage Facility to accommodate the repair of Natural Gas Vehicles (NVGs). Work included mechanical, plumbing, and electrical connections to all equipment. All conduit, piping, and ancillary items needed for a code-compliant functional installation was provided by the installation contractor.

The work performed included the following:

- New methane Gas detection system.
- New mechanical HVAC and radiant heating System. Electrical and lighting upgrades.
- Structural components to support new HVAC equipment.
- New motorized operators for three existing sectional doors.

Issues Encountered

In developing the original scope of work, our internal staff identified the need for multiple pieces of equipment to install an updated methane detection system. This is the system that was submitted to MSRC for the project.

Based on the technical expertise of the engineering design firm, it was identified that the same results could be achieved using fewer pieces of stand-alone equipment. The system design that was chosen for the project uses more centralized systems to achieve the same results.

The design modifications in the areas of exhaust fans and radiant heating were changed to more centralized systems (rather than independent local pieces of equipment) by utilizing distribution systems to include duct work and heat exchanger pipes. The new design offers the same coverage of the shop areas needed for the proper amount of air exchanges, exhaust mitigation and heating needs with fewer pieces of equipment.

Omnitrans will still achieve all goals and deliverables as identified in the project application. The change in scope is only related to the amount and design of the equipment to achieve the project results.

Costco wholesale – Offroad Transportation Electrification

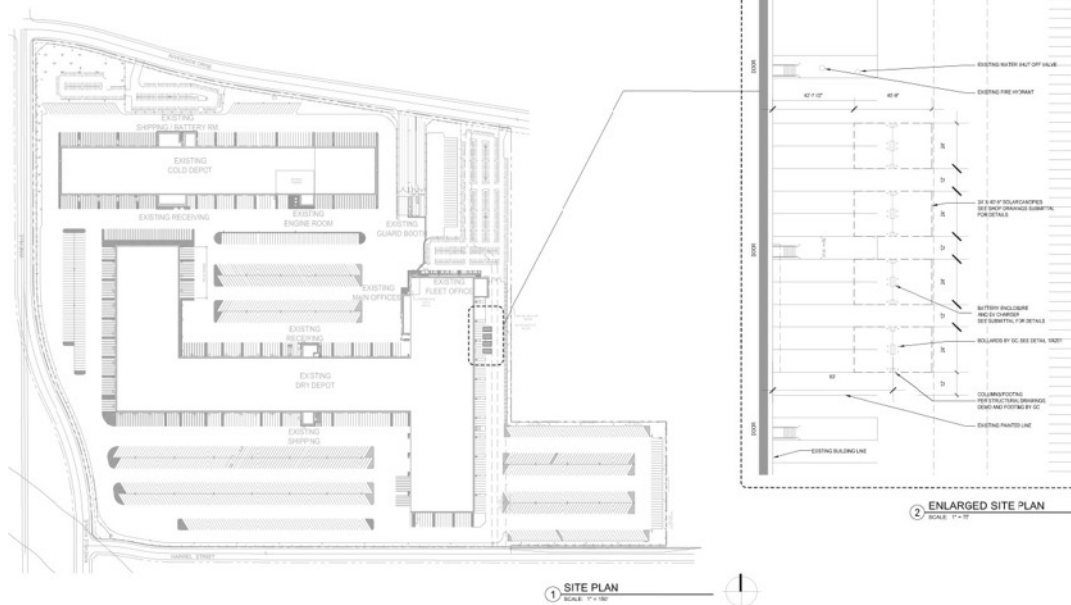

Costco Wholesale supports transportation electrification and is seeking innovative ways to lower emissions, greenhouse gases, and do their part to become more environmentally friendly.

This project involved the installation of four 'off-grid' solar structures (Trinity TS2600's) that integrate solar, energy storage (batteries), inverters, network communications interface, Modbus Cellular, and EV chargers to support the operational use of Orange EV Yard Goat (eTreivers). Trinity was responsible for the design, engineering, and fabrication of structural solar canopies, the installation of the canopy, batteries, inverters and EV chargers. Trinity will also bring to the project Satec/Expert Power to set-up and establish on-going monitoring and reporting.

In addition, Trinity will contract Uptime Charger to be responsible for preventative and emergency maintenance of the four Solar structures, network interface, batteries and inverters as well as the five Orange EV Chargers. The 5 Orange EV Chargers for the project were installed by Costco, with four (4) connected to the 'off-grid' solar structures, and one (1) connected to the grid.

Costco Mira Loma Depot 960 - Fleet Yard 11600 Riverside Drive Mira Loma, CA 91752

SUCSESSES:

- Deployment of the first scaled decarbonized, off-grid fleet charging in the U.S.
- Executed the project from original concept discussion in late April to charging 4 months.
- Complete site design to permitting was completed in 4 weeks.
- Total construction was completed in 5 weeks.
- Deployed and integrated with zero interruption in business operations.
- Executed the complete scope under budget and with superior quality.
- Total project exceeds Costco's internal Climate Action Commitments.
- The structures are 100% off-grid in all aspects and will generate in excess of 400kWh when all four structures are on-line during peak season.
- Integrating industry leading cloud-based monitoring and reporting.

CHALLENGES:

- Required speed to execute circumvented our process for integrated electrical design in advance of deployment.
- Issues that cascaded from that decision were primarily around system settings and electrical architecture.
- Battery and Charging optimization were executed after installation, not prior, which led to rolling shut-downs of the structures as we updated settings and hardware.
- Full power metering and automated monitoring are not yet complete, requiring traditional data downloads from the Inverter until the monitoring is live.

Costco

Published by Dani Taijito · 12m ·

The Mobile Source Air Pollution Reduction Review Committee (MSRC) allocates funding from vehicle license fees for local projects to reduce air pollution from motor vehicles. Since 1990, the MSRC has distributed more than \$500 million to projects like the Costco Wholesale Off-Road Transportation Electrification, helping to remove as much as 15,600 tons of air pollution from the skies of Southern California.

Agenda Item # 4

MSRC Contracts Administrator's Report

MSRC-TAC Agenda Item No. 4

DATE: December 7, 2023

FROM: Cynthia Ravenstein

SUBJECT: AB 2766 Contracts Administrator's Report

SYNOPSIS: This report covers key issues addressed by MSRC staff, status of open contracts, and administrative scope changes from September 28 to November 29, 2023.

RECOMMENDATION: Receive and file report

WORK PROGRAM IMPACT: None

Contract Execution Status

2021-24 Work Program

On September 2, 2022, the SCAQMD Governing Board approved an award under the Major Event Center Transportation Program. This contract is executed.

On February 3, 2023, the SCAQMD Governing Board approved an award under the Transformative Transportation Strategies & Mobility Solutions Program. This contract is with the prospective contractor for signature.

On June 2, 2023, the SCAQMD Governing Board approved six awards under the Microtransit Service RFP, for zero-emission shared mobility service. These contracts are under development, under internal review, or with the prospective contractor for signature.

On September 1, 2023, the SCAQMD Governing Board approved two awards under the Publicly Accessible Goods Movement Zero Emission Infrastructure Request for Information. One of these contracts will be administered by SCAQMD on behalf of the MSRC, and the other award is conditional upon successful selection of a site developer and operator and securing co-funding commitments.

Work Program Status

Contract Status Reports for Work Program years with open and/or pending contracts are attached.

FY 2011-12 Work Program Contracts

2 contracts are in "Open/Complete" status, having completed all obligations except operations.

FY 2011-12 Invoices Paid

No invoices were paid during this period.

FYs 2012-14 Work Program Contracts

5 contracts from this Work Program year are open, and 9 are in “Open/Complete” status.

FYs 2012-14 Invoices Paid

No invoices were paid during this period.

FYs 2014-16 Work Program Contracts

13 contracts from this Work Program year are open, and 11 are in “Open/Complete” status. One contract passed into “Open/Complete” status during this period: Omnitrans, Contract #MS16120 – Repower 63 Existing Buses.

FYs 2014-16 Invoices Paid

2 invoices totaling \$252,131.56 were paid during this period.

FYs 2016-18 Work Program Contracts

50 contracts from this Work Program year are open, and 57 are in “Open/Complete” status. 2 contracts passed into “Open/Complete” status during this period: Los Angeles County MTA, Contract #MS18073 – Purchase 40 Zero-emission Transit Buses; and Capistrano Unified School District, Contract #MS18108 – Expansion of Existing Infrastructure. One contract closed during this period: City of La Monterey Park, Contract #ML18093 – Purchase Heavy-duty Near-zero emission vehicle, was closed as an incomplete contract because the City was not able to take delivery and the MSRC had specified that the contract could not receive any further extensions. \$25,000 reverted to the AB 2766 Discretionary Fund.

FYs 2016-18 Invoices Paid

4 invoices totaling \$186,824.75 were paid during this period.

FYs 2018-21 Work Program Contracts

15 contracts from this Work Program year are open.

FYs 2018-21 Invoices Paid

8 invoices totaling \$2,243,881.10 were paid during this period.

FYs 2021-24 Work Program Contracts

One contract from this Work Program year is open.

FYs 2021-24 Invoices Paid

No invoices were paid on MSRC contracts during this period.

Administrative Scope Changes

2 administrative scope changes were initiated during the period from September 28 to November 29, 2023:

- Pac Anchor Transportation, Contract #MS21018 (Purchase 23 Near-Zero Emission Class 8 Trucks) – Reduce scope from 23 trucks to 21 trucks and reduce value from \$2,300,000 to \$2,100,000
- County of Los Angeles, Contract #ML18060 (Purchase 29 Light-Duty Zero Emission Vehicles, 1 Med/Heavy Duty ZEV, 6 Heavy-Duty Near-Zero Vehicles and Install EV Charging Stations) –

Remove tasks and funding associated with heavy-duty ZEV and change completion deadline for EV charging station installations (no change to contract term)

Agenda Item # 6

Report on Outreach Activities
by Better World Group

Memorandum

To: MSRC Technical Advisory Committee

From: Ruben Aronin, Principal
Sam Emmersen, Associate Principal
Better World Group

Date: November 28, 2023

Re: Fall 2023 – Quarterly Report on Outreach Activities

Better World Group (BWG) is pleased to provide the TAC with this report on outreach, communications, and policy activities that we have undertaken on behalf of the MSRC during the last three months, as well as an overview of some of the activities we anticipate conducting over the next three months.

Task 2 – Outreach and Promotion of MSRC Work Program Achievements

- Worked with Project Partner Costco to help them fulfill the public outreach component of their contract for EV chargers.
- Developed the upcoming edition of the *Clean Air Roadmap* e-newsletter to be published in December.
- Updated the MSRC's [Facebook](#) page with links to news and relevant stories and disseminated [tweets](#).

Task 3 – Development and Dissemination of Marketing/Promotional Materials

- Developed a [News Item](#) to celebrate the MSRC's support for California Clean Air Day on October 4.

Task 4 – Participation in Meetings and Events

- Prepared and presented MSRC historical program and promotional highlights, as well as California 2023 Clean Transportation Policy Achievements and a Look Ahead to 2024 opportunities and priorities at the MSRC and MSRC-TAC's joint retreat in November.
- Facilitated bi-monthly check-in calls with Cynthia Ravenstein and participated in monthly MSRC meetings via Zoom.
- Participated in monthly CARB/NGOs call re: state regulatory policy updates.

- Participated in monthly Green CA calls re: state legislative and regulatory policies.
- Attended monthly SCAQMD Legislative Committee meetings.

Task 5 – Strategic Market Direction for MSRC Work Programs

- Tracked all relevant state and federal regulatory, legislative, funding, research, and other news in the [October](#) and [November](#) *Clean Transportation Policy Update*.

January - March Anticipated Activity Highlights and Opportunities

- Support the JETSI Program event in January.
- Work with the MSRC staff to help prepare for the development of the new Work Program.
- Work with interested MSRC TAC and Members to participate in social media promotion of MSRC activities.
- Track state legislative and regulatory priorities including clean transportation funding initiatives.

Agenda Item # 7

Contract Extension Request
By City of Gardena

MSRC-TAC Agenda Item No. 7

DATE: December 7, 2023

FROM: Cynthia Ravenstein, MSRC Contracts Administrator

SUBJECT: Nine-Month Term Extension by City of Gardena (GTrans), Contract #ML18027

SYNOPSIS: Gtrans requests approval of a nine-month term extension due to longer than anticipated time for delivery of electrical switchgear box and subsequent delays with permits and inspections. This contract was previously extended a total of 28 months. This project is part of the FYs 2016-18 Local Government Partnership Program.

FINANCIAL IMPACT: None

RECOMMENDATIONS: The MSRC Contracts Administrator recommends approval.

ATTACHMENTS: Contractor's request letter

DISCUSSION:

Contractor: **City of Gardena**

Project Title: Install New Limited-Access CNG Station, Modify Maintenance Facility and Train Technicians

MSRC Funding: \$80,400

Project Term: November 2, 2018 to January 1, 2029

Current Request: Nine-month term extension

Previous Requests: One-year term extension; 16-month term extension

Project Description: The MSRC awarded GTrans \$365,000 to install a new limited-access CNG station (\$275,000), modify their vehicle maintenance facility (\$75,000), and train technicians (\$15,000). Contract #MS18027 was executed to effectuate the award. Installation of the fueling station equipment is in its final stages. Facility modifications have been completed. GTrans plans to schedule technician training after the station is operational. Nothing has been paid to date on this contract.

Previous Requests: Gtrans indicated that the COVID-19 pandemic had impacted all of their projects with disruptions and delays as resources were needed elsewhere to maintain service. Additionally, their ability to coordinate with outside entities was impacted. GTrans requested a sixteen-month term extension. At their September 2021 meeting, the MSRC considered and approved Gtrans' request.

Later, GTrans indicated that design changes had delayed the project for several months. Also, supply chain delays—especially pertaining to the CNG station’s switchgear box, had further delayed progress. They experienced a further delay associated with getting electrical work for the facility modifications completed by Southern California Edison. Gtrans requested a one-year term extension. At their April 2023 meeting, the MSRC considered and approved Gtrans’ request.

Contract Request: Gtrans indicates that the time for delivery of the switchgear box was even longer than anticipated, delayed by 10 months in total. They are currently completing installations but have been informed to expect delays in permits and inspections which must occur before the station can be made operational. Having previously been extended by a total of 28 months, Gtrans requests a nine-month term extension.

Recommendations: Given the state of installation, the MSRC Contracts Administrator recommends approval.

Re: Contract Extension Request MS18027

Dear Ms. Ravenstein,

I am writing to request a final, nine-month extension of contract MS18027. If granted, the new completion date will be September 30, 2024.

Since our last request in February 2023, GTrans is facing several remaining challenges to wrap up the project that dictate a final extension for this contract.

- Continued effects COVID19 and supply chain delays; particularly the CNG station’s electrical switchgear box which arrived in August 2023 after a 10-month delay. Work on this portion of the project is now underway.
- The delayed arrival of project equipment is now generating delays with permits and subsequent inspections by both the City and related utility companies. Specifically, The Gas Company will only set the meter once final City inspections are completed.
- The final connection by So. Cal. Edison, is estimated to occur in early January/February 2024. This process can take up to 45 days following the request.
- The final closeout of all project milestones, including training, will occur once the station is operational.

Without the requested extension, GTrans would lose this critical funding source and have a significant shortfall in its overall budget to complete the project. GTrans is determined to see this project through to timely completion, as 80 percent of our fleet makeup will be CNG beginning 2024. The onsite fueling of our fleet is of critical importance. We feel that the 9-month extension will give us adequate time to complete the project, train GTrans’ technicians, and begin operations of this critical fueling infrastructure.

Below is the new timeline:

Task	Completion	Revised Completion
Complete Station Design	12/1/2019	11/21/2021
Complete maintenance facility upgrade design	12/1/2019	11/29/2021
Submit Outreach Plan	12/1/2019	3/17/2022
Complete facility modifications	6/1/2020	3/31/2023
Complete Station Installation	6/1/2020	7/31/2024
Complete Technician Training	6/1/2021	7/31/2024
Implement Public Outreach Plan (complete)	8/1/2021	8/31/2024
Final Report	9/1/2021	9/30/2024

TASHA CERDA, Mayor / MARK E. HENDERSON, Mayor Pro Tem
RODNEY G. TANAKA, Councilmember / PAULETTE C. FRANCIS, Councilmember / WANDA LOVE, Councilmember
MINA SEMENZA, City Clerk / GUY MATO, City Treasurer / CLINT OSORIO, City Manager / CARMEN VASQUEZ, City Attorney

We appreciate your consideration of this request and look forward to confirmation from the MSRC governing body. Please do not hesitate to contact me at dpynn@gardenabus.com or (310) 965-8811 if you have any questions.

Thank you,
